Jessie reconnected the half of the necklace she gave her.

Blissey: It has been a while.

Jessie: I know.

Omi: That's amazing you know this Blissey.

Jessie: Yep.

Omi gave the Blissey apples.

Blissey: Oh thank you.

Omi: You're most welcome. Want to come with me?

Blissey: I would be honored. I have a lot of catching up to do with Jessie.

Horsea: You sure do.

Blissey: Yeah.

But then...

SPLAT!

A HUGE TONGUE LICKED ME AND SPLATTERED ME ALL OVER WITH SPIT!

Me: YUCK!

Nico: What the!

I was saturated in drool!

Lola: Yuck! Wait look!

We saw a Lickitung!

Me: A Lickitung! Whoa!

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

But then...

SPLAT!

IT LICKED POLIWAG AND COVERED HIM IN SPIT!

Poliwag: YUCK!

Nico: Not funny when someone else licks you, doesn't it?

Poliwag: No it isn't!

Sheena: This Lickitung is a girl named Yumi Upchuck and she is half of Upchuck's kind.

Me: Half Gourmand! That is cool!

Sonrisa: Has it been ike this for all of you?

Upchuck: Over the last year we met lots of gene-slammers made by Dark Gale.

Me: Dark Gale was lead by an old enemy of mine that I busted years ago.

Nico: Long story.

Me: Lets go help her.

We went over.

Upchuck: It's okay kid.

Then...

SPLAT!

SHE LICKED MAY AND COVERED HER IN SPIT!

May: YUCK!

Nico: Gross!

Me: GROSS!

Sheena: Also this one has a REALLY NASTY stomach problem. She can't stop throwing up for some reason!

Me: Uh oh!

May: At least I didn't get hit with a fire blast!

Me: That is true.

Manaphy: WHY THAT LITTLE!?

Me: Manaphy calm down!

SPLAT!

MANAPHY THEN GOT LICKED ALL OVER AND SHE WAS COVERED IN SPIT!

Manaphy: OH YUCK!

Me: Gross! Okay then.

I snapped my fingers and she was reverting back. But then...

MASSIVE AND INTENSELY POWERFUL PROJECTILE VOMIT STORM!

SHE THREW UP AND DRENCHED NICO AND MAY IN NASTY VOMIT!

She reverted back and was a girl with green hair and green eyes and had green angel wings and had Lickitung on her forehead and had a Vomit Emoji and Upchuck on her arm.

Me: OH SICK!

Luna: PUKE STORM! (FAINTS)

FWOMP!

We wrapped her in a blanket and brought her over and put her on a sleeping back with a rag on her forehead.

Me: There.

Nico: J.D. if you say anything I am going to kill you.

May: I'll eat your intestines first.

Me: You don't scare me.

Maria washed them both off.

Sonrisa: That must really happen to you guys a lot.

Me: Being a superhero is a dirty job but somebody has to do it.

Qin: Yeah.

Sonrisa: I see.

Sunflora agreed too.

Poliwag licked her awake

Yumi groaned.

Poliwag: Boy she is really sick.

Yumi woke up.

Me: Yumi are you okay?

Yumi Upchuck: (Groans) I feel really bad. I feel like shit.

Me: Well aside from the fact that you were turned into a Lickitung by Dark Gale you threw up all over Nico and May.

Nico: THANKS A LOT!

May: YEAH!

Yumi Upchuck: (Groans) I'm sorry guys. (Groans)

Me: Man what did you eat that gave you a nasty stomach bug?

Qin: You didn't eat a whole birthday cake in one bite did you?

Yumi Upchuck: (Groans) No I didn't. I ate an entire garden of vegetables by accident on my last mission and it really made me sick.

Upchuck: We Gourmands have to watch what we eat. We can't eat anything organic at all or else it aggravates our stomachs big time.

Me: Oh man.

Nico: I can see why.

Manaphy put soap in her mouth.

SQUISH SQUISH SQUISH SQUISH!

SCRUBBING!

Manaphy: THAT'S WHAT YOU GET FOR LICKING ME AND MAMA!

May picked up Manaphy.

May: Manaphy calm down.

Yumi spit up the bubbles.

Me: YUCK! Manaphy don't do that. She's having a nasty case of indigestion.

Eli: It's better than having explosive diarrhea.

Manaphy: Would you rather have me beat her up?

May: Manaphy calm down. I'm okay.

Manaphy: Okay sorry.

Me: Manaphy you need to get some serious therapy. But Yumi you'll be okay.

Vierra Voltic: It would've been funny if she vomited all over Jessie. It would go perfect with her puke for brains looks.

BURN! BOOM! ROASTED!

James laughed hysterically and so did Meowth!

James: (LAUGHS HYSTERICALLY) SHE SURE GOT YOU GOOD!

Meowth: YEAH! (LAUGHS HYSTERICALLY!)

Rarity: Lets get you some new clothes darling.

Me: Yumi the Fashion Brigade will get you new clothes and Varie will give you some medicine.

Yumi Upchuck: Thank you.

She got up and was given new green clothes and a green sword.

Yumi Upchuck: I look amazing.

Me: You sure do.

Jessie: (to James and Meowth) Seriously, you two?

James: (LAUGHS) Sorry it was funny!

Meowth: (LAUGHS) YEAH!

Nico: Come on, at least it's better than being blasted off into the Stratosphere or having your face slashed into ribbons.

Meowth: Do you hear me complaining?

Me: Okay guys we got a job to do.

Lincoln: (Sensed for Rassimov) AHA! Gotcha! I just sensed Rassimov, he's 2,000 yards away, and he's coming after us!

Me: I had a feeling he would.

Caleb Maxwell: What the Hell?! (GROWLS) Tyler, Alexander, Allie, come on! Let's tear that bitch apart!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, BITCH!

They flew after him!

Lincoln: Oh God! Come on, we better stop them before they really unleash Hell on him!

Me: That's an understatement!

Me: Hello Rassimov! I would say good to see you again but I would be lying.

Rassimov: (RUSSIAN ACCENT) DAMN YOU! How dare you get in my way again, Team Loud Phoenix Storm! Now, I will have my revenge on all of you!

Lincoln: That was all your doing, Rassimov. You've been nothing but a monster who caused The Seekers nothing but trouble, and now, this is where your life finally ends here.

Me: That's right!

Rassimov: You make me...

Me: SHUT YOUR FUCKING MOUTH!

He was shocked!

Me: I have had it with you Rassimov! We already killed thousands of your men and made sure they never came after Sophie or her family again! Now we're going to make sure you never fulfill the Betrayer's goal! Not after all the shit that Sophie and her family went through! We're going to kill you for good! Prepare to die!

Suddenly, the sun began shining even brighter than ever!

Lincoln: SHINE LIGHT DOWN UPON US!

Then, a tornado of light and solar fire appeared behind Lincoln, and when it faded, Alexander, Legendary Titan of Valor appeared, along with Wolf Knight, Jirwolf, Pellinore, Undine, Sunhawk, Raijin the Thunderbolt, and Fenris.

Lincoln: That's your last mistake, Rassimov, and now, it's time for you to pay for what you've done (WOLF ROAR)

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Rassimov and attacked him with fierce fury.

Suddenly, I was surrounded by an immense orange and yellow aura with flames and with wolves surrounding me as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: Uh oh..!

Me: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: Translation: I call upon the flames of Summer and The Heavens to bring down these terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abominations to his eternal resting place!)

I sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames rose from the ground and they formed into red wolves with glowing orange and golden yellow markings on their paws that look like flames and they ran at Rassimov and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Rassimov, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Alexander Maxwell and Tyler Maxwell charged at Rassimov, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive spear and he even shot at them with his machine guns, while Alexander Maxwell slashed at him with his massive greatsword and shot at him with his guns.

Then, Rassimov got pissed off and charged at Alexander Maxwell and Tyler Maxwell to tear them apart, but before he got close...!

Caleb Maxwell: DON'T YOU FUCKING DARE LAY YOUR DIRTY HANDS ON MY BROTHERS!

CALEB MAXWELL GOT IN FRONT OF HIS TWO BROTHERS AND PUSHED AWAY RASSIMOV, AND HE CHARGED AT HIM WITH HIS MASSIVE GREATSWORD IN HAND, AND...!

Caleb Maxwell: DIE, RASSIMOV!

SLASH! SCREAM!

CALEB MAXWELL DEALT A MASSIVE HARD SLASH TO RASSIMOV'S CHEST AND HE WAS REALLY BLEEDING OUT HARD!

BUT, THE DARKEST THING EVER WAS SEEING HIS NEON

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Rassimov and a cluster of rainbow, white and blue heavenly flames exploded out behind his back, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, RASSIMOV!

Lincoln, Nico, and I did one final powerful energy slash that hit Rassimov hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Rassimov was on his last legs and he was really really mangled.

Then, Lincoln fired spider webs from his left hand's fingertips and they wrapped around Rassimov's neck, wrists, and ankles, and brought him to us, and then, as he got near, Lincoln's gold-armored dragon claws on his finger tips vanished and he stabbed his rainbow wolf claws right into Rassimov's stomach, and he began sucking out Rassimov's energy as we saw visible red energy flow out of Rassimov and into Lincoln through his veins, and his rainbow, white, golden yellow, and blue energy aura flared up even more and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, as soon as Lincoln was done, Rassimov was left as a desiccated corpse drained of energy and life as Lincoln removed his claws and his gold-armored dragon claws reappeared on his fingertips and Rassimov's body was burned and sent to The Black Abyss.

Rassimov: You and your friends aren't very smart, Knudson. I was just a distraction!

Me: (SMIRKS) I know you were a distraction Rassimov. I know what's coming. And we're ready for him. Say hi to Simon for me.

With that, Rassimov's spirit faded away

We cheered as we holstered our weapons and powered down.

Nico: That does it for Rassimov, and we also met your Guardian Angels, Lincoln.

Lincoln: That we did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Hawaiiaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Hawaiiaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Me: Yep.

Blissey: That was fun.

Nico: Nice job Blissey.

Blissey: Thanks! That was fun and cool.

Lola: It sure was.

Poromon: Want some beer?

Blissey: Oh no thanks. I can't drink beer.

Poromon: Oh okay then.

Jessie: Besides I wouldn't let her drink beer anyway.

Vierra Voltic: Because you're as fat as a pig and you're going to be turned into ham?

BURN! BOOM! ROASTED!

JAMES AND MEOWTH LAUGHED!

James: (LAUGHS) SHE GOT YOU GOOD!

Meowth: (LAUGHS) GOOD ONE!

Jessie roared in rage!

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: We're gonna buy something later

Poliwag: It's at the antique store.

Me: Cool. Looking forward to it.

Xenia: Yep.

Nico: Oh Ripjaws, what do you like to do in your free time?

Ripjaws: I'm a marine conservationist. I protect the oceans from poachers.

Me: Good job there.

Qin: Cool.

Ripjaws: It sure is.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Sophie Casterwill.

Sophie Casterwill: (British Accent) Another Me, it sounds like someone whom I'd known from long ago.

Lincoln: We'll have to see who it is.

Me: So Ripjaws, Andrina, Aquata, Arista, Attina, Adella and Alana are up and we're facing Another Number 47: Nightmare Shark, Galeos, Sea Snake Monger, Mermabot, Aquawind, Drain Damage and Louise

Nico: Yep.

Qin: This will be awesome.

Nico: There they are!

We saw Another Galeos, Sea Snake Monger, Mermabot, Aquawind, Drain Damage and Louise.

Me: Evil HERO Adusted Gold's gene-slammer. Cool!

Gretchen Gold: Yep and someone who loves to fuck around with Crackhouse Goofy and make that stupid fucking cow suffer.

Me: Nice! No wonder Disney fired him, he's such a fucking loser.

Sally Stomach: Cool!

Me: By the way are the rest of the Anothers friendly or hostile?

Gretchen Gold: Friendly and awesome.

Me: Nice.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

Me: YEAH!

Nico: And now, we wait.

Me: Yep. (LOUD FART) Oops sorry.

Nico: What did you eat this time?

Me: Crackhouse Goofy's leftover pizza.

Gretchen Gold: Nice.

Joker, Ryuji Sakamoto A.K.A. Skull, Ann Takamaki A.K.A. Panther, Morgana A.K.A. Mona, Yusuke Kitagawa A.K.A. Fox, Makoto Niijima A.K.A. Queen, Haru Okumura A.K.A. Noir, Sophia A.K.A. Sophie, and Zenkichi Hasegawa A.K.A. Wolf, plus, we'll be meeting a new member of The Phantom Thieves, his name is Adrian Matthews, another ally of Lincoln's who possesses the same powers as Caleb Maxwell, but he was also born with immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness times infinity, The Dark Arts, Dark Magic, Black Magic, and Satanic Magic, but here's something wild and crazy, he also has the same power as Ren Amamiya A.K.A. Joker: the power to seal the forms and powers of Shadows into masks. But, he also has a tragic past, he was born in Manhattan, New York, and had a good life, but when he turned eighteen, his parents, Michael Matthews, a well-respected NYPD detective and Lauren Matthews, a distinguished New York socialite, were murdered in cold blood, and the bad news: it was at the hands of a corrupt politician named Roderick Adams who was guilty of the massacre of a prominent New York family twenty years ago. He fell into a very dark depression and he moved to Japan to get away from the city of New York and his dark past.

But, it was right there he met The Phantom Thieves of Hearts: Ren

Amamiya A.K.A. Joker, Ryuji Sakamoto A.K.A. Skull, Ann Takamaki A.K.A. Panther, Morgana A.K.A. Mona, Yusuke Kitagawa A.K.A. Fox, Makoto Niijima A.K.A. Queen, Haru Okumura A.K.A. Noir, Sophia A.K.A. Sophie, and Zenkichi Hasegawa A.K.A. Wolf, and he also saw what they were doing: "stealing" the corrupt hearts of adults in positions of power to make them confess their crimes to the public in order to reform society. But, then, he saw Roderick Adams once again, this time, he was planning to expand his power to Japan by forming an alliance with Masayoshi Shido, the main antagonist of Persona 5. When he confronted Roderick Adams, he let it all out: his anger and hate towards Roderick for using corruption to stay in power, using his own power and money to hire violent thugs to silence anyone who got in his way and bribing officials to look the other way, and he also let out the anger and fury he had towards him for murdering his parents because they got close to the truth. When that happened, his Shadow, his Other Self, knew he was ready, and as a result, Adrian proceeded to forge his contract, and he awakened his Persona, and he swore to bring Roderick Adams to justice and make him pay for what he's done.

And the villain we're going after is Demiurge from Persona 5: Strikers, the form of Yaldabaoth, the demon and main antagonist from Persona 5, and we're gonna destroy that demon and send him to The Black Abyss! Time to show this false god what happens when he crosses paths with The Phantom Thieves of Hearts and Team Loud Phoenix Storm by stealing the Desires of humans for his own benefit!

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in Shibuya, Japan, and I know what we're going to do here, not only am I going to rescue the twenty-seven girls here, but we're going to reunite with our old friends, The Phantom Thieves of Hearts: Ren Amamiya A.K.A. Joker, Ryuji Sakamoto A.K.A. Skull, Ann Takamaki A.K.A. Panther, Morgana A.K.A. Mona, Yusuke Kitagawa A.K.A. Fox, Makoto Niijima A.K.A. Queen, Haru Okumura A.K.A. Noir, Sophia A.K.A. Sophie, and Zenkichi Hasegawa A.K.A. Wolf.

Nico: It's been a few years since we saw them, looks like they need our help.

Me: If I had to guess trouble's brewing.

?: Yes, you are correct.

Suddenly, we saw them The Phantom Thieves of Hearts: Ren Amamiya A.K.A. Joker, Ryuji Sakamoto A.K.A. Skull, Ann Takamaki A.K.A. Panther, Morgana A.K.A. Mona, Yusuke Kitagawa A.K.A. Fox, Makoto Niijima A.K.A. Queen, Haru Okumura A.K.A. Noir, Sophia A.K.A. Sophie, and Zenkichi Hasegawa A.K.A. Wolf, but we also saw some individuals with them: Alice Hiiragi, Ango Natsume, Mariko Hyodo, Akira Konoe, Akane Hasegawa, and Kuon Ichinose.

Nicole: Nice seeing you again, Phantom Thieves. And who are they? Friends of yours?

Kuon Ichinose: You could say that. I was once against them, but I had a genuine change of heart after seeing what I did in trying to use EMMA's way was wrong.

Alice Hiiragi: And we're among those who'd had our hearts changed by The Phantom Thieves when they helped us see that what we'd been doing was wrong.

Lincoln: Sounds like something really bad is happening, and you mentioned about EMMA? Can we discuss this somewhere private?

Morgana A.K.A. Mona: Sure, follow us.

We followed them to Cafe LeBlanc in Yongen-Jaya, and sat at a table. Then, The Phantom Thieves told us about EMMA, and it's not good.

Nicole: As I thought, this is serious.

Kuon Ichinose: We thought it was all over, but someone decided to use EMMA yet again for evil.

Zenkichi Hasegawa A.K.A. Wolf: PubSec has intel of serious cases of Change of Hearts all over Japan yet again.

Makoto Niijima A.K.A. Queen: Not only that, but it's linked to the tragic past of a new member of ours, and he's linked to you, Lincoln, and your Guardian Angels.

They gasped.

Anna Anyanova: This has to be another ally of ours.

Then, we saw the vampire cross marks glowing on Caleb Maxwell and Trevor Andrews.

Trevor Andrews: And this person's also like me and Caleb is one of the few chosen humans destined to be permanently welcomed into the world of the vampires.

Then, the door opened.

?: Looks like I got here just in time since you guys are here.

But, then, we saw the mark on his right arm: it's a black vampiric cross, the same as Caleb's mark and on his friends, and he has a mask, but his is a black and red version of Joker's mask with a vampiric theme.

Morgana A.K.A. Mona: Ah, and he's here at last.

Nicholette Torrington: Adrian Matthews, I knew it had to be you.

Me: You know him, and that means, Lincoln also knows him too.

Lincoln: That's right.

Amihan Frostine: Yes, that's also true as well, this is Adrian Matthews, another ally of Lincoln's who possesses the same powers as Caleb Maxwell, but he was also born with immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness times infinity, The Dark Arts, Dark Magic, Black Magic, and Satanic Magic, but here's something wild and crazy, he also has the same power as Ren Amamiya A.K.A. Joker: the power to seal the forms and powers of Shadows into masks.

Futaba Sakura A.K.A. Oracle: It may sound crazy, but it's true.

Lincoln: We believe you, I saw Ren's power for myself.

Nicholette Torrington: Yep. But, Adrian Matthews also has a tragic past, he was born in Manhattan, New York, the one where Caleb Maxwell lived in, and he had a good life, but when he was eighteen, his parents, Michael Matthews, a well-respected NYPD detective and Lauren Matthews, a distinguished New York socialite, were murdered in cold blood, and the bad news: it was at the hands of a corrupt politician named Roderick Adams who was guilty of the massacre of a prominent New York family twenty years ago. He fell into a very dark depression and he moved to Japan to get away from the city of New York and his dark past.

Me: Oh man.

Nicholette Torrington: But, it was right there he met The Phantom Thieves of Hearts: Ren Amamiya A.K.A. Joker, Ryuji Sakamoto A.K.A. Skull, Ann Takamaki A.K.A. Panther, Morgana A.K.A. Mona, Yusuke Kitagawa A.K.A. Fox, Makoto Niijima A.K.A. Queen, Haru Okumura A.K.A. Noir, Sophia A.K.A. Sophie, and Zenkichi Hasegawa A.K.A. Wolf, and he also saw what they were doing: "stealing" the corrupt hearts of adults in positions of power to make them confess their crimes to the public in order to reform society. But, then, he saw Roderick Adams once again, this time, he was planning to expand his power to Japan by forming an alliance with Masayoshi Shido, the arrogant politician and main antagonist of Persona 5.

Nicole: Oh boy, I can guess he got pissed off.

Ryuji Sakamoto A.K.A. Skull: That doesn't even come close to it, he unleashed Hell on him when he got pissed off. When we all confronted Roderick Adams, Adrian Matthews let it all out: his anger and hate towards Roderick Adams for using corruption to stay in power, using his own power and money to hire violent thugs to silence anyone who got in his way and bribing officials to look the other way, and he also let out the anger and fury he had towards him for murdering his parents because they got close to the truth.

Morgana A.K.A. Mona: When that happened, his Shadow, his Other Self, knew he was ready, and as a result, Adrian proceeded to forge his contract, and he awakened his Persona, and he swore to bring Roderick Adams to justice and make him pay for what he's done.

Adrian Matthews: That's right. (Grabs Mask) Come, Lupin!

Adrian Matthews ripped his mask off, and we saw his Persona appear, it was a black and red version of Joker's Persona, Arsène, but Adrian's Persona has vampiric themes as well as a Gentleman Thief theme.

Eli: What the Hell?

Nicole: Awesome, and he has other Personas like you, Joker.

Ren Amamiya A.K.A. Joker: Correct.

Adrian's mask appeared back on his face as Lupin vanished.

Adrian Matthews: Anyways, now that you're here, we can get down to business. I did some sleuthing around and found out the person behind the return of our old enemy, Demiurge, is none other than Roderick Adams. He'd gotten a hold of the app, EMMA, and he was able to bring her back, but he had not counted on the fact I used Futaba's surprise and my own power to bring Sophia to life with all her powers and her Persona, Pandora.

Ripjaws: Where is Roderick Adams now?

Adrian Matthews: He's fled back to New York, but Demiurge is still active, and it's captured the Desires of the people of Tokyo.

?: Then, it's up to us to stop this evil God.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Dewloren, Tiger King of the Ice Barrier of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Dewloren, Tiger King of the Ice Barrier of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Dewloren, Tiger King of the Ice Barrier of the Ice Barrier, and she has an ice greatsword and with her are the twenty-seven girls.

Lincoln: (GASPS) Bianca Frostine, Avatar and Gene-Slammer of Dewloren, Tiger King of the Ice Barrier.

Bianca Frostine: That's right, and I got the girls away from Jyun Owada's hired men, it seems like he's tried to kill them thinking they're with The Phantom Thieves of Hearts.

Ryuji Sakamoto A.K.A. Skull: That dick...!

Nicole: Ryuji, watch that mouth of yours.

He got hit in the head with a rolled-up newspaper by Nicole.

Ann Takamaki A.K.A. Panther: Nice.

Well, how do we proceed?

Ren Amamiya A.K.A. Joker: It's time we got Demiurge's attention.

Yusuke Kitagawa A.K.A. Fox: The Calling Card, the only question is how do we send it out?

Futaba Sakura A.K.A. Oracle: Leave it to me and Ichinose.

We got to Tokyo where people were entering the building. Then...!

Suddenly, a red and black background appears on the screens of peoples' phones along with the symbol of The Phantom Thieves of Hearts with the slogan underneath "Take Your Heart" and flames surrounding the symbol as well.

PERSONA 5 OST: LIFE WILL CHANGE PLAYS

Ryuji Sakamoto A.K.A. Skull and Me: Good morning, people of Japan.

Makoto Niijima A.K.A. Queen: It's been a while, hasn't it?

Yusuke Kitagawa A.K.A. Fox: Perhaps, you remember us all too well.

Haru Okumura A.K.A. Noir: We are The Phantom Thieves of Hearts!

Ann Takamaki: And we're back with a new target in sight. Our target this time... is you!

Lincoln: You've all been made sheep. A mechanical god has usurped what self you had... and you let it happen.

Zenkichi Hasegawa A.K.A. Wolf: All of you have paths only you can take... but you make your own choices to get there!

Morgana A.K.A. Mona: That's why we're here. We're going to snap you out of this!

Nico: You don't owe this dumb god your Desires!

Ren Amamiya A.K.A. Joker and Adrian Matthews A.K.A. Ace: The Phantom Thieves are taking them back!

Suddenly, our Calling Card worked, and The Ark of The Covenant was suddenly opened, and the glowing intensified: it was The Desires.

Adrian Matthews A.K.A. Ace: It worked, The Ark of The Covenant has been exposed along with The Desires it's stolen. Now, we can get in and end False God Demiurge forever and take back all the Desires.

Lincoln: Alright, let's do it. Time to show this false god what happens when he crosses paths with The Phantom Thieves of Hearts and Team Loud Phoenix Storm! Let's take back those Desires!

We headed out, and there, we saw False God Demiurge appear after it grabbed the Desires and dragged them into The Ark of The Covenant.

Let's get him!

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after False God Demiurge, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to False God Demiurge, and he screamed in agonizing pain.

Lincoln continued smashing False God Demiurge hard with his extremely massive godly superhuman strength, and he's no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them and he even attacked them using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

Qin: That bastard doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Aurelius Frostine and he got beaten up real good and he was mangled!

Then, Andre Lupescu shot at False God Demiurge, then Andre Lupescu slashed at him with his massive greatsword, same with Abaddon Aeternus doing the same thing to False God Demiurge.

Then, they landed in front of False God Demiurge, and...!

They finished as they did their Finishing Touch poses from Persona 5: Strikers and False God Demiurge exploded in a massive shower of lights with the tagline "TAKE YOUR HEART!"

And we saw it: the Desires of all those the False God had stolen were finally returned and False God Demiurge was sent to The Black Abyss while Yaldabaoth, God of Control was sent to The M.O.E. We cheered as we holstered our weapons and powered down and The Phantom Thieves of Hearts were permanently welcomed into Team Loud Phoenix Storm.

Ryuji Sakamoto A.K.A. Skull: Alright, we stole all the Desires back!

Makoto Niijima A.K.A. Queen: It's finally over.

Futaba Sakura A.K.A. Oracle: And we're now permanent members of Team Loud Phoenix Storm.

Bianca Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Bianca Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Bianca Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Bianca Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Bianca Frostine's waist and hugged her, and Blanche Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Bianca Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Bianca Frostine, Avatar and Gene-Slammer of Dewloren, Tiger King of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dewloren, Tiger King of The Ice Barrier. She's The Ice Tiger Master of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Bianca Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dewloren, Tiger King of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dewloren, Tiger King of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Bianca Frostine knew Captain Whitten in his world before it merged with our world because he was an old friend of hers, and she knew of the case he was on in 1983: the case of The Syndicate's rampage, and it was thanks to the ledger that Caleb Maxwell found in his family's house, but she knew there were many other ledgers in their HQ, the penthouse in Upper Manhattan, but she couldn't get to them not with Drake Maxwell on the loose, and the other was the case in 1985: The Hallowshade Bloodbath on Halloween and the murder of Caleb Maxwell, this went on for eight years, and on the night of 1993, she and Captain Whitten were on patrol especially at the cemetery, that was when Lincoln's Dark Side Eternal Purification wave passed over New York and they saw Caleb returning from the dead restored to life after his ghost was hit by the rainbow energy wave.

Me: Amihan explained everything about your story, and you did a lot of work with the NYPD.

Captain Whitten: Especially with trying to bust The Syndicate, but the four senior members used their money to sweep it under the rug, and with Caleb, after what he did to Drake on October 25th, 1985, that along with his withdraw from the academy sealed his fate, and the closing of his heart also led to him lashing out with so much hatred and anger, it's like he finally gave into madness.

Amihan Frostine: By that, he meant the darkness of all the trauma of the abuse he suffered from 1979 all the way to his murder in 1985, and Caleb's ghost began killing any thug he saw that was near The Hallowshade Bar which went on until 1993 when he was resurrected.

Bianca Frostine: When I saw Caleb rising from his grave, I also felt the darkness he still carried with him! Even as we approached carefully, I felt it: the wails of the dead in the air, the smell of blood on his clothes, and the sorrow, depression, devastation, anger, and hatred from all the abuse he went through. That alone would've made me sick.

Carla Claw: Given what you just said, what my Dad's soldiers had seen that day proved it to him and to us.

Claw Dane Drake: The smell of his own blood on his clothes from that night was still there and the air that he always carried with him, it was much heavier than when he was alive.

Lincoln: If someone carried a heavy presence with him in life, it's bound to get stronger after death, that's when Caleb's vengeful spirit began killing random thugs for the last eight years in your world, but when my Dark Side Eternal Purification technique hit the ghost, it carried him back to the grave and resurrected him.

Bianca Frostine: Thus restoring him to life.

Lincoln: And lessened the heavy presence around him, and now that you're here, Bianca.

Lincoln with his massive muscular arms still wrapped around Blanche Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Bianca Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Bianca Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Bianca Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Bianca Frostine.

Bianca Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Bianca Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Bianca Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Bianca Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Bianca Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the twenty-seven girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the twenty-seven girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twenty-seven girls are Arthur, Leonidas, Master Lia, Siegfried, Furfur, Hanzou Hattori, Toshizo Hijikata, Cleopatra, Lancelot, Master Lulua, Nero, Yama, Beethoven, False Dmitry, Napoleon, Richelieu, Solomon, Cu Chulainn, Katia, Hokusai Katsushika, Yukimura Sanada, Scathach, Lu Bu, Claudette, Marie Antoinette, Nightingale, and Yamato Takeru from Legend Clover.

Nicole: Uh oh, Red and Travis were right telling the guys to run. These girls are also expert fighters and warriors.

Lincoln: And if anyone tried to hurt them, it's gonna end badly. Are you girls okay?

Leonidas: Yes, we're okay thanks to you.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Cleopatra: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty-seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arthur, Leonidas, Master Lia, Siegfried, Furfur, Hanzou Hattori, Toshizo Hijikata, Cleopatra, Lancelot, Master Lulua, Nero, Yama, Beethoven, False Dmitry, Napoleon, Richelieu, Solomon, Cu Chulainn, Katia, Hokusai Katsushika, Yukimura Sanada, Scathach, Lu Bu, Claudette, Marie Antoinette, Nightingale, and Yamato Takeru with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, out of all the battles we had, this was one cool and wild adventure!

May: Along with reuniting with The Phantom Thieves of Hearts.

Lincoln: That's true, and we got rid of that False God Demiurge forever.

?: And you guys took back the Desires that false god had stolen, that was really epic.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long brown hair with yellow streaks, yellow eyes, green angel wings, she has a nature greatsword in her right hand, and she has on a lead-colored two-piece bikini.

Lincoln: (GASPS) Laura Leadaira, Queen of The Leadairans of Planet Leadaira.

Nico: No way, the only Leadairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Laura Leadaira, Queen of The Leadairans of Planet Leadaira, she's Lincoln's Guardian Angel from the planet Leadaira, a planet of endless lead and earth and inhabited by powerful warrior angels known as The Leadairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of lead and earth, she's The Queen of The Leadairans of Planet Leadaira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of lead and earth times infinity, and the ability to grow even stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of lead and earth times infinity, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Leadairans would send a message to him in a dream inviting him to Leadaira where he would also meet The Leadairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Leadairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of lead and earth times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Leadaira and its core into his body and Leadaira's Sun into his body to preserve their legacy. Laura Leadaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of lead and earth times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of lead and earth times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and all the powers of The Leadairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Leadairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of lead and earth times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Leadaira and its core and Leadaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to end their lives by crushing them flat with heavy boulders and huge lead boulders.

Me: That's incredible.

Laura Leadaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Leadairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and absorbed Leadaira and its core and its massive Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Laura Leadaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Laura Leadaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Laura Leadaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four

large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Leadaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded

colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Laura Leadaira: That's my special gift to him: Leadaira's Blessing of Divine Lead Earth Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Laura Leadaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Leadairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us along with The Phantom Thieves of Hearts killed False God Demiurge and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Bianca Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Bianca Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000, reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000, reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Bianca, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Bianca Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Bianca Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Morgana A.K.A. Mona: Now, we got something to show you guys, this is when Adrian Matthews not only transformed like you guys, but he also awakened to his Persona, Lupin, when we ran into that slimeball, Roderick Adams.

Futaba Sakura A.K.A. Oracle: Fair warning, this video contains graphic threats and scenes of violence because he'd slain that lowlife's hired thugs with unimaginable fury, as Ryuji put it.

Futaba Sakura put the video up as it played on the big screen, and we saw The Phantom Thieves of Hearts: Ren Amamiya A.K.A. Joker, Ryuji Sakamoto A.K.A. Skull, Ann Takamaki A.K.A. Panther, Morgana A.K.A. Mona, Yusuke Kitagawa A.K.A. Fox, Makoto Niijima A.K.A. Queen, Haru Okumura A.K.A. Noir, Sophia A.K.A. Sophie, and Zenkichi Hasegawa A.K.A. Wolf along with Adrian Matthews, and they also saw Roderick Adams, he was a male white-furred cat with brown hair, he was in his thirties, he has cold blue eyes and brown tail, and was dressed in a business suit. But, when Adrian saw the nasty look on his face, his anger from the incident when he was sixteen took over.

Past Morgana A.K.A. Mona: What the? Who's that?!

Past Adrian Matthews: Roderick Adams...! (GROWLS)

Past Yusuke Kitagawa A.K.A. Fox: I suspect you know him?

Past Adrian Matthews: I wish I didn't. Roderick Adams is a corrupt politician from my old home in New York, and someone whom my father, Michael Matthews, a well-respected NYPD detective, was investigating. Twenty years ago, a prominent family from New York was murdered in cold blood, my father believed Roderick Adams was the culprit. But, the police detectives at that time didn't bring up charges on him, but my father found out the truth: Roderick Adams bribed the officials there to not bring up an investigation into him.

Past Makoto Niijima A.K.A. Queen: So, he paid them off using money and power to sweep the affair under the rug.

Past Zenkichi Hasegawa A.K.A. Wolf: Just like with Owada.

Past Adrian Matthews: And it got worse, it was because of his contacts within the NYPD precinct in The East Bronx, that my father was targeted along with my mother. Then, when I was sixteen and I was coming home, I came home to see my father, Michael Matthews, a well-respected NYPD detective and my mother, Lauren Matthews, a distinguished New York socialite, were murdered in cold blood. (To Roderick Adams) Answer me! Why did you do this? Why did you murder my parents?!

Past Roderick Adams: (Growls) Your father got in my way, it was because of him that my position was put in a dangerous spot! He found out about the fact that I murdered that family twenty years ago! I did it to maintain my power and position, your stupid father was about to ruin everything for me! And I should've also killed you too, that stupid bitch also wasn't enough, you were also going to ruin me as well! NOW, I WILL KILL YOU AT LONG LAST! NO ONE

DARES TO DEFY ME AND LIVES! (INHUMAN SCREECH) NOBODY!

Then, Roderick Adams' thugs came out and had guns out. But, a dark calm fell on Adrian Matthews: he found out the truth.

Past Adrian Matthews: So, this is why you murdered my parents...all those years ago. You were only concerned about yourself to the very end, it was your callous murder of my parents that I fell into a very dark depression and I moved to Japan to get away from the city of New York and my dark past. But, then, you showed up again and I find out you were planning to expand your power to Japan by forming an alliance with Masayoshi Shido, that arrogant politician! How selfish can you get!

But, then, we saw it: the dark pissed off anger in his eyes, and suddenly, something within Adrian Matthews' mind snapped as the memory of his parents' murder echoed and rushed in his head along with the atrocious actions of Roderick Adams when he lived in New York, and he was then surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, demons, phoenixes, and angels.

PERSONA 5 OST: AWAKENING PLAYS

Past Adrian Matthews: You used every means of corruption to stay in power and maintain it by any means necessary. You used your money and power to sweep your crimes under the rug by bribing officials to look the other way, and you also hired violent thugs to silence anyone who got in your way and were also getting close to finding out the truth!

Suddenly, Adrian Matthews was starting to get even more pissed off as the black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, demons, phoenixes, and angels surrounding him got even more intense and furious, and The Phantom Thieves were suddenly in their outfits permanently.

Past Haru Okumura A.K.A. Noir: What the? We're in our Phantom Thief outfits, but we're not in The Metaverse!

Past Morgana A.K.A. Mona: Oh no, he's going to transform!

Past Adrian Matthews: (Suddenly Getting More Pissed Off) It's because of you that a prominent family was murdered twenty years ago! It's because of you that my parents are dead and my life was sent into the bowels of Hell, I hate you more than life itself, Roderick Adams! I despise you for every last thing that you have done! I know I believe in justice, but if there's one thing I cannot stand, IT'S ASSHOLES LIKE YOU WHO THINK THAT WITH MONEY AND POWER, YOU CAN DO WHATEVER YOU WANT AND NOT CARE ABOUT THE CONSEQUENCES! THAT IS UNFORGIVEABLE, AND FOR THAT, I WILL MAKE SURE YOUR EMPIRE IS REDUCED TO ASHES AND I WILL TAKE YOUR LIFE FOR EVERY LAST VICTIM WHO SUFFERED AT YOUR HANDS!

Past Ryuji Sakamoto A.K.A. Skull: WHAT THE HELL!? DID WE JUST...!?

Past Makoto Niijima A.K.A. Queen: I heard it loud and clear. I've never seen anyone carry that much pain and anger in his heart.

?: (Mysterious Voice) Ah, so you have made your choice loud and clear, you have decided.

Suddenly, Adrian Matthews' crimson red eyes turned yellow as he clenched his head in agonizing pain.

?: (Mysterious Voice) Finally, you have decided to stop running from your past and embraced the darkness that has haunted you, and now, you decided to take a stand against those like the worm who stands against you. At long last, this is what I've been waiting for. Let us proceed with forging our contract. I am Thou, Thou art I...thou art willing to walk down a road to Hell and perform and commit sacrilegious acts against the damned for thine own justice! Call my name and let your anger be known to the world!

Adrian Matthews let go of his head, and then...!

Past Adrian Matthews: Very well, seal the contract! (A black and red version of Joker's mask with vampiric theme appeared on his face)

Then, he grabbed the mask, and he tore it off his face leaving blood, and finally!

Past Adrian Matthews: COME, LUPIN!

ADRIAN MATTHEWS SCREAMED OUT INTO THE HEAVENS AS A MASSIVE TORNADO OF BLUE FIRE APPEARED BEHIND HIM!

Suddenly, Adrian Matthews was surrounded by a massive vortex of black and crimson red, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are demons, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Roderick Adams: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and heavenly lights were shining down on the vortex.

Then, as the vortex faded, Adrian Matthews emerged, but not only was he changed forever, but Roderick Adams had awakened a truly dark force of justice: one he can never escape from.

Then, from the vortex of blue fire appeared a black and red vampiric version of Joker's Persona, Arsene: this was Lupin.

Past Ryuji Sakamoto A.K.A. Skull: What the Hell?! Is that...A Persona!?

Past Ann Takamaki A.K.A. Panther: This is the first time this happened out here in the real world.

Past Sophia A.K.A. Sophie: Yes, this is true, and he also transformed just like...!

Past Ren Amamiya A.K.A. Joker: Our friends from Team Loud Phoenix Storm.

Roderick Adams was horrified, but that changed to pure rage.

Roderick Adams: YOU IDIOTS! GET IN THERE AND KILL THEM!

The thugs let out bellows and charged, but Adrian's Persona, Lupin, charged at them, and he fired blasts of dark energy and Curses and they were hit hard and died horribly. This horrified the corrupt politician.

Even though The Phantom Thieves would want to change your heart, I see that your heart can never be changed and you'll never repent for your crimes. There's only fate awaiting someone like you. I shall destroy your empire once and for all together with your life!

Roderick Adams: Bitch! You haven't seen the last of me!

Roderick Adams escaped and ran for his private jet, and he escaped back to New York.

Past Ryuji Sakamoto A.K.A. Skull: Yeah, that's right! You better run!

Past Adrian Matthews: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Divine Darkness Bloody Darkness Dark Hellfire Fire Storm Fury Tragic Blood Darkness Death Harbinger Bloody Nightmare Phantom Thief True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Cosmic Star Divine Darkness Bloody Darkness Dark Hellfire Fire Storm Fury Tragic Blood Darkness Death Harbinger Bloody Nightmare Phantom Thief True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and

Then, Lupin vanished and a black and red version of Joker's mask appeared on Adrian Matthews' face, but it also had vampiric themes as well. Then, Adrian Matthews powered down, and his new body, clothes, weapons, jewelry, Third Eye, four large gold Amaterasu's Heavenly Mirror of Four Holy Beasts mirrors with black metal crescent moon-shaped frames around them with embedded crimson red gems behind the four large orbiting black metal rings, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and crimson red planets orbiting around his legs and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and crimson red planets orbiting around his waist, and enormous dark brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large dark brown angel wings underneath his enormous dark brown angel wings are permanent.

Past Adrian Matthews: If what we heard is true, then Shido has even more to answer for.

Past Morgana A.K.A. Mona: That's good. But, your transformation and you going berserk caused us to permanently be in real world versions of our Phantom Thief forms, Adrian. We need to find out how this happened.

Past Ann Takamaki A.K.A. Panther: I do like the upgraded clothes, but this means our secret's going to be blown wide open.

Past Adrian Matthews: I guess I should come clean about my true identity.

Adrian Matthews told them about his true identity: he's an ally of Lincoln Loud and his Guardian Angels and of the Guardian Angels' eternal loyalty and love to Lincoln and as an ally, he helps them with everything, and that he possesses the same powers as Caleb Maxwell from his world's New York, but he was also born with massive angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness times infinity, The Dark Arts, Dark Magic, Black Magic, and Satanic Magic, and he also has the same power as Ren Amamiya A.K.A. Joker: the power to seal the forms and powers of Shadows into Masks which of course floored them.

Then, he told them of his family and how he and his family were among a few chosen humans to be members of a world of vampires because of them saving the elders, and he then showed them his vampire cross mark on his right arm.

Past Ryuji Sakamoto A.K.A. Skull: Okay..., now I'm...really floored!

Past Makoto Niijima A.K.A. Queen: But, we got this out in the open. Still, that explains it, and your transformation also led to this happening to us.

Past Ann Takamaki A.K.A. Panther: After what we saw, you more than proved yourself to become a new member of The Phantom Thieves, Adrian. Plus, we'll also help you with mastering your powers with a Persona, but Joker's going to help you with your multiple Personas since you have the same power as him.

They welcomed Adrian Matthews as a member of The Phantom Thieves of Hearts as the video ends.

Me: WHOA! So, that's how you...!

Nico: Damn, talk about crazy and awesome at the same time. But, I can also guess you did the blood exchange in the same way Caleb Maxwell and his family and Trevor Andrews and his family did, right?

Adrian Matthews: Correct, and it was from when I met James Blunt, Cage's dad and where I saw Caleb Maxwell once again.

Caleb Maxwell: Now, I remember you, you were from Abraham High School in Brooklyn, New York, and the incident with your parents, I wasn't after Roderick at that time, but your dad was, and the rumors were Roderick Adams hired Drake Maxwell to kill your parents. The Brooklyn PD found the bullet casings from Drake's gun, and they pointed it to him, but the NYPD Nightshift found out that Roderick was behind the hit. When we get after The Betrayer, if he's there, there's no doubt you're taking revenge on Roderick Adams.

Adrian Matthews: Damn straight.

Lincoln: Looks like we both got hated archenemies to deal with: for Sophie Casterwill, it's The Betrayer and the remnants of The Blood Spiral, and for you, Adrian, it's Roderick Adams. Both of them are finished.

We got a shower, and then, Rana, Viola, and Betty Barrett are heading to Lake Lamode, and they were in their swimsuits.

Rana: Wow, we're here in Lake Lamode.

Viola: You said it, but if we run into a dangerous enemy, Dad's coming to get rid of him.

Betty: And get us out of here.

Rana, Viola, and Betty began swimming in Lake Lamode's waters, and they met the inhabitants and they went inside one of the domes and had some lunch. But, then, they spotted someone heading for them: it was Lord Miraak, the First Dragonborn, from The Elder Scrolls, and he's coming after them.

Suddenly, Lincoln appeared and knocked him down with a punch to the face. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Lord Miraak and he began absorbing him and he assimilated Lord Miraak's Immortality, Magical Staff, and Magical Sword, Becoming Ethereal, Bend Will, Cyclone, Dragon Aspect, Fire Breath, Frost Breath, Unrelenting Force, and Whirlwind Sprint, Genius-level Intellect, Dimensional Travel, Dragon Soul Absorption, Mind Control, Swordsmanship, Healing Spells, Lightning Spells, and Ward Generation, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Lord Miraak and Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of Lord Miraak's energy and he was sent to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings.

Then, Lincoln went up to Rana, Viola, and Betty.

Lincoln: Are you kids okay?

Viola: We're okay, Dad, but...! I think our date just got ruined by Miraak.

Lincoln got them home, and after he told us what happened, we got pissed.

Nicole: Lord Miraak, I can't believe him. I can guess he was trying to get after you since you'd absorbed the Dragons, but he tried to murder Rana, Viola, and Betty, what a monster.

Nico: In any case, you got to them before that monster did.

Me: Did you see who it was that sent Miraak after the kids when you absorbed him, Lincoln?

Lincoln: I did, the person who sent him after the kids was The Betrayer and Roderick Adams.

WE GOT MEGA PISSED!

Me: Those pieces of trash!

Ryuji Sakamoto A.K.A. Skull: That's it, they're dead, both of them are dead!

Morgana A.K.A. Mona: Come on, Ryuji, Phantom Thieves are supposed to be classier than that. (Gets Mad) But, not this time!

Ryuji Sakamoto A.K.A. Skull and Morgana A.K.A. Mona: We're gonna tear those two pieces of trash apart and throw them in the woodchipper for this!

We had sweat drops come down our heads!

Nico: (Smirks) Well, so much for classy!

Lincoln: Yep. The Betrayer, The Blood Spiral remnants, and Roderick Adams have done it now!

Me: They're toast when we get after them.

I came out of Cap'n Cluck's Chicken House with a big bucket of chicken to go.

I was really hungry.

Me: Boy I can't wait to get this chicken in my stomach.

But as I was walking, Crackhouse Goofy came.

Crackhouse Goofy: HEY YOU SON OF A BITCH!

Me: Crackhouse Goofy. You upset because you didn't cry to your mommy after you got fired from Disney? What a freak.

Crackhouse Goofy: What the fuck did you just say to me?! WHAT THE FUCK DID YOU JUST SAY TO ME!? OH HELL NO! I AM GOING TO FUCKING KILL YOU!

Me: I would like to see you try jerkass! And another thing? I ate your pizza and it was tasty.

Crackhouse Goofy was INFURIATED!

Crackhouse Goofy: (ENRAGED SCREAMING) YOU SON OF A FUCKING BITCH!

HE WENT AT ME AND THEN...

KRABLANG!

NUMEROUS SMASHES!

MASSIVE NUMBERS OF ANVILS FELL ON HIM!

Then...

KRASMASH!

A HUGE BUS FELL ON HIM!

MASSIVE THUNDEROUS CRASH!

A huge number of explosives in crates crashed on him and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THEY EXPLODED!

And then...

KRASMASH!

A MASSIVE GRAND PIANO CRASHED ONTO HIM!

And then...

MASSIVELY THUNDEROUS MASSIVE CRASH!

A HUGE CRUISE SHIP SMASHED ONTO HIM!

SHIP HORN HONK!

AIRPLANE FLYING DOWN!

And then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A COMMERCIAL AIRPLANE CRASHED INTO HIM AND BURSTED INTO FLAMES IN A HUGE EXPLOSION!

He was mangled up bad from all that!

Me: GEEZ!

Crackhouse Goofy groaned in agony and pain as he was really butchered and mangled up beyond all recognition.

I left for home.

Just as I left.

SQUISH!

He got squished by a HUGE BOOT HOUSE!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our final showdown with The

Betrayer and the remnants of The Blood Spiral starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

I was eating my chicken.

Me: (Eating) Mmm!

Eli: Boy that is huge chicken.

Me: Yep.

I was thinking about the mascots.

Me: (sighs) The mascots are probably going to buy more beer

Nico: We'll see. What was all that crashing?

Me: Crackhouse Goofy coming after me.

Poromon and the mascots came back.

Poromon: We're back!

Me: Did you guys buy more beer?

Poromon: Nope! Look!

He showed us a sextant.

Camie: What's that?

Edd: Why that appears to be a sextant.

Ed and Eddy snickered and laughed!

Sophie: I forget what that is

Eddy: (LAUGHS HYSTERICALLY) The mascots bought a SEX TOY!

Me: No they didn't! It's an Oceanography and Navigation compass.

I showed how to use it.

Me: This shows the direction you are going by following the angle and light of the sun and it even shows your position on the sea.

Poromon: Yeah!

Eddy: Oh. That's interesting.

Me: Sailors and Oceanographers have been using these to navigate the seas for years.

Nico: He's right.

Skullcruncher: Will it be useful?

Nico: Yes it will. On ocean planets we don't know anything about as well as new spots we never went to on the sea.

Skullcruncher: Cool!

Lola: Awesome!

Warpath: But where should we put it?

Nico: In my room on my desk.

Qin: Good idea.

Mr. Rude: (French Accent) I'll give you a good idea. (LOUD FART!)

All of us: MR. RUDE!

Lola: (LAUGHS) Funny!

Nico: This is a good thing you guys bought

Eddy: And I thought it was a sex toy for a second.

Me: But it wasn't.

Lola: Yeah.

Poromon: We don't ever buy stuff like that.

Me: Good.

Maria: Instead, hookers treat you guys like sex toys

They shuddered.

Qin: Oh boy.

But then...

SMACK!

I GOT HUGGED IN MY FACE BY SOMETHING!

Me: (MUFFLED SCREAM)

Nico: OH MAN! Wait it's a Cacnea!

Nico pulled it off me.

RIP!

I had a bunch of needles and pins stuck in me!

Me: Ow! Wait a Cacnea? Ow.

Nico: You're a friendly little guy.

Me: It really hugged my face.

Varie pulled the pins and needles out of my face.

Me: OW!

James patted me on the back

James: I feel your pain J.D.

POINK!

Varie pulled more pins out.

Me: OW! Easy for you to say James. You've had that happen many times.

James: Too true.

POINK!

Me: OW!

Xenia: Yikes!

Nico: But this Cacnea is a cutie.

Sheena: That Cacnea is also one of Dark Gale's work. Her name is Connie Saguaro. She is a hybrid of a creature called a Maceroot.

Wildvine: Oh man! Those are part of my planet.

Shanan showed what they looked like.

Nico: WHOA! They look prickly.

Me: And scary.

Nico: But I don't think she's the main one

Ymir: I think it's this one here.

We saw a Jolteon in her hands.

Me: Hey a Jolteon.

Nico: Wow! That is a cute one.

Sheena: That is another one Dark Gale's work. Her name is Amanda Amperi and she is half of Ampfibian's kind.

Me: She's half Amperi. She must have REALLY INTENSE lightning powers!

Qin: Yeah.

But then she fired a massive blast of blue lightning and it hit Ash and electrocuted him all over with intensely powerful voltage!

ASH SCREAMED IN AGONY!

Ed: Zappity zap zap!

Pikachu: Hey! That's my thing!

Me: Look on the bright side, at least it didn't hit May.

Manaphy: YAY!

Ash was REALLY BURNED TO A CRISP!

Me: OUCH!

Ra'ad: Boy she is definitely one of us Amperi.

Ampfibian: That is for sure.

Nico: Don't jinx it, Manaphy

Manaphy: Sorry.

Me: Lets go help them.

Wildvine: Okay kid lets talk.

Ampfibian: Lets calm down kid.

Jolteon tried shocking Horsea but she put her clone in front of her

But the lightning went passed her and it hit Manaphy!

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

Manaphy screamed!

Manaphy was burned all over.

Me: Ouch!

Horsea: HA!

Poliwag: Better Manaphy then May!

Manaphy: I HEARD THAT!

Nico: GEEZ!

Cacnea then jumped and fired bullet seed and it hit me and hit me all over my head!

NUMEROUS BASHES!

When it stopped my head was really hurt and bleeding!

Me: OW!

Nico: GEEZ!

Me: Okay then!

I snapped my fingers and they reverted back.

Connie Saguaro was a girl with green hair and dark green eyes and dark green wings and she had Cacnea on her forehead and she had a cactus with a Maceroot on her arm as a cutie mark.

Amanda was a girl with aqua blue hair and blue eyes and had blue angel wings and had Jolteon on her forehead and she had a thundercloud with a lightning bolt and Ampfibian on her arm as a cutie mark.

We wrapped them in blankets and put them on the sofa.

Me: There we go

They woke up to see Horsea's smiling face and Manaphy's angry face!

Connie Saguaro: (Groans) Huh? A Horsea and a manaphy?

Amanda Amperi: Cuties.

Horsea: You went at my clone!

Manaphy: But you electrocuted me!

Me: And pelted me with Bullet Seeds and stabbed my face with cactus needles! Oh sorry. You both were turned into a Jolteon and a Cacnea by Dark Gale.

Connie Saguaro: Oh man! Sorry about that.

Amanda Amperi: And Manaphy looks really toasted. My lightning powers must've really enhanced me when I was a Jolteon.

Manaphy: YEAH IT HURT!

Nico: Be glad it didn't hit May.

Amanda Amperi: Sorry about that.

Connie Saguaro: Is Cacnea aways that clingy?

Me: Only to James. He would hug his face and it would hurt like hell.

Varie: Oh missed one.

POINK!

She pulled out a cactus needle.

Me: OW!

Nico: Ouch.

Poromon: Feel better now?

Me: Yeah.

Rarity: Lets get you both some new clothes darlings.

The fashion brigade gave them both new clothes.

Connie's were green and she had a Cactus Magisword.

Amanda's were aqua blue and she had Thunderbolt of Zeus.

Amanda Amperi: Wow we look amazing.

Me: You sure do and you're the last of the Andromeda 5 aliens.

Amanda Amperi: I'm glad everyone is here though.

Motormaster: You know Lok's your daughter's boyfriend, right?

Me: It's true.

Sophie: It's true mum.

Anna Valentine Casterwill: And I'm so happy for you both. I know you are going to be taken care of.

Sophie: I know.

Me: But it won't be a safe love until all of the Blood Spiral and The Betrayer are dead.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Betrayer, along with the remnants of The Blood Spiral, they're on the move and they still seek to destroy The Huntik Seekers and the Casterwill Family. When we saw it, we knew it meant trouble.

Me: Speak of the Devil and he will come.

Lincoln, me, and Nico: It's time. The battle to avenge The Casterwill

Family has come!

Eli: The Betrayer's on the move.

Lincoln: Along with the remnants of The Blood Spiral.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The Betrayer, along with the remnants of The Blood Spiral, they're on the move and they still seek to destroy The Huntik Seekers and the Casterwill Family.

EVERYONE GASPED!

Sophie Casterwill: (British Accent) I knew it. And where is he at?

Lincoln: He and the remnants of The Blood Spiral are in Venice, Italy, it looks like they're planning to attack there.

Lok: Not good, we need to head to Venice.

Suddenly, Lincoln had another vision: it's Roderick Adams, the bastard who killed Adrian Matthews' parents, he's finally gone mad!

Lincoln: Uh oh, Roderick Adams has finally gone mad!

Adrian Matthews: Demiurge has failed to kill us, and that combined with the people of New York wanting his blood spilled has finally driven him mad. Now, the time to slay him has come.

Nico: So, we got a huge battle coming in Venice, this is gonna be intense. Alright, team, let's get going to Venice, Italy.

Lincoln: The Betrayer and the remnants of The Blood Spiral are gonna pay for what they've done, this is where we get justice for The Casterwill Family.

The previous group came.

Goro: Can me. Tala, Rojo, Merman, Johnny 13, Pterodactyl Ghost, Ben Ravencroft, Seadramon, Machinedramon and Puppetmon go with you guys?

Nico: Yes you all can come with us.

Qin: We're going to need all the help we can get for this one.

Me: Yeah.

Blot: Boss, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Gaia next.

Me: Earth power.

Qin: Yeah!

Lola: Awesome.

Tala: By the way we saw Crackhouse Goofy mangled up outside and burned bad. Was he at it again?

Me: You have no idea.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle

and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Hermaeus Mora, The Daedric Prince of Knowledge, Fate and Memory from The Elder Scrolls, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man!

Me: Lincoln, don't tell me! That was...!

Lincoln: Hermaeus Mora, The Daedric Prince of Knowledge, Fate and Memory from The Elder Scrolls, and he's coming to destroy us.

Rachel Gutierrez: That explains Lord Miraak's appearance in Lake Lamode. Lincoln, I hope you absorb Hermaeus Mora.

Lincoln: I will, Rachel.

Nico: That'll make another evil Daedric Prince absorbed and sent to The Black Abyss. Alright, let's get going, The Betrayer and the remnants of The Blood Spiral are about to face judgement for their sins.

Adrian Matthews: Along with Roderick Adams, he's finished too.

Lincoln: And once they're gone forever, you're next, Hermaeus Mora.

Rachel Gutierrez: You made a huge mistake coming after us, Hermaeus Mora, now you're going to pay for all your crimes!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Venice, Italy to kill The Betrayer and the remnants of The Blood Spiral and send them to The Black Abyss, and once we get done with them, Rachel Gutierrez and Lincoln are going to take down Hermaeus Mora and Lincoln's going to absorb him.

We were off to Italy.

We arrived.

Me: Venice, Italy. Awesome to be here again.

Tala: Let's call Hank Scorpio.

Me: Good idea.

We did so.

Hank Scorpio: I'm ready for some action!

Me: We all are.

Nico: Stay alert everyone.

Razorclaw: Anyone got a Kronos Titan?

Qin: No.

We shook our heads.

Me: Nope.

Johnny 13: After today, the Blood Spiral will be no more

Me: Yep.

Lola: That is for sure.

Me: The Red Comet of the Betrayer will be extinguished.

Laney: That is for sure.

Amanda Amperi: No kidding there.

Sinnertwin: And then, I think Defoe is next

Me: On Dante Vale's day. No doubt he will come after me.

Ymir: Why?

Me: Because I killed all of his team and his evil friends.

Ben Ravencroft: I think he still hates Dante though

Dante Vale: Yes he does.

Me: He hates both of us.

Lily: He will die.

RD Lola: But we have to destroy the Betrayer first

Me: Yep. After all the shit that the Betrayer did to Sophie and her family and doing all that shit to Lok by impersonating Eathon, he is going to pay for his crimes.

Qin: Big time.

Lola: Yeah!

Amanda Amperi: He won't get away.

Machinedramon: And yet, there's no sign of him

Me: He'll come.

Nico: Yep.

Gatomon was pouring salt on Mevya

Mevya: GATOMON!

Gatomon chased after him.

They did all kinds of funny Tom and Jerry gags.

Kari: I'm sorry about this, Kevin.

Kevin: No worries.

They grabbed them.

Kari: Gatomon stop now.

Gatomon: Sorry.

Mevya blew a raspberry at Gatomon

Me: Funny.

But then..

WHOOSH!

MANY PLANTS AROUND US EXPLODED INTO INTENSE FLAMES!

Me: WHOA!

Qin: What happened!?

Lola: LOOK!

We saw an angel girl made of pure fire! PURE INTENSE FIRE!

Lincoln: OH MAN! That's Sophie's Akuma, Lady Chantico! The Hypothetical Akuma of Sophie Casterwill and a master of fire and infernos and blazes. She was made because of the Blood Spiral killing the entire Casterwill Family and vowed to destroy them all.

Me: WHOA! She's named after the goddess of fire in Aztec Myth!

Xenia: WHOA! That one is hot!

Disk Wars Mandarin: She sure is.

She landed in front of us and I was absorbing intense flames.

Me: Holy fireballs.

Lady Chantico: (British Accent) I am really hot though.

Me: You sure are.

Qin: Infernal.

Puppetmon: Sophie? Is that you?

Lady Chantico: Yes it's me.

ZAP!

I fired a laser blast from my blaster and it hit a Blood Spiral member and blasted his head off!

Lady Chantico: Nice shot.

Me: Thanks.

Hank Scorpio: You need to calm down!

Lady Chantico: Not until every Blood Spiral member is dead.

ZAP ZAP ZAP ZAP ZAP ZAP ZAP ZAP ZAP ZAP!

I fired 10 more blasts and killed 10 more members.

Me: They're coming at us like cockroaches.

Nico: Yep.

Me: Okay then.

I fired waves of water and drenched her and Hank fired water blasts too.

STEAM came off her big time.

Lady Chantico: My turn!

SHE FIRED A MASSIVE AND POWERFUL BLAST OF FIRE AND WE ABSORBED IT AND IT SUPERCHARGED US!

Me: WHOA!

I fired a huge blast of energy and knocked her out.

Me: YEAH!

Zhalia: (to the rest of the Huntik team) I just want to say that it's been an honor fighting alongside you guys even before joining Team Loud Phoenix Storm

Dante Vale: You always will be part of us. We won't die that easily.

Zhalia: I'm honored.

Then we sensed a HUGE ENERGY SIGNAL!

Me: UH OH! He's coming!

Nico: I sense it!

Seadramon: By the way, Hank, how were you able to fire water?

Hank Scorpio: My flamethrower has elemental capabilities. I can fire lightning, water, ice, leaves and earth and many more.

Me: Wow! Never knew about that.

Xenia: Wow!

Hank Scorpio: Yeah Dark Spicer helped me with it.

Lusamine: William's blaster functions the same way.

William: It sure does.

Hank Scorpio: That is true.

Me: Now we got to get going guys.

Nico: You heard the man. The fate of the world depends on it!

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Venice, Italy, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is The Betrayer and the remnants of The Blood Spiral, and they still seek to destroy The Huntik Seekers and the Casterwill Family.

Lincoln: That's for sure, Adrian needs to avenge his parents here and now. Now then.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Me: Uh oh! Lincoln's gone Savage again!

Nico: Uh oh...!

Lincoln: (Beastly Gruff Manlier Voice) You got that right.

Nico: I'm also joining in as well.

Ed Cowart: Same here. Watch this.

Nico: BRING JUSTICE TO EVIL, CHIMA!

Suddenly, a massive green energy tornado erupted, and what stood in its place was a giant Gorilla warrior!

Me: WHOA! Nico, you have a Legendary Titan!?

Nico: Yep. This is Chima, The Legendary Titan of Justice and The Earth and just like Alexander, The Legendary Titan of Valor and The Sun and Light, he's one of the most powerful and strongest of all The Titans. Chima's abilities include incredible superhuman strength, energy absorption, plant creation and Earth manipulation, he can strip enemies of their power, he can adapt to enemies on the fly, and he has extreme durability.

Me: Incredible!

Ed Cowart: And here's mine. MAKE EVIL FEAR THE DARK, AHMED!

A massive tornado of darkness appeared, and what stood in its place was a black Sphinx.

Ed Cowart: This is Ahmed, The Legendary Titan of Protection and The Moon and he's also The Guardian of the Underworld and The Sphinx of The Night. He's the counterpart to Alexander, The Legendary Titan of Valor and The Sun. Ahmed has the powers of darkness, the moon, and it is said that even the undead feared Ahmed. Ahmed's abilities include energy absorption, flight, powers of darkness, super sharp claws capable of slashing through anything, and he can even strip enemies of their power as well.

Lincoln: (Beastly Gruff Manlier Voice) Wait, I remembered hearing about the tales of Ahmed, The Legendary Titan of Protection and The Moon and it's true: Alexander, The Legendary Titan of Valor and The Sun and The Day is very powerful in the powers of light, The Sun, energy, life nourishment, purification, fire, and flames, and is one of the strongest and most powerful titans of the Huntik Spirits and beyond. But, he also had a counterpart who defended The Night, that was Ahmed.

Me: Whoa...!

Lincoln: (Beastly Gruff Manlier Voice) And I also forgot to mention Alexander's other abilities as well: his other abilities included incredible superhuman strength surpassing the most powerful of dragons, energy absorption, flight, powers of light, The Sun, The day, energy, life nourishment, purification, fire, and flames, super sharp claws capable of slashing through anything including very strong metals, super strong teeth that can bite through flesh, bone, and muscle, and he can also strip enemies of their power as well.

Me: Okay, now I'm floored! That means not only you, but Nico and Ed Cowart are Legendary Seekers like me?!

Ren Amamiya A.K.A. Joker: You know you're not alone in this.

Adrian Matthews: Thanks, guys. Now, let's go, The Betrayer and remnants of The Blood Spiral, your hearts have been twisted by a lust for power and destruction, you do not deserve any forgiveness at all. Tonight, we're ending your madness here and now, and as for you, Roderick Adams, your black heart will be stolen by The Phantom Thieves of Hearts and Team Loud Phoenix Storm, and your empire of corruption shall come crashing down.

Nicole: We're gonna need a Calling Card for Roderick Adams.

Adrian Matthews: Leave it to me, I can also create Calling Cards as well, once one of The Phantom Thieves writes down what to say to our target.

Futaba Sakura A.K.A. Oracle: In that case, you make it as badass as possible.

Adrian Matthews: Understood.

We headed out, and Alexander, Ahmed, and Chima fired their signature Sunfire Breath of Eternal Judgement, Darkfire Breath of Eternal Damnation, and Greenfire Blast of Earthen Fury which hit the remnants of The Blood Spiral and stripped them of their powers and sucked out their energy and banished them to The Black Abyss.

Me: That was so awesome, guys.

Then, we also spotted Roderick Adams with The Betrayer.

Adrian Mathews: Got you, you son of a bitch. The Calling Card's ready, we can't let him escape.

Lincoln put up an angelic barrier, so that they couldn't escape.

Morgana A.K.A. Mona: Alright. Ace, it's your turn.

Adrian Matthews A.K.A. Ace: On it, Mona.

Then, a flurry of Calling Cards came down from the sky, and Roderick Adams picked one up, but this one was the one Adrian Matthews personally wrote as it glowed with black and red energy.

Roderick Adams: What is this shit? (Reading) Roderick Adams, monstrous false emperor of Wrath, Envy, Lust, and Greed. Gemma Vennington: (GASP) Hayley Hershey!?

Hayley Hershey: Hello Gemma. Nice to see you again.

Qin: (DROOLS) ONE OF THE AMAZING QUEENS OF

CHOCOLATE!? I LOVE ALL HER CHOCOLATE!

Me: You know her?

Gemma: Hayley Hershey is from a family that makes chocolate and she and her family have been competing with my family and her family for years. Hayley makes chocolate treats and desserts and me and my family makes honey buns and desserts. But Hayley set out on her own to make desserts to hold up the family name. But instead of being in a rivalry with me, she and me were partners and made the most delicious treat ever: CHOCOLATE & HONEY BUNS!

Qin: AND I LOVED THOSE SO MUCH THAT I ATE AN ENTIRE STORE SHELF FULL OF THEM!

Gemma: It was an amazing success. But for reasons unknown, Hayley disappeared. She then thought that I was hogging all the glory and vowed to get revenge.

Me: WHAT!? Why!?

Nico: Yeah why would you think that?

Hayley Hershey: I was approached by this old vulture codger that said Gemma was hogging the spotlight and said the best way to get back in the spotlight is to kill Gemma.

WE GASPED!

All of us: MR. BURNS!

Hayley Hershey: Wait you mean that heartless former billionaire from Springfield that caused you all so much trouble!?

Lincoln went wild on the bastards as he punched, kicked, and slashed at them like a wild beast, and he left scars on them, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at the bastards, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT THE BASTARDS AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

Lincoln and I went at the bastards and we began brutally smashing them all over the place with our immense massive godly superhuman strength, and it was even more brutal than ever. Then, we punched them hard in the face and kicked them in the stomach and we sent them flying into a wall, they got back up and Lincoln and I fired massive elemental energy balls and beams of light at them and they really got scorched and burned.

Lincoln, Nico, and I attacked The Betrayer with two powerful and fierce swings of our massive greatswords!

Lincoln, Nico, and Me: NOW, GO TO HELL FOR ALL ETERNITY!

Lincoln, Nico, and I attacked The Betrayer with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and The Betrayer were on his last legs as Lincoln, Nico, and I landed in front of the team, and it also exposed Hermaeus Mora, The Daedric Prince of Knowledge, Fate and Memory from The Elder Scrolls, our secondary target who was then put into suspended animation until later.

Sophie Casterwill: (LAUGHING HYSTERICALLY)

Lok Lambert: That's it, Ed Cowart! Keep it up!

Ed Cowart: With pleasure, Lok.

Ed Cowart proceeds to insult The Betrayer.

Ed Cowart: Wow, a zombie even uglier than a Xenomorph, a Yajuta, and Raremon mixed together. Hell, I bet you're dull too! You're a shitty penny store bootleg Dark Magician knockoff! Hell, you suck at being a magician too! You suck as a...!

The Betrayer: ENOUGH! I REFUSE TO BE TREATED AS A JOKE! SHOCKLASH!

Ed Cowart fired Shocklash at Ed Cowart only for him to break out a reflective mirror to reflect the Shocklash right back at The Betrayer which left The Betrayer wounded.

Ed Cowart: Really, Zomdumbass McMummdouche? That was just outright rude! Just for that! MAKE EVIL FEAR THE DARK, AHMED!

Ahmed appeared, and The Betrayer shit his pants seeing Ed Cowart's own Titan for the first time in fear, but it got worse when Nico summoned his own Titan, Chima, and Lincoln summoned his Titan, Alexander, the counterpart of Ahmed.

Then, Ahmed fired his signature Darkfire Breath of Damnation which stripped The Betrayer of all his power. Then, Ahmed broke out his claws and slashed The Betrayer all over.

Ed Cowart: Nice work, Ahmed. (To The Betrayer) Now then, Betrayer, prepare your ass for defeat and one last thing?

Ed Cowart sprayed lemon juice all over The Betrayer's wound which hurt him even more. Then, Ed Cowart fired hyper hot nacho cheese and hyper hot sauce at The Betrayer and he got burned. Then, Ed Cowart spanked The Betrayer, then he dressed The Betrayer in a pink tutu.

Ed Cowart: Wow, you look good in pink!

Sophie Casterwill: (LAUGHING HYSTERICALLY)

And Ed Cowart finally finished by pulling The Betrayer's underwear over his head.

Time to pay, Betrayer!

Amanda was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Connie and Yumi.

Amanda Amperi: NO! We control the power. It doesn't control us.

The concentrated and reigned in the powers of Lickitung, Cacnea and Jolteon and they transformed and fired waves of energy, vomit and lightning and blasted Betrayer all over!

Nico: Gemma, out of the people who just helped you now, who do you feel is your sibling?

Gemma: I've gotten close to Marinette. The reason is we make amazing desserts and breads.

Marinette: Just like how I did in Paris with my parents pastry shop.

Me: Good reason

Alt. Chloe: That is cool. And I help out there too.

Chloe Bourgeois: That is awesome.

Zocks: I agree.

Horsea: (to Alt Chloe) You're free to help out in the pastry shop here. But the one in your world is a different story...

Alt. Chloe: I would like that very much.

Horsea: Awesome!

Maria: Good idea Horsea!

I fired waves of energy and blasted Betrayer!

Nico: Before we expose Alt Lila, we should try to find Alt Gabriel

Me: Lets talk about that later and work on this first!

I punched Betrayer and Sophie fired waves of lightning and fire and blasted him all over.

I fired a massive energy blast and it smashed him down.

Then Box Ghost, Trickster, Ssserpent, Onyx, Mortal Kombat Scorpion, Zavok, David Cain, Thundermon, Ice Demon and Dodgeball Wizard came.

Nico: Box Ghost, Trickster, Ssserpent, Onyx, Mortal Kombat Scorpion, Zavok, David Cain, Thundermon, Ice Demon and Dodgeball Wizard.

Betrayer: Well now you all can...

KRABLAM!

They punched him in his face and knocked him out!

Me: WHOA! NICE!

Trickster: Considering how powerful he is, I'm surprised we could even knock him out.

Ssserpent: Not so powerful now, is he?

Onyx: No, he ain't.

Me: We've been blasting him left and right and showing how powerful we are.

Mortal Kombat Scorpion: (to Nico) We heard you fought Rassimov.

Nico: We sure did.

Box Ghost: (to Omi) You should take care of that Blissey

Omi: I most certainly will.

Rotor Bot and Pikarime of the Shakōkidokū came.

Me: WHOA! Pikarime of the Shakōkidokū And Rotor Bot.

Pikarime of the Shakōkidokū: I'm for an extra battle.

Rotor Bot: And it's my turn today.

Me: Another round?

Rotor Bot: Yep.

Me: Awesome!

Rotor Bot: (to Nico) You know Alt Gabriel might already be gone when you investigate the Agreste Mansion in that world.

Nico: Hey, it's still worth a shot. Besides, if he IS gone, then there will be nothing stopping us from exposing a certain liar.

Me: It's well worth the risk. But we have all the evidence we need.

Nico: Yep.

Qin: We're ready.

Alt. Chloe: Cerise in my world ruined my life with her lies! NOW It's personal!

Me: Yep!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Omi, Dr. Finkelstein, Natalie, Nicole and Nadine Bernado, Harpie Lady, Harpie Queen, Harpie Girl, Harpie Lady Sisters, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Onslaught and Motormaster VS Box Ghost, Superfriends Scarecrow, Bald Eagles, Soil Monster, Wolf Eels, Whales (Hero 108), Jack-In-The-Box Shadow and Bowler Hat Guy (Theme including Dr. Finkelstein) - Nico's rescue was meeting Sonrisa and her Sunflora and we went to Hawaiiaira and we killed Rassimov and it was intense.

Box Ghost was first.

Box Ghost: (to Omi) Nico's rescue was meeting Sonrisa and her Sunflora. And then, he went to Hawaiiaira to kill Rassimov in an intense battle.

Omi: It was a most amazing and fun adventure. You should have seen what Bloomingvale was like.

Harpie Girl: It was a town located in the Big Rock Candy Mountains in Utah and it was a town where all the townspeople train and raise Sunflora.

Box Ghost: Wow! Sounds like a beautiful place.

Harpie Girl: It sure is. Ash told us that they went there to restock on supplies and they helped Sonrisa and her Sunflora win the Sunflora Festival. It's a Pokemon contest for who has the best Sunflora.

Box Ghost: Wow! What was the prize?

Harpie Girl: They get an amazing trophy and the title of Sunflora of the Year. As well as a year supply of instant noodles.

Box Ghost: That is cool!

Dr. Finkelstein: It was amazing to see.

Natalie Bernado: And it was also a town that Himawari Uzumaki loved because the Sunflora reminded her of her namesake flower the Sunflower.

Box Ghost: Awesome!

Twilight Sparkle: Yep and we then went to Hawaiiaira and you should have seen what this planet was like. It was an amazing tropical paradise world perfect for a fantastic vacation.

Stellar Sparkle: It sure was and we thought about going there after the war with Anti-Monitor is over.

Harmony Sparkle: That was so fun. We battled Rassimov and got rid of another of the Huntik Team's enemies. It was so awesome.

Starshine Sparkle: It sure was.

Spyro: Yeah no kidding.

Box Ghost: Boy you guys had a lot of fun! Lets do it.

Omi used the ring of Box Ghost and they fired waves of cardboard boxes and water and magic and smashed them down.

Raimundo, Blue Thunder T-45, Juniper Lee, Aya Chang, Noctum, Glitch, Ixofex, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Rippersnapper and Blot VS Trickster, Katty Katswell, Mira of Team Aqua, Scorn, Hysteria, Black Widow (Symbiote Bonded), Jester the Pester and May Kanker (Theme including Blue Thunder T-45) - The Anothers were the gene-slammers of Evil HERO Adusted Gold and Noodle Ninja

Trickster was next

Trickster: (to Raimundo) The Anothers were the gene-slammers of Evil HERO Adusted Gold and Noodle Ninja. Nico, Ripjaws' team, Number 47: Nightmare Shark's team, and the others did good battling them.

Raimundo: They sure did and it was really cool!

Blue Thunder T-45: But here is the grossest part! We met a Lickitung gene-slammer from Dark Gale. Her name is Yumi Upchuck. She is half Gourmand and She licked J.D. and saturated him in drool and then when she reverted back she threw up all over Nico and May!

Trickster: OH YUCK! Boy she must've eaten something that didn't agree with her.

Juniper Lee: No kidding! That was gross!

Sunset Shimmer: That was a really gross one! She also licked Poliwag and he did not like that one bit!

Firestorm Shimmer: No kidding! But it was funny!

Sunset Shimmer (G5): I agree there.

Pipsqueak: (British accent) No kidding there.

Chalcanthite Aurora: (British Accent) No kidding.

Sunburn: WACKY!

Trickster: Boy that is a really silly gene-slammer you all met! Lets do it!

Raimundo used Trickster's ring and they fired waves of energy, wind and fire and smashed them down.

Hank Scorpio fired his flamethrower and blasted him with intense fire and incinerated him into ashes.

Sophie Casterwill removed her massive greatsword and came back to us, and the black flames of The Black Abyss consumed The Betrayer as he let out one last final scream as he was erased forever by The Black Abyss, and the black flames of The Black Abyss also wiped out the last of The Blood Spiral remnants.

We cheered as we holstered our weapons.

Me: We did it, it's over, The Betrayer's gone. Now, all that's left is DeFoe.

Nico: That slimy bastard's already seen what we did, and it's pissed him off.

Lincoln: Good, we'll make sure he remains like that when we get after him on Dante Vale's day. Now, there's one last thing to do and one last loose end to tie up: Hermaeus Mora.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Hermaeus Mora, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Hermaeus Mora began growing weaker as all his powers was being sucked out of him one at a time and was pumped into Lincoln, and Hermaeus Mora roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Hermaeus Mora, and Lincoln sucked out all of the remaining energy in Hermaeus Mora and banished Hermaeus Mora to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and

Rachel Gutierrez's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large green and golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller dark blue and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized dark blue and golden yellow planets orbiting around her wrists and ankles, and enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large golden yellow angel wings underneath her enormous golden yellow angel wings are permanent.

Rachel Gutierrez: This where it ends for you, Hermaeus Mora, and this is goodbye and good riddance. Thanks for helping me get rid of Hermaeus Mora, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Rachel.

Me and Nico: Our pleasure, Rachel.

Suddenly, Rachel Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rachel Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Rachel Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Hermaeus Mora.

Me: He got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Brionac, Dragon of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Brionac, Dragon of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Icelyn Frostine, Avatar and Gene-Slammer of Brionac, Dragon of the Ice Barrier, and you guys are gonna like meeting her and this is also someone from the past of Jack Howard, Icelyn Frostine, Avatar and Gene-Slammer of Brionac, Dragon of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Brionac, Dragon of The Ice Barrier. She's The Ice Dragon Master of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Icelyn Frostine moved to Royal Woods where she met

Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Brionac, Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Brionac, Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Icelyn Frostine knew Jack Howard in his world before it merged with our world because he was an old friend of hers, and she knew he once worked as a recruiter for those wanting to join The NYPD's academy and he's also a skilled mechanic. In May of 1984 a week before The LaGuardia High Bloodbath, a young man came up to Jack Howard and she overheard their discussion and Jack gave him an application for him to fill out to join the academy, but what she didn't know was this young man was Caleb Maxwell, she knew that Drake Maxwell's madness had caused Caleb so much pain and suffering, but she also sensed absolute hatred coming from Caleb and it's towards the person responsible for his pain and suffering from the beginning and the others for contributing to his living Hell when he entered high school. Icelyn Frostine sensed the darkness in Caleb, it was powerful and the suffering he went through made it even stronger, and she felt something pretty bad about to happen if Caleb were to give into his desire for revenge, and eight years later, she would be proven right when Caleb would rise again in 1993 and return to New York in 1996 to do so.

WE GASPED!

Jack Howard: I remember her all too well, she helped in organizing some events in the high schools in New York, and the event in LaGuardia High in May of 1984 a week before the bloodbath began, that was when I met Caleb Maxwell, I didn't have that odd feeling of overwhelming darkness when I met him. But, Icelyn sensed it, and she almost got sick.

Nico: You kidding me?

Lincoln: Icelyn almost threw up when she sensed that overwhelming darkness from Caleb, and she sensed Caleb would one day exact revenge on those responsible for his suffering and for his death.

Me: Yet, she had to keep this secret, Caleb was still a victim of Drake's madness. But, she didn't know Caleb would become a vengeful dark angel.

Zavok: It's cool that you can use other elements.

David Cain: But nothing beats good old fire!

Me: Yep.

Ice Demon: As long as you keep it away from me.

Thundermon: Either way, the Blood Spiral's finished.

Dodgeball Wizard: All that's left is Defoe.

Me: And then Huntik will be rid of their enemies forever.

Qin: Good riddance.

Nico: Yep. Great job today everyone.

Sophie: (To the viewers) Now my family has been avenged.

Anna Valentine Casterwill: And I have lots of catching up to do.

Me: You sure do. I could go for pizza.

Nico: Me too.

We went back home to celebrate with awesome pizza.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we finally destroyed The Betrayer and the last of The Blood Spiral.

Anna Anyanova: Along with Rassimov. Now, all that's left is that slimy bastard, DeFoe.

?: (Beastly Gruff Manlier Voice) That's for sure, and I'm gonna enjoy tearing his butt apart when we get after him in the future.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they

kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome fanfic done.

Now Sophie's family is free.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless tin and winds and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Tinaira, a planet of endless tin and winds in The Forbidden Zone, and protected by powerful omnipotent angels known as The Tinairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A planet of endless tin and winds! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Tinaira.

Lincoln landed on Planet Tinaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Tinaira, it truly is an awesome planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a yellow sun and moon on his chest, he has long tin-colored hair going down to his shoulders, dark blue eyes, white angel wings, he has on a tin-colored loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Terrence Tinaira, King of The Tinairans of Planet Tinaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Taryn Tinaira. I've been here before to Tinaira eight years ago.

Then, all of the other septillions of trillions of male Tinairans came to Lincoln.

Terrence Tinaira: That's correct. (Smiles) And you've grown that much stronger and also much taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Terrence Tinaira chuckled.

Lincoln: And there's something I need to tell you.

Terrence Tinaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Terrence Tinaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Terrence Tinaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Terrence Tinaira and the other septillions of trillions of male Tinairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and

the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a tin-colored aura with tin surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Terrence Tinaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Leadaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are

extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Tinaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Tinaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Pikachu, Poromon and Poliwag walked into Nico's room to see Nico sleeping.

They jumped onto his bed.

Poromon: Okay Pikachu. Give him a Thundershock alarm clock.

Pikachu: You got it. PIKA CCHHUUUUUUUU!

ZZZZZZZAAAAAAAAAAAAAAAAAAAPPPPPPPP!

NICO SCREAMED IN AGONY!

HE WAS WOKEN UP!

Nico: HEY WHAT'S THE BIG IDEA!?

Poromon: Time to wake up!

Nico: Oh morning already? Okay.

He went and got dressed and went to the table.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Tinaira, a planet of endless tin and winds in The Forbidden Zone, and protected by powerful omnipotent angels known as The Tinairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! Now, you absorbed a planet of endless tin and winds, awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Max Kante's mother's Akuma, Startrain.

Max Kante: Oh no, it's my mother.

Lincoln: And it looks like she's going in orbit around the world.

Nico: What the? Oh man. Let's get to The U.S.S. Valorous Phoenix and blast her.

Me: Once she crashes, we'll head down to take her down.

Lincoln: That'll be after I separate Mrs. Kante from her Akuma. Alright, now let's finish breakfast and get to The U.S.S. Valorous Phoenix to blast Startrain down, so I can separate Ms. Kante from her own Akuma.

Nico: Let's do this.

We finished breakfast, and we deployed The U.S.S. Valorous Phoenix to get after Startrain and blast her down, so that Palutena can unlock her Rainbow Power, and after Lincoln separates Ms. Kante from Startrain, we take her down.

The U.S.S. Valorous Phoenix was flying around Earth Omega.

Nico: Captain's Log, Stardate 14262.2: The U.S.S. Valorous Phoenix is orbiting around Earth Omega and we're following the Akuma of Max Kante's mom, Startrain as she drives her train around the planet on the rings of Earth Omega. Our mission is to battle Startrain.

Qin: We all are.

Charmander: Yeah this will be fun.

Nico: Charmander, who do you belong to?

Charmander: I'm Simone Houou's Pokemon.

Simone Houou: I found him while on a field trip with Ms. Frizzle and her class. We went into a volcano and learned all about how Plate Techtonic's work.

Qin: Cool!

Charmander: Yep and it was fun.

Lola: Wow!

Nico: Nice.

Poliwag: Good to know!

Charmander: Thanks.

Nico: Cool.

Twilight Sparkle: It's amazing and incredible.

Sunset Shimmer: Boy the Earth got so amazingly huge.

Fluttershy: It sure did.

Nico: Did you have to wake me up like that, Pikachu?

Pikachu: Sorry Nico. I just missed doing that to Ash.

Ash: Pikachu would wake me up like that whenever I overslept.

Nico: I see.

Me: Also breakfast was ready and I didn't want you to miss it.

Nico: Oh right.

Poromon: We told him to do it

Pikachu: Yeah.

Nico: I see.

Qin: That is funny.

Lola: I agree there.

Misty: You should have seen all the times Ash got shocked.

Ash: Yeah I was shocked so many times that I practically run on Electricity.

Me: Lets put that to the test.

I fired a blast of lightning and it hit him and electrocuted him intensely!

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAPPPPPP!

Ash: YIIIIIIIIIIII!

I Stopped.

Ash was burned to a crisp.

Me: Oops. Sorry.

Ash: It's okay. I'm used to it.

Me: Would you rather be roasted by fire?

Ash: No.

Me: Okay. Anyway we got rid of another of Huntik's enemies.

Nico: 2 of them.

Qin: Rassimov and the Betrayer.

Nico: I didn't expect the Betrayer to try and trick us

Me: Thank goodness we saw right through him.

Qin: Yeah.

Lok: I wasn't going to fall for it again after I got my dad back.

Me: Good.

Nico: Yeah no kdding.

Poromon: It was unexpected. But stupid

Lok: Too true.

Me: But we were ready for him.

Qin: Yep we sure were.

Lola: Yeah.

Sophie: (British Accent) My akuma was an amazing goddess of fire.

Me: It sure was.

Qin: Yeah and infernal.

Sophie: Sure was.

Nico: It was very hot.

Lola: Yeah.

Xenia: Yep.

LOUD FART!

Me: Oops sorry. Garlic in my eggs.

Nico: No worries.

Me: Also today is the anniversary.

Vypra: Oh right! I remember that one.

Gira: Anniversary of what?

Me: The Fall of Xehanort. On August 2nd, 2021 we battled Xehanort and killed him in the Keyblade Graveyard.

Qin: Yep.

Gira: Oh wow! I thought you guys ended him forever on December 23rd, 2023?

Me: That was forever.

Nico: But this was his first defeat.

Me: 2nd actually. I first defeated Xehanort back in 2017 when I first recruited Aqua, Sora, Kairi and friends.

Goofy: Gawrsh I remember that.

Lily: Me too. That was fun.

Nico: Can you tell me what happened?

Me: Sure.

I went over what happened in chapter 135 of Loud House Revamped. When it was done everyone that hadn't heard about it was shocked!

Twilight Sparkle: Wow! That is incredible!

Gira: No kidding.

Nico: First up, we fought Frollo

Mal: Me and my friends made an appearance there

Yin: Me and Yang made an appearance there

Yang: Yep.

Me: That was awesome.

Qin: Yep.

Me: That was when we found out Xehanort's plans and he was going to destroy the entire universe with the most powerful Keyblade ever made with intensely omnipotent power. He was going to remake it in his own image to balance light and darkness.

Gira: That's terrible!

Me: Yep.

Nico: Then we went to Olympus

Lucky: Me and my team met you guys there

Me: That was so awesome.

Qin: Yep.

Rapunzel: That was so fun and cool!

Misty Tredwell: I had so much fun dancing.

Qin: We sure did.

Nico: Next, we went to Toy Box.

Me: And we got to pilot those awesome Gigas suits.

Camie: Cool!

Eli: Those remind me of using Gundams.

Xenia: Yep and that was cool.

Taro: Wow!

Me: Yep. And Meeting Astro Boy was cool. He's iconic over in Japan.

Elsa: No kidding there.

Anna: Yeah.

Me: The Caribbean was next.

Dr. Nick: Me and my friends appeared there

Eli: Yep and there we learned that Davy Jones killed Athena.

Xenia: Yeah!

Lola: That accursed squidfaced freak!

Haruka: Man what a jerk!

Camie: Yeah!

Jack Sparrow: But you guys really helped us out.

Nico: We went to San Fransokyo next.

Gira: San Fransokyo?

Me: A City that is like a fusion of San Francisco andTokyo. It's the world of Big Hero 6.

Gira: Wow.

Jason Jenkins: Me, Kong, and the rest of our friends appeared there.

Lola: That was cool!

Jared: You guys loved meeting them.

Dudley Puppy: Me and Kitty went to the next world! Um…what was it again?

Me: Scala Ad Caelum.

Dudley Puppy: That's it. That was cool.

Taro: What does that mean?

Me: It's latin. It means Stairway to Heaven.

Nico: You should have seen this place. It was intense. Also we learned all about the Keyblade War and what caused it.

Lola: Yep. Xehanort.

Nico: Then it was off to kill Xehanort

Me: At the Keyblade Graveyard.

Eli Shane: Me and my friends kept his forces back in the meantime

Me: That was awesome.

Nico: It sure was.

Taro: Holy cow! That was intense!

Me: It was.

Nico: (to me) A year ago on this day, I told you Xehanort was gonna die before the year ended. I kept my word

Me: Yes you did and that was awesome.

Qin: That was cool.

Me: And he died forever on December 23rd, 2023.

Gira: Good riddance.

Taro: Yep.

Maria: We're already at our destination

Me: And that's in orbit around Earth Omega.

Nico: Yep.

Qin: We all are amazed.

Lola: Yep.

Nico: We're not gonna land?

Me: Nope. There's the reason.

We saw STARTRAIN! She was a fast train that was driving around the planet while driving on the ring system of the planet.

Nico: WHOA! That is cool!

Thomas the Tank Engine: That is so cool! She's a Train Akuma.

Right: That's So awesome!

Ryotaro: It sure is!

Midnight Express: That is amazing!

Nico: I don't think she spotted us yet

Me: This is the first time we are battling an Akuma out here in space and around Earth Omega.

Qin: Yeah.

Lola: That is cool!

Qin: Yep.

Iron Man heard a Pokémon cry

Iron: Look guys.

We saw in our bridge, a Magearna.

Me: Hey a Magearna.

Qin: Cool one.

Lola: And look what else is with it.

We saw a Farfetch'd.

Clyde: A Farfetch'd too! Wow!

I knelt down to its level.

Me: Cool! Cute fella.

BASH!

It hit me on the head with its leek!

Me: OW! HEY WHAT THE HECK WAS THAT FOR!?

Farfetch'd laughed!

Me: Oh you think it's funny don't you!

Clyde: Now now don't do that guys.

Magearna: He is always like that.

Iron Man: I can see that. Here.

Iron Man and Clyde gave them apples and they ate them and loved them.

Magearna: Thanks!

Farfetch'd: Thank you.

Iron Man: Magearna you want to come with me?

Clyde: And do you want to come with me Farfetch'd?

Magearna and Farfetched: We would be honored.

Me: Awesome!

Poromon: YAY!

Iron Man: This means we should start considering finding Mandarin. He can only stay neutral for so long

Me: Yep.

Qin: Yeah.

Lana: Hey guys look who is here in my arms.

We saw a Rattata.

Me: Whoa a Rattata!

Lola: Cute little guy.

Lana's Rattata: This is one of Dark Gale's work.

Nico: You sure you're not jealous?

Lana's Rattata: No it's not. It's one that is Dark Gale.

Sheena: He's telling the truth. That Rattata in Lana's arms is part of Dark Gale's work. Her name is Orla Argit and she is half of Argit's kind.

Shanan: Whoa! She's half Erethizonean. That is cool!

Nico: Erethizonean?

Shanan: That's what Argit's kind is. He's a Porcupine alien.

Me: Interesting.

We went over to it.

Me: Here.

I gave the Rattata some cheese.

Horsea put her clone in front of her

But the Rattata was busy eating cheese.

Horsea: Oh. Sorry force of habit. But she loves cheese.

Qin: She sure does.

Me: Yep.

I snapped my fingers and she reverted back. She had purple hair and had blue eyes and black angel wings and had Rattata on her forehead and a cheese wheel with Argit on her arm and we wrapped her in a blanket and brought her over.

Nico: That was easy.

Lana: Yeah!

She woke up to see Horsea's concerned face

Orla Argit: (Groans) Huh? A Horsea?

Horsea: You didn't attack my clone. How come?

Orla Argit: I don't know.

Me: You were eating cheese that I gave you. You were turned into a Rattata by Dark Gale.

Orla Argit: Oh. I just love cheese. I love it to the point of wanting to eat 10,000 tons of it.

Nico: You feel the same way as me? Wow.

Orla Argit: Yeah

Manaphy: And Mama wasn't attacked!

May: If she was a Raticate it would have been a different scenario.

Me: You're right.

Orla Argit: I can tell.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her purple and brown clothes and a cheese Magisword.

Orla Argit: Wow! I look awesome.

Lola: You sure do.

Nico: This is the final Akuma. And then we go to the Alternate Paris

Me: Yep.

Qin: Look guys!

We saw Startrain. She was driving along the rings of the planet.

Me: Wow she is a bullet train akuma! And she is driving along the rings of Earth Omega!

Nico: Boy that will give everyone an amazing view of the planet as well as a fun trip around the world. Battlestations!

The alarms sounded.

We were onboard The U.S.S. Valorous Phoenix, and we were going after Startrain who's been going all over the world, and as we were doing so, we were blasting her.

Me: Man, she's fast!

Nico: No doubt, she's going full steam ahead, we're going all over Earth Omega!

Lincoln: This is by far the fastest Akuma we've gone after.

Then, we got our sensors locked on Startrain.

Eli: We got her!

Nico: Alright! Jared, activate the brand-new tractor beam!

Jared: Got it.

Jared activated the tractor beam and it fired and held Startrain in place.

Lincoln: Looks like the new tractor beam I built into The U.S.S. Valorous Phoenix is working at 100%, now to separate Ms. Kante.

Lincoln's eyes glowed, and Startrain glowed and we saw Ms. Kante being separated from Startrain, and we beamed her onboard The U.S.S. Valorous Phoenix, and we brought her into the medical bay.

Lincoln: It's done, Ms. Kante's been separated.

We then all weapons locked onto Startrain.

Eli: All weapons locked on target!

Nico: Alright. Now, then, fire all weapons!

But, before Eli could hit the button, Carl Casagrande jumped on Eli and tried to stop him from pushing the button.

Carl Casagrande: YOU CAN'T! YOU CAN'T DESTROY IT! I HAVEN'T HAD A CHANCE TO RIDE INSIDE IT!

Carlota: Carl, if you don't get off of Eli, I'm gonna tell the world about your Choo-Choo Chonies and it'll be streamed live on my blog.

Carl Casagrande: NEVER!

But, Caleb Maxwell let out a demonic shriek and summoned demonic hands from Hell and that had caused Carl Casagrande to let out a scream of terror!

Nico: NOW, ELI! OPEN FIRE!

Eli pushed the button, and we fired all weapons and blasters at Startrain and she was sent flying down to Earth Omega.

Lincoln: We got her, and she's still alive. (To Nico) I had no idea Carl would go against the order to fire on Startrain like that.

Nico: Though I can understand his love for trains, this is one train he should never get on. But, why did he rebel like that? Unless...! (GASPS) Lincoln, can you perform some surgery on Carl?

Lincoln: On it!

Lincoln grabbed Carl Casagrande, and he took him to the surgery room, and...!

Carl Casagrande: YEOWCH! MY BUTT!

Lincoln came out, and Carl Casagrande had bandages on his butt.

Ronnie Anne: Nice one, Lincoln.

Lincoln: Thanks, Ronnie Anne. And take a look, Carl had a Rebel Chip on him, it was put into him a few years ago by Sergio.

Lincoln held up a Rebel Chip that had the face of Sergio Casagrande on it. WE GASPED IN SHOCK, BUT WE GOT PISSED OFF AT THAT STUPID PARROT!

Me: (GROWLS) Even in The Black Abyss, Sergio still pisses us off! THAT REPULSIVE FEATHER DUSTER! THAT FLYING RAT WITH WINGS!

But, then, The Rebel Chip started glowing, and a massive stream of darkness shot out and then, it manifested in front of us: it was Dark Carl Casagrande, the juvenile delinquent version of Carl Casagrande who made Carl into that because of Sergio.

Carlota: So, now we finally see the little delinquent that made Carl into that because of Sergio.

C.J.: You're in really big trouble now.

Carlitos: Now that you're finally out in the open, now we can make you pay for the trouble you'd caused Mom, Dad, Carlota, C.J., and all of us with your scams!

Ronnie Anne: I've been wanting to do this to you for a long time.

They piled on and clobbered the little weasel in a massive fight cloud! Then, when they were done, Dark Carl Casagrande had a black eye, a split lip, broken limbs, and some missing teeth.

Lincoln: Alright, you're going straight to Xibalba for good!

Lincoln spoke in an Ancient Aztec language and fired fifteen massive balls of dark fire that hit Dark Carl Casagrande and he exploded and was sent to Xibalba for good!

Me: Whoa! What was...?!

Mama Lupe: (Spanish Accent) I'd recognize that power from anywhere, this was The Judgement of The Dark Fire of Tezcatlipoca. As you know, Tezcatlipoca was not only The Aztec

God of The Night, Sorcery, and Warriors, but was also The God of The Sky, The Earth, The Winds, and Vengeance against Evildoers. Any who dared to hurt the innocent, Tezcatlipoca would inflict his punishment on the guilty with those dark flames.

Nico: Talk about dark punishment.

Lincoln: Yep. Okay, guys, we're in for one intense battle, we're here in the park to help Palutena unlock her Rainbow Power and take down Startrain.

Me: After what you did in separating Ms. Kante from Startrain, now we can really let loose on her.

Nico: And with Dark Carl Casagrande gone, now we don't have to worry about any additional trouble.

Poromon: Ok, Carl wasn't even questioning Nico's leadership!

Me: Curse that Sergio.

Qin: Yeah!

Trust)(Beastly Gruff Manlier Voice) Alright, time to end this, Startrain!

Lincoln went after Startrain, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Startrain, and they exploded with incredible power as they hit her.

Then, he attacked and slashed at her with his massive greatsword and gold-armored dragon claws on his finger tips and rainbow wolf claws on his finger tips and left bleeding scars on Startrain.

Startrain tried to attack Lincoln, but Lincoln countered with A REALLY STRONG PUNCH TO THE FACE THAT SENT HER FLYING INTO A TREE WHICH SPLIT IN HALF AND FELL ONTO STARTRAIN!

OUR JAWS DROPPED!

CLANG!

LINCOLN CLOSED OUR JAWS USING TELEKINESIS!

Me: HOLY JUMPING NUCLEAR HOT PEPPERS!

Nico: OH! MY! GOD! JUST HOW...JUST HOW MUCH STRONGER IS LINCOLN GOING TO BECOME!? HE'S ALREADY IN THE SAME LEAGUE OF POWER AS ME, J.D., ELI, AND ALL OF US!

Anna Anyanova: Lincoln continues to get stronger to push past his limits like all of us, his love for all of us, his determination to see things through, that combined with his personality make him who he is.

Startrain got up, but she was beyond pissed!

Startrain: You...! YOU!

Me: Surprise!

Max Kante: Mom your ride around the planet is over

Nico: Is all you do is seriously ride all over the place?!

Startrain: Hey I'm a train! What did you expect?

Me: She's right. She's a really fast and cool train to be able to drive around Earth Omega like that.

Lola: Yep.

Nico: Well, I guess this is a special kind of fight

Me: Because it's around home.

Startrain: That and you don't get to battle train themed akumas.

Thomas the Tank Engine: She's right and this is fun!

Ryotaro: It sure is!

Right: Yeah this is cool!

Startrain: Have some of this!

She fired lasers at us.

Me: Evasive action!

We flew around all over.

I fired laser blasts and blasted her.

Luke Skywalker: This is Red 5 I'm going in.

LASER FIRE!

Lasers were blasting her all over the place.

MASSIVE FIERY EXPLOSIONS!

Qin: Luke Pull up!

He did so!

Biggs: Are you alright?

Luke Skywalker: I got a little cooked but I'm okay.

Me: Good. Just like old times huh Luke?

Luke Skywalker: It sure is!

Startrain: Nice piloting.

Me: Years of practice and fun.

Startrain: You guys have been fighting villains non stop. Ever consider a day off?

Lincoln: We told Nico we can't afford a vacation!

Nico: She said day off, not vacation. There's a difference

Lincoln: Oh. Sorry.

Me: And we actually are considering a day off today.

Startrain: Good idea.

Me: Cool. Also to be honest, you are the second Train themed Akuma we met. Right Suzuki's akuma was a REALLY SCARY

Nightmarish train.

Right: It's true.

Startrain: Wow! That is scary!

Me: Yep but we never met a Space Train themed Akuma.

Midnight Express: That is so awesome.

Startrain: First times for everything.

Me: Too true.

Poromon flew out.

Me: Poromon I didn't think you can peck her while we're flying this fast.

Poromon: Lets find out.

Poromon pecked her but the speed was too much and he went tumbling.

I teleported him inside my ship.

Poromon: Thanks J.D.

Me: No problem. We'll have to take this fight inside Startrain.

Startrain: Come on in then.

We went inside her. We went back to our ship and had our ship hooked up to her through the docking tube. We went on board Startrain.

Me: Wow. Nice train.

It was like a train from the future.

Me: Wow this is cool. And the view of us going along the rings of Earth Omega is amazing.

Nico: We've never gone this fast.

Poromon then decided to go on a slingshot.

Startrain came to us in her true form.

Me: Wow! So cool!

Startrain: Like my true form?

Me: Super advanced.

Poromon fired and bashed her.

Me: Nice!

Horsea squirted ink and blinded her.

Me: What lead to the creation of you becoming Startrain?

Startrain: It's because my dream was to become an astronaut. But I feared that I would fail to be one.

Me: Being an astronaut is one of the best dreams ever known. And we know all about what it's like to be in space.

Nico: Heck, we're even in space right now

Me: That's true. Because of us being in orbit around Earth Omega.

Startrain: That's true. And you guys travel all over the universe.

Me: That's true too. And we've only begun to scratch the surface of how many awesome mysteries there are all over the universe.

Startrain: Too true.

I fired waves of stars and blasted her all over.

Poliwag jumped at her.

Poliwag: TASTE THIS!

NUMEROUS WHAPS!

He slapped her all over with his tail!

Manaphy hopped towards her and headbutt her.

Mevya hopped over to her.

Mevya: SMELLOGRAM!

LOUD NASTY HORRIBLE BELCH!

Gatomon: (Echoing) LIGHTNING PAW!

KRASMASH!

She smashed her with a powerful punch!

Meowth: Taste my Fury Swipes!

SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

OUCH THAT HAD TO HURT!

James: Go Cacnea!

He called his Cacnea and he went back and hugged him!

STAB!

James: EEEEEYEOWCH!

Me: YICHIHUAHUAS!

Qin: OUCH! That had to hurt!

Ash: Cacnea don't attack James like that.

Cacnea let go.

Gatomon chased Mevya.

Mevya: HEY! Gatomon we have a job to do!

Gatomon: Oh sorry.

James: WHEW!

Me: James you just can't catch a break from your Pokemon chomping on your head can't you?

James: My Inkay never did that to me though. Cacnea use Bullet Seed!

Cacnea fired bullet seeds and blasted Startrain all over.

Poromon got out a beer bottle and shook it And launched it and smashed her down.

Me: YEAH!

James: Go Victreebel!

POP!

James Victreebel: (BLOODCURDLING SHRIEK)

CHOMP!

He chomped on James!

James: HEY! VICTREEBEL DON'T CHOMP ON ME! CHOMP ON STARTRAIN!

Tentacool: GEEZ! Even I am not that clingy.

Ash: Your Weezing never did that to you either.

I got Victreebel off him.

Me: Now now Victreebel don't bite on your partner like that.

James: Thanks but yeah I remember that Chimecho is like that to me too.

Vierra Voltic: Oh yeah I remember that your Chimecho loves wrapping his tail around your head and loves that.

James: It's fun and cute.

Jessie: (Offended) HEY! HOW COME YOU'RE NICE TO HIM BUT NOT TO ME!?

Vierra Voltic: Because James has more heart while you have an attitude that is as rotten as an old hag that has Alzheimers.

BURN! BOOM! BURNED!

WE LAUGHED HYSTERICALLY!

Meowth and James: (LAUGHS) SHE GOT YOU GOOD JESSIE!

Meowth: YEAH! (LAUGHS)

Me: YEAH!

Meowth: (in realization) Hey, what about me?!

Poromon: Meowth I don't think she knows any good roasts for you. Besides Jessie mostly beat you up before.

Meowth: Oh yeah right. Sorry.

Startrain: Is it always like that with them?

Me: Don't fucking ask.

James: Victreebel use Razor Leaf!

He threw leaves and slashed her all over.

Vierra Voltic: You're in the middle.

Meowth: That makes sense though.

Qin: Yep.

James: Now for this. Mareanie!

He called out his Mareanie!

Me: A Mareanie! Cool!

James: That's right you guys never met my Mareanie before.

Me: Sure is a cutie.

Mareanie than jumped and latched onto James's head!

CHOMP!

He turned purple with poison and his hair was a mess!

I pulled her off him.

Me: GEEZ! Getting chomped on by Grass Pokemon wasn't bad enough but a Poison and Water Pokemon too!?

I snapped him back to normal.

Nico: What is with your head?

Me: I don't know.

James: I don't know either. They just like chewing on my head to show affection.

Me: Well one of these days they are going to take your head off.

Nico: And that's serious!

James: Yeah no kidding.

Startrain: You don't want that to happen.

Qin: No way.

Lola: Yeah.

Marinette: Lucky Charm!

She formed a MAGNET BLASTER!

We fired waves of energy and blasted her.

Chloe: VENOM!

She fired poison and blasted her.

Farfetch'd charged at her and bashed her with his leak.

Caleb Maxwell: (Demonic Voice) Now, suffer as all of your victims have suffered, Startrain, you're gonna die a slow, painful, and bloody death! WELCOME TO YOUR WORST NIGHTMARE!

Then, the pool of blood awakened and many demons arose from the bloody pool, and they went at Startrain and they tore into her with claws and they wailed and screamed at her with revenge and hatred and we heard Caleb's demonic cackling echoing throughout the city as the skies turned blood red and bats flew out into the skies!

Then, Nico, Super Brother, Lincoln, and I trashed Startrain with really immense godly superhuman strength, and Startrain was really thrashed all over the place.

James Blunt: (Thinking) Even after all the damage we did, Lincoln, Super Brother, and J.D. also did the same thing damaging her big time, and Nico also joined in as well. Impressive.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Startrain and attacked her with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Startrain, and they collided and exploded as they hit her, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, STARTRAIN!

Lincoln, Nico, and I did one final powerful energy slash that hit Startrain hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and

Startrain was on her last legs and she was really really mangled.

Then, Lincoln, Nico, and I fired waves of ruby red fire and ladybugs that hit Startrain and knocked her down and she was sent to The M.O.E. through a portal Lincoln made. We cheered as we holstered our weapons and powered down.

Nico: That's the last Akuma.

Me: Now, the stage is set for the visit to The Alternate Earth where we kill the Alternate Lila Rossi.

Lincoln: And the stage will soon be set for our showdown with Cerise Bianca A.K.A. Chrysalis after we expose her true identity when she's in her form as Lila Rossi.

Marinette: All this time, Lila Rossi wasn't even her real name at all, but Cerise Bianca still caused so much trouble and so much chaos for her own amusement, that ends here.

Adrien: We're gonna make sure her chaos ends here and now.

Alya: We have all the proof of her evil deeds.

Chloe: Now, all we need is to expose her. Hmm, but we got to do it all over Paris in a really big way.

Futaba Sakura A.K.A. Oracle: Alya and I will handle spreading all of her crimes all over the internet through her blog and with my Persona, Necronomicon.

Nico: That's excellent, and can your Persona really do that, Futaba?

Adrian Matthews A.K.A. Ace: She's able to hack into the security systems of The Palace Rulers and The Monarchs along with hacking into the terminals in The Metaverse.

Me: Nice.

Alya: That's pretty impressive.

Nicole: Futaba's a tech genius, and nothing gets past her on the internet, and she also helps in navigating The Metaverse.

Adrien: Is it really a dangerous place?

Ren Amamiya A.K.A. Joker: It is.

Morgana A.K.A. Mona: If you're not careful in The Metaverse, you risk losing your life especially if you're not prepared.

Lincoln: The Shadows there are really hostile, and if you anger them, you're in trouble.

Then, we dodged an incoming barrage of bullets!

Me: WHAT THE HELL?!

Nico: Alright, who's the asswipe who tried to kill us?!

Then, we saw a figure emerge from the shadows, it was a young male white-furred cat with black hair and black tail, and he was dressed in street clothes, but Adrian recognized the cold blue eyes and the nasty look on his face.

Adrian Matthews A.K.A. Ace: Jacob Adams, Roderick Adams' spoiled rotten eldest son, so you've come for revenge on us for killing your father?!

Von Lycaon: We'll apprehend them at once, and we're to bring them to The Mayor. He was also good friends with Ms. Carole, the teacher of Master Lincoln's future wife, Ms. Belle.

Pikachu: We just need to knock them out, that's no problem.

Then, we saw Camille approaching, but Lincoln sensed something.

Lincoln: Guys, wait. She's no longer with The Exaltists, but she'd lost her family to The Hollows long ago.

Eli: Lincoln's telling the truth.

Camille joined us, but then, suddenly, we saw Ethereals appear!

Von Lycaon: It appears things weren't going to be that easy.

Suddenly, Von Lycaon's red eyes turned neon red and he was surrounded by a white and black, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels, and as he approached the Ethereals, he left white and black, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels with every step.

We hurried to The Hollow, and there we saw our targets: The Creator, Dina, The Exaltist Overseer, Landon, Ms. Sarah, Justin Bringer, Alowyn Mystik, and The Prophet, the members of The Exaltists.

Dina: YOU! Do you realize what all of you have...?!

Camille: That's enough, Dina. This stops now, what Landon has done, it was all a lie.

Lincoln fired a blast of ice which hit Dina who completely lost it and charged at us and the blast of ice froze her.

Lincoln: Dina's long gone, her hatred has completely destroyed her.

Suddenly, Dina was freed and she, The Creator, The Exaltist

Overseer, Landon, Ms. Sarah, Justin Bringer, Alowyn Mystik, and The Prophet injected themselves with two vials of Elixir P07, a refined Etheric substance that transformed them into Sacrifices and completing their "refinement" and imbuing them with incredible Etheric powers.

Suddenly, we saw a beautiful girl with light violet hair, red eyes, pointed ears, and a beautiful noblewoman's dress and had an umbrella in hand join us.

Let's get them!

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after The Exaltists, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked them with their greaves and they got hit hard, and Red Savarin slashed at them with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked them hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit them on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to The Exaltists, and they scream in agonizing pain.

Lincoln continued smashing The Exaltists hard with his extremely massive godly superhuman strength, and they're no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them and he even attacked them using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash them all over the place!

Qin: The Exaltists don't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering them, now they're at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at The Exaltists and they got beaten up real good and they were mangled!

Then, Andre Lupescu shot at The Exaltists, then Andre Lupescu slashed at them with his massive greatsword, same with Abaddon Aeternus doing the same thing to The Exaltists.

?: Well, well, that was quite the performance.

Suddenly, we saw a young man with long blonde hair tied in a ponytail and dressed in elegant clothes, and he has a right blue eye and red left eye.

Von Lycaon: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Fury Victorian Alpha Wolf Thiren Werewolf True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Fury Victorian Alpha Wolf Thiren Werewolf True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're late, Hugo.

Hugo Vlad: Sorry, but I was already finishing up my part.

We saw the police carrying a man away into the police car.

Nicole: Hartman Ravenlock, so the head of the family was also among The Exaltists.

Hugo Vlad: More like the mastermind behind numerous other schemes as well.

Hugo Vlad explained his own history and when he told us about himself at one point playing a villain, but it was all an act, the real villain he was going after was his former uncle, Hartman, and we were floored when we found out Hugo was the illegitimate child of the Ravenlock family, a family of powerhungry ruthless aristocrats who'd do anything for power including resorting to murder, because at one point, they killed a young girl named Serena, his half-sister who was the only child to treat Hugo with kindness, and that the entire Ravenlock Family has also formed an alliance with The Exaltists, and the incident back then proved that Hugo didn't kill his father, it was a scheme devised by Hartman to take over the family.

WE GASPED IN SHOCK!

William: So, all this time...!

Hugo Vlad: Yes, I have been gathering evidence on the crimes of the Ravenlock Family to bring them down for good, and my "death" at Lycaon's hands was also an act as well.

We powered down, and Von Lycaon's new body, clothes, jewelry, Third Eye, larger ears, longer tail, large gold halo and large Amaterasu's Heavenly Mirror of Four Holy Beasts with snowflake ring-shaped frame with embedded ice blue gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Amaterasu's Heavenly Mirror of Four Holy Beasts with snowflake ring-shaped frames with embedded ice blue gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white and black planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller white and black planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized white and black planets orbiting around his wrists and ankles and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings are permanent.

Lincoln: In any case, we brought down two major enemies: The Exaltists and The Ravenlock Family.

Laney: What'll happen now?

Von Lycaon: The Exaltists will no doubt face trial for their crimes, along with Hartman, but there's no doubt they're looking at getting sentenced to death.

We returned home to The World Tree Estate, and we welcomed Vivian Banshee and Hugo Vlad into Team Loud Phoenix Storm.

Hugo Vlad: And TOPS has officially terminated all relationships with The Ravenlock Family, now they truly are ruined for good.

Me: Good riddance.

?: Aw man, I missed the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Brionac, Dragon of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Brionac, Dragon of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Brionac, Dragon of the Ice Barrier, and she has an ice greatsword and with her are the eleven girls.

Lincoln: (GASPS) Icelyn Frostine, Avatar and Gene-Slammer of Brionac, Dragon of the Ice Barrier.

Icelyn Frostine: That's right, and I got the girls away from those fanatics before Lycaon transformed.

Nico: It was about to get real messy when they transformed.

Me: But, Lincoln and Lycaon used a combo that purified them and got them arrested by the cops.

Lincoln: I knew about The Ethereals from Belle and the others, but seeing them up close, that was proof they were dangerous and deadly, and they needed to be stopped. (To Icelyn Frostine) And it's so good to see you again, Icelyn.

Icelyn Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Icelyn Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Icelyn Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Icelyn Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Icelyn Frostine's waist and hugged her, and Icelyn Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Icelyn Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive

forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Icelyn Frostine, Avatar and Gene-Slammer of Brionac, Dragon of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Brionac, Dragon of The Ice Barrier. She's The Ice Dragon Master of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic

Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Icelyn Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Brionac, Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Brionac, Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Icelyn Frostine knew Jack Howard in his world before it merged with our world because he was an old friend of hers, and she knew he once worked as a recruiter for those wanting to join The NYPD's academy and he's also a skilled mechanic. In May of 1984 a week before The LaGuardia High

Bloodbath, a young man came up to Jack Howard and she overheard their discussion and Jack gave him an application for him to fill out to join the academy, but what she didn't know was this young man was Caleb Maxwell, she knew that Drake Maxwell's madness had caused Caleb so much pain and suffering, but she also sensed absolute hatred coming from Caleb and it's towards the person responsible for his pain and suffering from the beginning and the others for contributing to his living Hell when he entered high school. Icelyn Frostine sensed the darkness in Caleb, it was powerful and the suffering he went through made it even stronger, and she felt something pretty bad about to happen if Caleb were to give into his desire for revenge, and eight years later, she would be proven right when Caleb would rise again in 1993 and return to New York in 1996 to do so.

Me: Amihan explained everything about your story, and you had the gift of sensing some really bad darkness in someone.

Jack Howard: Especially from someone like Caleb who was that badly damaged by the abuse he had suffered.

Amihan Frostine: Yes, that's true, but he was still a good person, and he didn't turn out bad like his younger brother, though he'd let his heart turn black when he closed his heart and shut everyone out.

Lincoln: And that darkness he carried made you girls really sick to your stomach, you came back one day and threw up in the garbage cans. I was about to take you to the hospital, but you recovered from that, and now that you're here, Icelyn.

Lincoln with his massive muscular arms still wrapped around Icelyn Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Icelyn Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Icelyn Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Icelyn Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Icelyn Frostine.

Icelyn Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Icelyn Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Icelyn Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Icelyn Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Icelyn Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the twelve girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the twelve girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Moko Mojiro, Hiruko Shizuhara, Darumi Amemiya, Eito Aotsuki, Kako Tsukumo, Kurara Oosuzuki, Kyoshika Magadori, Nozomi Kirifuji, Tsubasa Kawana, V'ehxness, and Eva from The Hundred Line -Last Defense Academy.

Lincoln: Oh whoa, it's Moko Mojiro, Hiruko Shizuhara, Darumi Amemiya, Eito Aotsuki, Kako Tsukumo, Kurara Oosuzuki, Kyoshika Magadori, Nozomi Kirifuji, Tsubasa Kawana, V'ehxness, and Eva from The Hundred Line -Last Defense Academy.

Nicole: Uh oh, Red and Travis were right telling the guys to run. These girls are really strong fighters.

Lincoln: And if anyone tried to hurt them, it's gonna end badly. Are you girls okay?

Moko Mojiro: Yes, we're okay thanks to you.

Then, when Moko Mojiro and the eleven other girls saw who it was that saved them from The Exaltists, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in warm brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with Moko Mojiro: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hiruko Shizuhara: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Moko Mojiro, Hiruko Shizuhara, Darumi Amemiya, Eito Aotsuki, Kako Tsukumo, Kurara Oosuzuki, Kyoshika Magadori, Nozomi Kirifuji, Tsubasa Kawana, V'ehxness, and Eva with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, now that was one really dangerous battle.

May: And we uncovered and stopped a dangerous cult and murderous powerhungry family that's plagued New Eridu.

Lincoln: And we avenged the lives of all those who lost their lives when The Hollow Disaster hit.

?: You said it.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long silver hair, dark blue eyes, white angel wings, she has a silver greatsword in her right hand, and she has on a grey-colored two-piece bikini.

Lincoln: (GASPS) Taryn Tinaira, Queen of The Tinairans of Planet Tinaira.

Nico: No way, the only Tinairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Taryn Tinaira, Queen of The Tinairans of Planet Tinaira, she's Lincoln's Guardian Angel from Planet Tinaira, a planet of endless tin and wind and inhabited by powerful warrior angels known as The Tinairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of tin and wind, she's The Queen of The Tinairans of Planet Tinaira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of tin and winds times infinity, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Tinairans would send a message to him in a dream inviting him to Tinaira where he would also meet The Tinairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Goldairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Tinaira and its core into his body and Tinaira's Sun into his body to preserve their legacy. Taryn Tinaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and all the powers of The Tinairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Tinairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and winds times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Tinaira and its core and Tinaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to end their lives by tying them up with a snake-shaped device made of tin and pour boiling water on them and burning them to death.

Me: That's incredible.

Taryn Tinaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male tinairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of tin and wind times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and absorbed Tinaira and its core and its massive Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Taryn Tinaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Taryn Tinaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Taryn Tinaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and

rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Taryn Tinaira with grey gems on the gold lightning bolts and grey crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and

the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Taryn Tinaira: That's my special gift to him: Tinaira's Blessing of Divine Tin Wind Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Taryn Tinaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Tinairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us took down The Exaltists, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Icelyn Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Icelyn Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Icelyn, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Icelyn Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago

into the really huge, really strong, and really powerful wolf man we know today.

Icelyn Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Allie Maxwell got out a videotape.

Me: (GULPS) What's that?

Casey Antonio: This videotape here is from October 31st, 1996, it's been three years after Caleb's return from the dead, and this was the night Caleb returned to New York after his memories had come back.

Allie Maxwell: And every last gang member was going to be in for a living nightmare.

Allie Maxwell put the tape in and it played on the big screen and it showed New York, and it was on Halloween Night in 1996, and then, a familiar figure was seen walking back to New York, it was none other than Caleb Maxwell.

Past Caleb Maxwell: How long has it been since my death all those years ago? This city has changed so much, but the crime rates, they've risen. But, at least, The Syndicate is no more. No, even if The Syndicate is no more, its members are still alive, including my heartless brother and my father, the ones who orchestrated this whole organization.

Meanwhile, back at The NYPD Precinct in Manhattan, the Nightshift has been busy with the reports of this new gang, The Big Claw Gang, and that they've been on the rise since 1993 with the fall of The Syndicate, and Allie Maxwell, Caleb's sister, has been busy with her last year as a senior in High School.

Past Allie Maxwell: This new gang's certainly been making progress, but the police are unable to catch them. It's as if they're that good at what they do, but looking back, Drake was always nothing more than a thug and a monster who enjoys going on rampages.

But, then, Allie Maxwell felt sick to her stomach as an overwhelming feeling of darkness surged through her. That of course got the attention of the others.

Past Jack Howard: Allie, are you okay?

Past Allie Maxwell: I'm...I'm okay, I think I'm going to head home.

Allie Maxwell ran back to the family apartment, but she also ran past someone, and that someone was her older brother, Caleb, and the nausea came back even more. She got back inside the family apartment and she ran to the bathroom.

Past Allie Maxwell: My God, was that Caleb? What's he doing back here? Wait, is he here to get his revenge on Drake and Dad and all those who made his life a living Hell?! Oh man!

Allie Maxwell was left with that haunted thought of seeing her brother back in New York, and she had the feeling trouble was going to begin and Caleb was going to get revenge on those who made his life a living Hell as the video ends.

Me: Oh man...!

Nico: So, this was the day Caleb returned to New York, and he would seek revenge on those who made his life a living Hell.

Lincoln: The eleven-year anniversary of The Hallowshade Bloodbath, so he chose that day to come back home.

Casey Antonio: And Allie falling ill while in the precinct was the sign of Caleb's return.

Jack Howard: And we were kept in the dark about it.

Captain Whitten: Only I was the one who knew about Caleb's return from the dead in 1993 and when I saw him again in West Virginia. I didn't want anyone to know about this, not even the rest of Caleb's family.

Allie Maxwell: Because of Drake Maxwell running loose, but that would eventually be made public due to Caleb killing his thugs in West Virginia.

James Blunt: Even though I wiped your memory of what Caleb did, Whitten, your ties to Caleb were still strong even after the years had passed.

Michael: If a mortal who has ties to us vampires also forges ties with those who helped him in life, they develop a natural immunity to our mental powers, but that also makes them susceptible to our true vampiric nature.

Brittney: How is that even possible?!

Adrian Matthews: Trevor, Caleb, and I had this power for years, and none of the lowlife relatives of Marcus Maxwell and even Drake Maxwell knew about it at all. This made us a danger to those lowlives and they tried to kill us only to get killed by Caleb Maxwell, the first of the three humans who have ties to the vampires.

We got a shower, and then, Lincoln, Molly Williams, and Haruko are heading to Coral Capers, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Molly Williams and Haruko and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Molly Williams and Haruko had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Molly Williams: Wow, we're here in Coral Capers, it's so beautiful.

Lincoln: You said it, Molly, and it's perfect for our first date. Shall we?

Lincoln, Molly Williams, and Haruko and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Molly Williams, and Haruko, and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Molly Williams, and Haruko and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Molly Williams, and Haruko and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw The Supreme Deity from The Seven Deadly Sins coming after them.

Anna Anyanova: Oh no, The Supreme Deity from The Seven Deadly Sins.

Lincoln: What the?! I got her.

Lincoln went after The Supreme Deity from The Seven Deadly Sins and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Supreme Deity and he began absorbing her and he assimilated The Supreme Deity's Mother Deity and Goddess Physiology which was converted into Father God Physiology, Holy Magic, Possession, Cursing, Creation, and Intangibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of The Supreme Deity's energy and she was sent to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Molly Williams, and Haruko and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Molly Williams, and Haruko and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Molly Williams, and Haruko and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Molly Williams, and Haruko and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Molly Williams, and Haruko Glynda Goodwitch and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Molly Williams, and Haruko and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy

Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln slowly unlatched his fangs from the right trapeziuses of his harem as they healed and the puncture marks sealed up, and he also kissed where we bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Coral Capers, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Molly Williams and Haruko with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Molly Williams and Haruko are in your harem, Linky.

Molly Williams and Haruko showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The Supreme Deity from The Seven

Deadly Sins came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed her and assimilated all of her powers and abilities, and I sucked out the last of her energy and sent her to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still

imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy,

Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for an awesome Skylanders adventure.

Nico: Who's next?

Me: Harry Potter, Timmy Turner, Twilight Sparkle, Merlin (Disney), Ginny Weasley, Deja Vu, Blastermind, Enigma, Spyro, Magic Man, Star Man, Storm Eagle and Spark Mandrill.

Nicole: And we're going after Rage Mage.

Me: WHOA!

Nicole: And we're going to meet one of Ash's friends in the Johto Region that he and friends met. You'll like it.

Nico: Okay.

We went into the Simulator and went it activated and we were in a field and we saw a cabin and there was a bunch of Hoppip and many kinds of Grass Pokemon.

Me: Wow! Look at all the Hoppip.

Poromon: Awesome!

Qin: There's Vileplume, Oddish, Gloom and Bellsprout too.

Ash: We're in front of Mariah's house.

Me: Who is Mariah?

Ash: She is a Weather Monitor that we met that uses Hoppip to monitor and predict the weather.

Hoppip: Hello, fellow Hoppip!

The Hoppip are happy.

?: Oh wow! Team Loud Phoenix Storm. Ash and Misty and Brock it's great to see you gain.

We saw Mariah.

Me: You must be Mariah. It's a pleasure to meet you. Ash and friends told us a lot about you.

Mariah (Johto): It's a pleasure to meet you too J.D. You and your friends have done so much.

Me: Well we all did together.

Mariah (Johto): (See's Team Rocket) Hey Team Rocket!

Me: Whoa easy there. They aren't with Team Rocket anymore. They got canned before we destroyed Team Rocket entirely.

Nico: It's true. And you won't believe who their boss was.

Me: His name was Giovanni and he was the Gym Leader of the Viridian City gym in Kanto.

Mariah gasped!

Me: I know. They had no idea that their boss was a gym leader working among them too.

Mariah (Johto): That is crazy! I'm glad he is gone.

Me: Yeah.

Eli: But if it makes you feel better, Jessie, James and Meowth have a really poor performance review. Zero Pokemon caught.

Mariah (Johto): That is good.

Hoppip: Who wants some beer?

Mariah's Hoppip were confused.

Mariah (Johto): Pokemon that drink beer?

Me: Believe me we get asked that every time and it is crazy.

Hoppip: I can tell they never saw beer before.

Me: I don't think they like the taste of it.

Hoppip: Oh you're right.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: Hoppip is my mascot Pokemon!

Mariah (Johto): A Digimon with his own Hoppip. That is so cool.

Me: It sure is.

Nico: Yep.

WE HEARD A REALLY LOUD ROAR!

Me: UH OH!

Nico: What was that!?

Lola: LOOK!

We saw a GYARADOS MADE OF BLOOD! IT WAS A RED GYARADOS WITH PIERCING RED EYES AND IT WAS REALLY

ANGRY!

Misty screamed in horror and shock and fear!

Lincoln: (GASP) OH MAN! That's Misty's kuma, Carnagyarados! The Hypothetical Akuma of Misty and she is a Gyarados made of blood! She has an EXTREMELY VOLATILE TEMPER and is as dangerous as 20 Gyarados that are madder than a hippopottamus with a hernia! She was made because of Butch and Cassidy's false fortune about her being a Gyarados type and vowed to kill by blowing them into oblivion with a Red Hyper Beam Blast!

WE GASPED!

Me: HOLY SHIT!

Poromon: I see they were right!

BLANG!

Misty hit Poromon on the head with a frying pan!

Misty: YOU SAY THAT AGAIN AND THAT WILL HURT WORSE!

Nico: MISTY!

Ash: Misty hates being compared to a Gyarados. A bogus book Butch & Cassidy said she's a stubborn loner who rarely listen to the wise advice of others. She's frequently grouchy and irritably and always lose their temper.

Me: Man that is cruel!

Qin: No kidding!

Poromon: But look at what we're seeing!

Me: Misty you said that a Gyarados like that would be something out of your WORST Nightmares!

Nico: Yeah!

Misty: You're right! I did say that.

Me: Lets go battle it. Nico get the Cascade Akuma Ball ready.

Nico got it out.

Hoppip: Fellow Hoppip. Attack!

Me: Allow me to help too!

Carnagyarados charged up an intensely powerful RED HYPER BEAM BLAST!

IT FIRED AND IT WAS AN INTENSELY POWERFUL BLAST!

I FIRED A MASSIVE RAINBOW FIRE KAMEHAMEHA BLAST!

The Hoppip fired a POWERFUL SOLAR BEAM BLAST!

The blasts all combined and the blasts collided and our blasts overtook it and they hit Carnagyarados and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THE EXPLOSION BLASTED HER DOWN!

But she wasn't finished yet!

Me: WHOA! That was intense!

Nico: HOLY COW! But it's not done yet!

May: Lets show an awesome Z-Move Manaphy!

Manaphy: Lets do it!

She flared up a Fairy Aura!

May: BRING THE LIFE OF NATURE AND BRING THE LIGHT OF FAIRIES WITH BEAUTY AND Z-POWER!

She channeled a Fairy Aura into Manaphy!

May: Manaphy use SAMIYA NATURE LIFESTORM!

She formed a powerful Symbol of Nature and Water and then charged up an intense nature beam and then fired and it hit Carnagyarados and exploded with intense and incredible power!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down and fainted!

Me: HOLY SHIT!

Qin: WOW! WAY TO GO MAY AND MANAPHY!

Me: That was powerful!

Manaphy: YEAH!

May: I'm so Proud of you!

Manaphy: YEAH! We did it mama!

Nico: My turn now! Akumaball go!

He threw it and caught Carnagyarados!

CLICK!

Me: Caught it!

Nico: YEAH!

?: WOW! That was intense! Lets see you last against my rage!

We saw RAGE MAGE!

Me: Rage Mage!

His anger was flaring up our auras intensely!

Me: Your hatred and rage are making us stronger.

Rage Mage: Well, it's decreased now that I saw the fireworks!

Me: Battling Akuma's of the Gym Leaders that Ash Met is proving to be really fun.

Qin: It sure is.

Nico: I have a feeling that Lt. Surge's akuma is a Raichu made of Black Lightning.

Qin: That would be cool!

Rage Mage: No kidding. Lets dance!

Blastermind: MIND OVER MATTER!

Enigma: OUT OF SIGHT!

Deja Vu: DID THAT JUST HAPPEN?

Spyro: ALL FIRED UP!

Rage Mage: Bring it on!

I fired waves of energy and fire and blasted him.

Me: Taste these arrows.

I used Dark Cupid's ridewatch and got his bow and arrows.

I fired numerous arrows and they hit him and REALLY INFURIATED HIM!

HE SUPERCHARGED OUR AURAS INTENSELY!

Me: Now that's more like it.

Harry Potter fired a magic blast from his wand.

Timmy and Twilight fired waves of magic.

Merlin and Ginny and all of us fired waves of magic and energy and blasted him.

Harry Potter, Timmy Turner, Twilight Sparkle, Merlin (Disney), Ginny Weasley, Deja Vu, Blastermind, Enigma, Spyro, Magic Man, Star

Man, Storm Eagle and Spark Mandrill: MAGICAL FRIENDSHIP FURY BLAST!

They fired waves of magic and blasted him down!

RAGE MAGE DEFEATED!

He tried to crawl away

Twilight Sparkle: You're not going anywhere except in here!

She held up a purple trap and a purple vortex appeared.

Rage Mage: "Hm? Uh oh! Better cast a spell! ABRA-CADABBBBRRRAAA!"

He got sucked into the trap and was locked in it.

Rage Mage: "Okay okay, I am now going to get out of here using my rage, stand back... GGAAAAAAAHA! Did that work?! Wha- BUT THAT WAS SO MUCH RAGE!"

Me: Ha! He thinks his rage is going to get him out of that. Oh Puh-lease.

RAGE MAGE TRAPPED!

Twilight Sparkle: And as the Princess of Friendship, you need to get some major anger management classes and turn into a good guy now.

Rage Mage: "Okay okay, I'M STILL VERY ANGRY! I guess I'm just angry for good now!"

Me: Good choice.

We left the simulator.

We arrived at Maiden's Peak in the Caribbean.

Nico: Is this the place?

Me: Yep. There it is.

I pointed to Maiden's Peak.

Eileen MacKarren: I remember that rock all too well. I was waiting there for over 2,000 years for my beloved to come back. All for nothing.

Qin: That is really sad.

Me: Let me show you guys where we learned about her.

We went to the shrine of the Maiden.

We were at the shrine.

Eileen MacKarren: This is the shrine I lived in all those years ago.

We saw the painting of Eileen.

Eileen MacKarren: Oh wow!

Poliwag: Look at that.

Eileen MacKarren: That painting is me. I remember that painting of me 2,000 years ago.

Ymir: What happened to you back then Eileen?

Eileen Mackarren: I was in love with a soldier back then until he left me and sailed away to fight in a war. I swore to wait for him forever. I waited for him for a long time and hoped that I would see his ship on the horizon. But he never returned to that place again and I continued waiting and waiting. I never moved from that spot until my body was turned into stone.

Me: It was that spot there.

I pointed to where Maiden Rock once stood.

Me: She waited there for over 2,000 years.

Nico: That is really sad.

Me: I resurrected her back in 2019. On the day we set out to destroy Team Rocket.

Nico: It's true.

Me: I felt really bad for her. She spent all that time waiting for her beloved. All for nothing. I resurrected her and gave her a new life.

Qin: Because she didn't know he was dead.

Lola: That is really sad!

Ymir: Oh Eileen. I am so sorry!

Eileen MacKarren: Thank you. But I'm just glad that I'm back and get to be with my friends and help everyone.

Me: I'm glad too.

We went to the festival and had fun.

We played games, had good food and more.

Poromon ate cotton candy.

Poromon: Yummy!

Poliwag had some corndogs.

Qin: Good food though.

Lola: Yeah.

We were eating in the park of the festival.

Eileen MacKarren: I missed out on so much waiting for my beloved.

Me: Well you are catching up now because you have us.

Nico: Yeah.

Eileen MacKarren: And I'm grateful now.

Me: I don't know what war it was that happened back then but it must've been a really brutal one.

Horsea ate ice cream.

Manaphy was eating funnel cake.

Manaphy: Yummy! Huh? (Sees something) HEY! Guys look!

We saw a Donphan having funnel cake with Manaphy.

Me: Hey a Donphan!

Nico: Cool!

Qin: Awesome!

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Sheena: It is. Her name is Ellie Pachydermius. She is half of Trumbipular's kind.

Shanan: Wow! She's half Pachydermisapien. That is amazing.

She-Hulk: Is that what Trumbipular's kind is? Wow!

Nico: Very cool.

Me: Lets go help her.

Beast Wars Ironhide: Let me help too. Ironhide, MAXIMIZE!

He transformed.

We went over to her.

Me: It's okay.

She looked at us.

Me: She must like peanuts.

I pulled out my peanuts I bought.

Me: I wasn't hungry for these.

I gave them to her.

She smelled them and ate a couple of them.

She was happy.

Me: There you go.

I snapped my fingers and she reverted back.

She was a girl with black hair and blue eyes and had black angel wings and had Donphan on her forehead and had a big peanut and some peanut butter with Trumbipular on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke up.

Ellie Pachydermius: (Groans) What hit me? (Sniffs) Ooh! I smell peanuts.

I gave the bag to her.

Ellie Pachydermius: Thanks.

Me: Trumbipular loves peanuts too. Also you were turned into a Donphan by Dark Gale.

Ellie Pachydermius: Oh man. I was fighting Trumbipular. Kind of crazy isn't it.

Me: I guess Trumbipular was a huge criminal on the home planet he came from.

Shanan: Trumbipular comes from the planet of Ivorius.

Me: Interesting. And poachers for years have hunted elephants for their tusks to sell on the black market.

Ellie Pachydermius: That's right. Trumbipular was raiding a massive peanut factory. Peanuts are a massively popular food on Ivorius.

Me: I can see why.

Nico: Yeah.

Qin: Also for years it was thought that elephants eat peanuts but that was proven to be just a myth.

Ellie Pachydermius: I can see that. We need peanuts to increase our strength and size. As I'm sure you saw in Trumbipular's case.

Me: Yep.

Nico: He's actually with the Masters of Evil now.

Ellie Pachydermius: I heard about that. I'm glad.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new grey clothes and a Peanut Sword.

Ellie Pachydermius: I look amazing.

Me: Yep.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We may not have a mission for today since today's the anniversary of Xehanort's fall, but I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Osial, The Overlord of the Vortex from Genshin Impact, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man!

Me: Lincoln, don't tell me! That was...!

Lincoln: Osial, The Overlord of the Vortex from Genshin Impact, and he's coming to destroy us.

Alexandra Emerson: So, we're facing the ancient God of Water from Genshin Impact, this will be quite the challenge.

Lincoln: But, we've dealt with many evil Gods before, and with all the training we've done in the past eight years, we've become stronger than ever.

Nico: This should be interesting to see for ourselves. Alright, now let's get to the park.

Lincoln: And stop Osial, The Overlord of the Vortex so I can absorb him.

Alexandra Emerson: You made a huge mistake coming after us, Osial, Overlord of the Vortex, now you're going to pay for all your crimes!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to the park to hunt down Osial, Overlord of The Vortex from Genshin Impact, so Lincoln can absorb him.

We arrived in the park.

Nico: Alright, now where's that ancient God of Water.

Eli: (Sensed him) Over there, but it looks like Lincoln had him frozen in suspended animation.

We ran over, and right where Eli said, we found Osial, The Overlord of The Vortex frozen in suspended animation thanks to Lincoln's powers.

Me: What the?!

Nico: (To Lincoln) Lincoln, when were you going to tell us that your powers have evolved to the point of you acting immediately before we face a dangerous threat?

Lincoln: I don't think you want to know the answer.

Me: Good idea, I don't think any of us want to go crazy.

We then turn our attention to Osial who tried to get out, but couldn't.

Osial: Curse you, Team Loud Phoenix Storm. When I get out of this, you will all be burned alive!

Suddenly, the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbing around my legs, the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around Lincoln's legs, the large planets orbiting around the Loud Sisters and Parents' legs, the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around Nico's legs, the 105 large colored planets orbiting around Crash Bandicoot's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the 105 multi-colored orbs orbiting around Lachlan McLoud's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the 105 large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the 100 large aqua blue planets orbiting around Girl Jordan's legs, the 25 large crimson red planets orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the fifteen large marine blue planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the 999,999,999,999,999,999,999,999,999 large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the fifteen large ocean blue planets orbiting around Varie's legs, the eight large aqua and ocean blue orbs orbiting around William Dunbar and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln blasted Osial with rainbow, white, golden yellow, and blue energy blasts and elemental forces and fired Omega Beams at him as well.

We were amazed by Alexandra Emerson's transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits Osial as he screamed in pain as he got burned badly by Lincoln's acid blood.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Osial, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Alexandra Emerson, Super Brother, Nico, and I went after Osial, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Osial, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claw and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Alexandra Emerson did the same by firing dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Alexandra Emerson, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Osial off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Osial and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Osial and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Osial began growing weaker as all his powers was being sucked out of him one at a time and was pumped into Lincoln, and Osial roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Osial, and Lincoln sucked out all of the remaining energy in Osial and banished Osial to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Alexandra Emerson's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white and golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller white and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized white and golden yellow planets orbiting around her wrists and ankles, and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath her enormous white angel wings are permanent.

Alexandra Emerson: This where it ends for you, Osial, and this is goodbye and good riddance. Thanks for helping me get rid of Osial, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Alexandra.

Me and Nico: Our pleasure, Alexandra.

Suddenly, Alexandra Emerson wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rachel Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Rachel Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Osial.

Me: He got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Blizzed, Defender of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Blizzed, Defender of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Alaska Frostine, Avatar and Gene-Slammer of Blizzed, Defender of the Ice Barrier, and you guys are gonna like meeting her and she's also from the past of James Blunt and Cage Blunt, Alaska Frostine, Avatar and Gene-Slammer of Blizzed, Defender of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier. She's The Ice Defender of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Alaska Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Alaska Frostine knew James Blunt was a vampire same with Cage Blunt, and she knew that James Blunt took Caleb Maxwell in after he came back from the dead in 1993, and he'd been looking after him, and when she saw James Blunt get Caleb Maxwell to open his heart and let his emotions out once again, she thought it would end in blood because of the very toxicity and darkness that poisoned him, but when she saw Caleb Maxwell hug James Blunt and cry his heart out for the first time since his death, she knew Caleb needed help, and James Blunt would be the one to help him, and two years later, when Cage came back, she saw him reconcile with Caleb and Caleb cried tears once again, but not of pain or despair, but of pure happiness.

WE GASPED!

James Blunt: Ah, yes, I remember her all too well. She knew I was a vampire along with Cage, and I'd sensed she was no ordinary mortal since the angel wings were a dead giveaway along with the ice powers.

Nico: How were you not even affected by the cold?

James Blunt: (Smirks) Because I'm an undead immortal vampire, that's why.

Caleb Maxwell and Allie Maxwell: Ask a silly question, you get an obvious answer.

James Blunt: That and the heat of West Virginia during the summer didn't affect me that much, well if you count sweating my tail off doing hard work in the yard.

We were watching TV and some of us were resting. The Ripping Friends, May and Lincoln were taking a nice refreshing dip in wet cement.

Me: Sure is a nice day.

Grizzly: (to Iron Man) You should take care of that Magearna

Iron Man: I will.

Golden Gutt: (To Clyde) And Clyde you should take care of that Farfetch'd.

Clyde: Oh I will.

BASH!

Farfetch'd hit me on the head!

Me: OW! Why you little!?

Nico: Easy now.

Me: Sorry.

Clyde: Now now Farfetch'd don't hit our friends.

Farfetch'd: Sorry.

Manaphy was working on something

Manaphy: Oh looks like somebody generated a electroplasmonic energy orb. Boo yah!

Back with the rest of us, a blast shakes the Estate and Poromon jumps, dumping his coffee onto his head.

Me: What in the name of!

Poromon: Augh! Horsea, no weapons testing indoors!

Horsea: Wasn't me!

Poliwag: It's Manaphy, Poromon! She's been in her lab for several hours

Poromon: Manaphy?

The door opens and Manaphy stumbles out, smoking.

Manaphy: Everything under control, Poromon... [falls over.]

Me: Boy I've seen how bad that happens with Lisa. It's awful. What in the world are you making in there?

Manaphy: You don't understand. I haven't had a scientific breakthrough in months

Horsea: Maybe because your last invention nearly ended the universe.

Me: Like that time machine.

Poliwag: But what about your shrink ray?

Manaphy: Pfft! Small potatoes. Useless!

Poromon: [Holding up bag of potatoes that's been shrunk] Oh, I don't know. We could whip ourselves up a batch of teeny-tiny french fries.

Me: That would be silly and cool.

Manaphy: NO! There's a groundbreaking discovery somewhere in my brain just waiting to burst forth. If you need me, I'll be on the cutting edge of SCIENCE!

Manaphy then returned to her lab.

Nico: Did she forget that she used a Z Move earlier today?

Manaphy: I didn't forget that!

Me: That's good.

Qin: Yeah.

Manaphy generated another energy orb and reaches out to touch it.

Manaphy: Ahhh. [Getting electrocuted] AAAAUGHAGHAUGH-

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMM!

The energy orb explodes. After the smoke clears, she sits up and gasps. Something glowing and green oozes off of the top shelf and into a Jell-O box. She gasps again and runs forward. Out of the box springs an odd transparent green cube, which jiggles and wobbles at her. She stares for a moment, then smiles.

Manaphy: Oh wow!

We came in!

Me: Manaphy! We heard... OOH! What is that?

Nico: Looks like a block of jello.

Manaphy: Eureka!

I touched it and it jiggled.

Me: Jiggly.

The green cube saw Horsea chopping up some sushi and leaped over to the table she was at

Manaphy: No!

She rushed over to the table to find the green cube, sweeping aside some sushi pieces

Poliwag: Manaphy?

Poromon: Look, if you're tired of sushi, just say so.

Manaphy: Don't be hacked up. Don't be hacked up.

Thankfull, she saw the green cube by a sushi piece

Manaphy: Thank the maker. Which in this case is me.

Horsea: Whoa

Poliwag: What is it?

Poromon: And why is it in our chow?

Manaphy: Everyone, this gelatinous mass was brought to life by yours truly.

Poromon: Really? What's it do?

Manaphy: Not sure. But isn't it just a little bucket of adorable?

The green cube tried eating some sushi but spat it out

Me: It doesn'tlike sushi.

Manaphy: (writes down notes) All right, Jiggles does not like fish.

Poromon: Jiggles?

Me: Jiggles?

The newly named Jiggles then drank some of Poliwag's juice, growing a bit in the process

Poliwag: Hey, that's my juice.

Manaphy: Ooh, jiggles does like fruit.

Poromon: I don't know, Manaphy. Naming your scientific abomination is just asking for trouble.

Horsea: (to Jiggles) Want some apples?

Jiggles ate the apples in the nearby bowl and grew a bit more

Manaphy: They grow up so fast.

Me: Whoa it grows when it eats food. Is this jello cube safe to eat?

Manaphy: I wouldn't eat it.

Me: What is it made with?

Manaphy: You don't want to know.

We followed Jiggles.

A local fruit stand owner was selling fruit. Unknown to him, Jiggles snuck by said fruit stand and ate all the fruit. Manaphy then caught up to Jiggles

Manaphy: Jiggles! Don't you ever scare me like that again. (picks Jiggles up) Back to the lab, you little gelatinous jokester!

Me: Sure is a mischievous little guy.

Suddenly, Jiggles grew some more, making it hard for Manaphy to carry him

Manaphy: To the lab! The lab!

We went there.

At the Estate...

Horsea: I have no words

Poliwag: Manaphy?

Me: Yep.

Poromon: Should we be concerned?

Manaphy: About what, Poromon?

Poromon: (sarcasically) Oh, I don't know.

We see that Jiggles is starting to become a little big.

Me: It's huge!

Poromon: Let's start with your monster.

Manaphy: "Monster" is a bit judgmental, isn't it?

Poromon: I call him as I see him.

Manaphy: Just because Jiggles has no nervous system doesn't mean he has no feelings.

Me: Yeah.

Poromon: He's a big blob of mad science, babe.

Manaphy: Well, if she wasn't before, this scientist is mad now. Come on, Jiggles, they don't understand you like I do.

Manaphy then pushed Jiggles into the lab while keeping a mad look directed at us.

Me: (Senses it) Uh oh.

Luan: (sighs) It's gonna be another one of those days

Me: Yep it sure is.

Manaphy was in the lab with Jiggles

Manaphy: Jiggles, now that you are, you know, alive, (turns her head(I think if you are going to live here, you need to-

She turned her head back and gasped as she saw Jiggles was gone.

UH OH!

Outside in the backyard, Donkey Kong was sleeping with a pile of bananas next to him. But then, Jiggles came and ate the bananas before slithering off. Donkey Kong then woke up a few minutes later

HE SAW THE BANANAS GONE!

Donkey Kong: Hey guys. Have you seen my bananas?

Me: Your bananas? Weren't you sleeping with them just a few minutes ago?

Donkey Kong: Yes.

Me: Uh oh.

Eli: I think I know. Jiggly ate them!

Manaphy: Uh oh!

Just then, Jiggles tried to break out of the lab and we saw the bananas in him! Manaphy tried to push him back.

Manaphy: This is not how it looks!

Nico: (to Donkey Kong) We'll get back to you on that. May!

May: Right!

She froze the door.

I fired waves of ice and door with another layer of ice.

Manaphy: (chuckles nervously) Bananas indeed, right?

We looked at Manaphy unimpressed as Jiggles continued banging on the door.

Me: Boy that is a strong block of jelly!

Manaphy: Get it out of your system, Jiggles!

We then stopped hearing banging.

Manaphy: See? It's all good in the-

KRASMASH!

We then heard the sound of a wall breaking

Me: Uh oh!

We looked and saw that it busted out!

Me: Oh no! It smashed out of the wall!

We went outside and saw Jiggles rampaging in the city

Me: JUMPING CHUM BUCKETS!

Manaphy: Good golly wally! Jiggles!

Poliwag: He's gone berserk.

Manaphy: Working on it.

Poromon: So what have we learned here, Manaphy?

Manaphy: We?

Poromon: You. What have you learned?

Manaphy: Is this really the time to point fingers, Poromon?

Horsea: She's right about that.

Me: Yeah.

Manaphy: All right, I've got a plan. Horsea procures one bottle of sunscreen, pineapple coconut scented. The faux fruit odor will attract the hungry Jiggles like a bee to pollen. And then we spring a ridiculously elaborate trap.

Me: That is genius!

Qin: I got some pineapple coconut sunscreen here! Never leave home without it on a hot day.

We had the trap ready

Poromon: One question, Manaphy. After we capture your monstrosity, what do we do with it?

Manaphy: Well, I-I suppose we return him to my lab, where he will live a life of hidden shame, safe from the small-minded maniacs who can't or just won't understand him.

Poromon: Good. Make it happen.

But that's when Billy came by and saw the sunscreen

Billy: Sunscreen! Don't mind if I do!

He began spraying it on himself.

Poliwag: Billy, no!

Billy: What, too much?

Me: Billy you idiot!

But then, Jiggles appeared behind him and ate him.

Billy: Help!

Manaphy: (we look at her) What? He'll spit him out.

But that didn't seem to be the case.

Manaphy: (sheepishly) Talk about your fruitless efforts, eh?

Poliwag: We've got to get Billy out.

Poromon: Right. (to Manaphy): Give me Billy extraction options. Stat.

Manaphy: Poromon, don't you see? Billy was a Jiggles hater. You know what happens to Jiggles haters?

Horsea:...no, we don't.

Manaphy: This is what happens when you hate on my monster!

Poromon: Ah! You admit you made a monster.

Manaphy: Well. The good kind of monster. My kind!

Poromon: You've got to snap out of this, Manaphy.

Eli: Excuse me but I must discipline-

Manaphy: Oh, I see. You're all haters now. Well, see you later, science haters!

Me: KNOCK IT OFF!

And with that, Manaphy get on top of Jiggles as he slithered off

Horsea: Did she just call us haters?!

Poliwag: (sadly) She did. That makes me said.

Me: Sheesh!

?: Looks like you all are having problems.

We saw a woman with dark brown hair and brown eyes and has a brown suit on.

Harriett McGee: (GASP) Marion Hawthornia!

Marion Hawthornia: If it isn't my archnemesis! Now I can get my revenge on you for humiliating me with that stinkbomb! I lost everything because of you Harriett!

Me: You know her?

Harriett McGee: Unfortunately yes. Her name is Marion Hawthornia. She is the daughter of a prominent rich family. Years ago I she made my life a living hell and turned all my friends against me and turned me into an outcast! I got revenge on her by turning her into a loser by telling her that her father was cheating on her mom and how he doesn't love her! Then got her to reveal her true colors and she revealed how much she hates me. I got her expelled and I forgave my friends. She was disowned and cut out of her family will. She was then sent to a boarding school in North Korea. As my final act of revenge, I put a stinkbomb in her case and it went off and made her stink really bad.

Me: HOLY SHIT!

Harriett McGee: Yep. She swore to kill me.

Me: Nasty!

Nico: No kidding.

Me: But where have I seen that before. Oh right! Harriet M. Welsh. Coincidentally she was made the same thing by her Archnemesis, Marion Hawthorne. Boy what are the odds! This is a REALLY STRONG sense of deja-vu.

Nico: No kidding.

Eddy: If we don't become Jiggles food, you got to show me that.

Harriett McGee: I will do that. Who will help me with this?

Eddy: I will do that.

Kevin: Me too!

Nazz: Same here. What she did is not cool!

Me: Go get her!

Marion Hawthornia: YOU WILL PAY!

She turned into a black version of Harriett McGee's monster form! It was ANTI-TERRA BEETLE!

Anti-Terra Beetle: I am ANTI-TERRA BEETLE!

Me: WHOA!

Xenia: NASTY!

Nico: No kidding.

Me: But where have I seen that before. Oh right! Harriet M. Welsh. Coincidentally she was made the same thing by her Archnemesis, Marion Hawthorne. Boy what are the odds! This is a REALLY STRONG sense of deja-vu.

Anti-Terra Beetle: I am ANTI-TERRA BEETLE!

Me: WHOA!

Xenia: NASTY!

Maria: Backup time! (TURNS DIAL) THUNDER DRAGON 6!

She summoned Rajang, Chameleon Bot, Lightning Angler, Denki Gamma, Totem (Mega Man) and Wheel Totem (Mega Man)

Me: Yeah!

Qin: Lets get them!

Ellie Pachydermus: Let me give some help! I need some peanuts!

I gave her some!

Me: Here!

Ellie Pachydermus: Thanks!

She ate them and grew giant!

She then smashed Jiggly and Anti-Terra Beetle

Raj and Ellie: SMASHING ELEPHANT BASHER!

They smashed and pulverized them both!

Ellie was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Orla.

Orla Argit: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Rattata and Donphan and they transformed and smashed down Anti-Terra

Beetle!

I fired a beam of energy and separated Anti-Terra Beetle and we scanned her.

And I banished her to the black abyss.

They went over to her.

Marion Hawthornia: (Nervous laughter) No hard feelings?

Eddy: Yes to hard feelings!

They punched her in her face and knocked her out!

Me: YEAH!

We tied her up.

Me: Now to go after that Jiggly!

Manaphy was feeding Jiggles in a warehouse

Manaphy: True genius is never appreciated in its time, no. Not by little reckless idiots with tiny little brains! (hugs Jiggles) Sweet, oozing jiggles, you are the only life form who understands me.

But just then, Jiggles ate Manaphy.

Manaphy: But...we had an understanding.

Billy: Oh, now it's a problem, heh?

Manaphy: How could I have been so blind? What have I done?

Billy: I'll tell you what you've done: gone nutso!

Manaphy: There must be a way out of this!

Billy: Well, it hates fish, right? So, assuming the others are even bothering to save us, Mevya can probably dive inside of it.

Then an ice blast hit the Jiggly and froze it!

May: NO ONE IS HURTING MANAPHY!

Billy: Hey! We're still inside!

KRABLAM!

Mandy punched Billy in his face and smashed him into the ground.

Mandy: Shut up you braindead freak. I'm going to smash every single bone in your body when we get back.

Billy: Hey. Manaphy was the one who made the monster!

Me: But you helped her you soynut brained numbskull!

May: Manaphy we're going to get you some SERIOUS therapy when this is over.

Me: Lets just stop this Jiggly and end this nightmare.

Nico: Harriett, out of the 3 who helped you, who do you feel is your sibling?

Nazz: I am.

Harriett: Because she and I like the same things.

Eddy: Awesome!

Nico: Yep

Billy: Seriously, me and Manaphy are still inside the monster!

Eli used the force and pulled them out.

Me: Okay. Now lets get rid of this creature! I would call this a crime against nature!

Manaphy: About before-

Horsea: No hard feelings.

Poliwag: As long as you take back the haters part

Manaphy: I take it back.

Poliwag: Good.

I fired a wave of energy and blasted it into dust!

Me: WHEW!

Poromon: Now Manaphy. What have we learned today?

Manaphy: Not to mess around with the laws of nature.

Me: And?

Manaphy: Have science believers all the time?

Me: And?

Manaphy: I'm sorry.

Poliwag: Instead of a mad scientist, be a glad scientist

Me: Yeah.

Qin: The last thing we want is a mad scientist mascot.

Manaphy: Okay I get the idea.

Qin: Good.

Manaphy: Oh Nico, which Gene Slammer do you think you'll meet next?

Me: I was wondering when you would ask the mandatory question.

Nico: Elemental HERO Shadow Mist next.

Qin: Cool!

Me: Dark!

We went back home.

But then...

MASSIVE AND INTENSE FIGHT NOISES!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

BILLY SCREAMING IN AGONY!

BILLY WAS BEING MERCILESSLY THRASHED!

Manaphy (to Mandy): Beating up Billy isn't needed. I take full responsibility. All he did was stupidly waste the bait

Mandy: Which was stupid for whole thing.

Manaphy: You're right.

Mandy stopped.

After all the trouble with the Jiggly was over, I went out on a walk.

I was walking over in Canterlot. I looked up at the sky and saw the moon.

Me: The prophecy is fast approaching. And I need to know where Twilight Sparkle of Sunny's world is.

I went to the Canterlot Library and walked around and then as I sat on the sofa...

CLICK!

I felt something click and then there was a rumble and the floor in the middle opened and revealed a hidden staircase.

Me: (GASP)

I went down the stairs and in the middle of a room was a huge door and it had Twilight Sparkle's cutie mark on it.

I went over to it and opened it and it was a HUGE ROOM full of royal history! It had stained glass windows full of all the great achievements of Twilight Sparkle and friends all in Chronological Order. The Defeat of Nightmare Moon, Saving Equestria from Discord, Cadance and Shining Armor's Wedding, Freeing the Crystal Empire, Twilight's Ascension into Being an Alicorn, Twilight saving Sunset Shimmer from herself in The Human World, Twilight and friends defeating Tirek, Twilight getting her castle, Helping Sunset and friends In Defeating the Sirens, Redeeming Starlight Glimmer, Flurry Heart's Crystaling, Liberating the Changlings from the Queen, Returning the Pillars of Equestria and defeating the Pony of Shadows, Destroying the Storm King, Opening the School of Friendship, Imprisoning Cozy Glow, the Fall of The Legion of Doom, And so much more. Including where she and her friends sealed the magic and defeated Opaline and the Legacy of Twilight Sparkle, Sunny Starscout and her friends, reuniting all of Equestria and restoring Twilight's name!

Me: Wow!

In the center of the room in a crystal sarcophagus was TWILIGHT SPARKLE OF SUNNY'S WORLD! She was taller and in a state of huge hibernation.

Me: (GASP) Twilight!

I went over to her.

Me: Twilight, I will fulfill the Prophecy. I will not let everything you sacrifice be destroyed. I swear it!

I unsheathed my sword and held the blade on the coffin.

Me: Me: (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a fall!

RAINBOW LIGHT AND ENERGY SWIRLED AROUND ME!

I SWORE THAT I WOULD FULFILL THE PROPHECY AND BRING BACK EVERYTHING THAT OPALINE DESTROYED AS WELL AS BRING BACK ALL OF EQUESTRIA INTO THE WORLD!

My power was enhanced INFINITY FOLD AND WHEN OPALINE'S DEATH COMES SHE WILL FEEL OUR COMBINED POWER!

Me: Twilight I will not fail you ever.

I returned home and told Nico and everyone what I found and it was shocking for them.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: That was one awesome day.

Anna Anyanova: And of course, it was also crazy that Manaphy created that gelatin monster.

?: (Beastly Gruff Manlier Voice) But, she learned her lesson and Billy got another thrashing for being stupid again.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome chapter and mascots misadventure done.

This was a funny one.

Alright, and now, for tomorrow, the match-up scene is for Merlona Wizardheart, Keyblade Knight of Dreamlight Valley, and she and Lincoln are going to destroy Saiki, one of the main antagonists in The King of Fighters franchise

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to the ruins of Raccoon City, but we got bad news: William Birkin, the creator of The G-Virus and the source, has returned from The Black Gates, and in his mutated form. We've had a bad feeling that one day Birkin would return along with another familiar face: Albert Wesker, the bastard responsible for betraying Chris Redfield, Jill Valentine, and The S.T.A.R.S. Alpha Team unit when they went to The Arklay Mansion. Anyways, we're going to meet up with Chris Redfield, Claire Redfield, and Leon Kennedy along with Jill Valentine and another survivor of The S.T.A.R.S. Bravo Team unit, Rebecca Chambers, and we're going to hunt down William Birkin and destroy him with a special antidote Lisa had made with the help of Annette Birkin, it'll destroy him for good and send him to The Black Abyss, then, we're gonna piss Wesker off by killing his sister, Alex Wesker, who's just as unhinged and powerhungry as her brother, and this'll let him know that he's next when we face him on a future rescue for Nico.

And we're going to meet Alaska Frostine, Avatar and Gene-Slammer of Blizzed, Defender of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier. She's The Ice Defender of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Alaska Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Blizzed, Defender of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Alaska Frostine knew James Blunt was a vampire same with Cage Blunt, and she knew that James Blunt took Caleb Maxwell in after he came back from the dead in 1993, and he'd been looking after him, and when she saw James Blunt get Caleb Maxwell to open his heart and let his emotions out once again, she thought it would end in blood because of the very toxicity and darkness that poisoned him, but when she saw Caleb Maxwell hug James Blunt and cry his heart out for the first time since his death, she knew Caleb needed help, and James Blunt would be the one to help him, and two years later, when Cage came back, she saw him reconcile with Caleb and Caleb cried tears once again, but not of pain or despair, but of pure happiness.

Next up is Yusuke's day to shine and we're going to battle Mr. Iwamoto and we're going to send him to prison.

See you all next time.

Hypocrisy of a Delinquent Teacher

Yusuke's day to shine

In the early morning hours at 11:25 PM, Lincoln had a dream, and he saw four figures hiding out and living in Shroom Ridge. But, there were no ordinary four figures, they were Jacqueline Goodwitch, Nathaniel Goodwitch, Vivianna Goodwitch, and Cynthia Goodwitch, children of Lincoln's future wife, Glynda Goodwitch. Lincoln woke up from the dream, but he wasn't the only one, Glynda Goodwitch, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Glynda Goodwitch: And it also means that we found out where our kids are at.

Me: They're at Shroom Ridge.

Nico: The fourth and last race course of the Flower Cup in Mario Kart DS? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Glynda Goodwitch, Black Alpha, Me, and Nico were heading to Shroom Ridge. Then, Lincoln saw a tall and slim 16 years old girl who has light skin, bright green eyes and platinum blonde hair styled in high twin pigtails tied with black ribbons. She wears a short-sleeved black shirt with side pockets under it, a black skirt with a black leather belt, a white shirt with a black tie, black knee-high stockings with visible suspenders, and dark yellow heels. A tall and slender 15 years old boy who has fair skin, bright green eyes and medium fluffy platinum blonde hair parted to the left with a black pilot hat with a white skull insignia. He wears a short-sleeved black winter coat with a golden fur collar, white shirt, a black belt, black pants, and white knee-high boots. A tall and slender 14 years old girl who has light skin, bright green eyes and a platinum blonde bob-cut hairstyle. She wears dark gray, short-sleeved crop coat with a golden fur collar and cuffs, black tank top, white shorts with white belt, black thigh-high stockings, and black low-heeled boots with dark yellow lining. And a young 10 years old girl who has fair skin, bright blue eyes and platinum blonde hair and two straight-down twin tails each with a hair band on the lower end and a big black bow was also placed on the left side at the back of her head. She wears a black and dark yellow jacket with dark yellow short sleeve shirt and tan vest, black cargo shorts, dark gray leggings, and dark yellow flats with black soles and ribbons around her lower legs. Lincoln saw who they were, they were Jaqcueline Goodwitch, Nathaniel Goodwitch, Vivianna Goodwitch, and Cynthia Goodwitch.

Lincoln: Excuse me, are you Jacqueline, Nathaniel, Vivianna, and Cynthia?

Jacqueline Goodwitch: Of course we are. Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Glynda Goodwitch came out, and when Jacqueline Goodwitch, Nathaniel Goodwitch, Vivianna Goodwitch, and Cynthia Goodwith saw her, they were stunned.

Nathaniel Goodwitch: Mother?

Glynda Goodwitch: I'm here, my children.

Jacqueline Goodwitch, Nathaniel Goodwitch, Vivianna Goodwitch, and Cynthia Goodwitch ran up to Glynda Goodwitch, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you four should know, Glynda, your mother is one of my many future wives.

Jacqueline Goodwitch, Nathaniel Goodwitch, Vivianna Goodwitch, and Cynthia Goodwitch: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Jacqueline Goodwitch, Nathaniel Goodwitch, Vivianna Goodwitch, and Cynthia Goodwitch with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Jacqueline Goodwitch, Nathaniel Goodwitch, Vivianna Goodwitch, and Cynthia Goodwitch to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Glynda Goodwitch with her kids, and Jacqueline Goodwitch, Nathaniel Goodwitch, Vivianna Goodwitch, and Cynthia Goodwitch now has a loving, strong, brave, and caring father in their life. We went back to sleep.

* * *

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless darkness, desire, and Succubi and protected by powerful omnipotent angels, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural night hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and the females have the voluptuous looks and bodies to prove it, and they are masters of seduction and have vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, incredible godly powers and immense female fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up, and he had a nosebleed upon seeing the females.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was

Succubara, planet of endless darkness, desire, and Succubi in The Forbidden Zone and protected by powerful omnipotent angels known as The Incubarians, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural night hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and the Succubarians have the voluptuous looks and bodies to prove it, and they are masters of seduction and have vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, incredible godly powers and immense female fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, the Incubarians and Succubarians would send a message to him in a dream inviting him to Succubara where he would meet The Succubarians and The Incubarians and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Incubarians into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Succubara and its core into his body and Succubara's Sun into his body to preserve their legacy.

Lincoln: Whoa! Oh man, I remember going to Succubara, but my Guardian Angel helped me out with that when she trained me in everything she knows.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Succubara.

Lincoln landed on Planet Succubara, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Succubara, it's just like Planet Eroticaira, and I almost got that close to giving into the urge to have sex with my Guardian Angel and the Succubarians there.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever, but I'm glad you had control over those kinds of urges.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, he has long black hair going down to his shoulders, purple eyes, massive black angel wings, he has on a purple loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Lucifer Incubara, King of The Incubarians and Succubarians of Planet Succubara.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Lilith Succubara.

I did say I've been here before to Succubara eight years ago.

Then, all of the other septillions of trillions of male Incubarians came to Lincoln.

Lucifer Incubara: That's correct. (Smiles) And you've grown that much stronger and also much taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Lucifer Incubara chuckled.

Lincoln: And there's something I need to tell you.

Lucifer Incubara: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Lucifer Incubara chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Lucifer Incubara: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Lucifer Incubara and the other septillions of trillions of male Incubarians embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a black and purple aura with shadows surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF

ROAR)

Lucifer Incubara: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Succubara, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Succubara, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and

the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Succubara's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix

feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Succubara, planet of endless darkness, desire, and Succubi in The Forbidden Zone and protected by powerful omnipotent angels known as The Incubarians, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural night hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and the Succubarians have the voluptuous looks and bodies to prove it, and they are masters of seduction and have vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, incredible godly powers and immense female fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, the Incubarians and Succubarians would send a message to him in a dream inviting him to Succubara where he would meet The Succubarians and The Incubarians and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Incubarians into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, seduction, desire, shadows, and psychic manipulation, and the immense omnipotent powers of the Incubi times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Succubara and its core into his body and Succubara's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but when he showed us what the Incubarians and Succubarians looked like: the male Incubarians who'd spent their lives fighting and proved their manly virile dominance were really tall godlike manly virile men and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies which drove many females wild and the female Succubarians had the beautiful looks of the Goddesses of ancient times and voluptuous busty bodies to which drove many males wild.

SUDDENLY, IT WAS NOSEBLEED LAUNCH MAYHEM TIMES INFINITY FOR BOTH FEMALES AND MALES!

Maria: HOLY SWEET MOTHER OF ALL THINGS HOT AND STEAMY!

May: HOT DAMN! SO THAT'S WHAT THE MALE INCUBARIANS LOOKED LIKE!

Me: ALONG WITH THE FEMALE SUCCUBARIANS!

Nico shook his head.

Nico: Oh man, I remembered hearing about that planet! It's just like with Eroticaira.

J.D. 2: Yep, just like Eroticaira, Succubara has the same kind of effect on both males and females, the aphrodisiac air of the planet makes them full of lust and sexual hunger as the males feel like they're in permanent rutting season as their bodies are overcome with sexual desire, hunger, and lust and they feel their bodies becoming hot and the females feel like they're in permanent heat.

Lincoln: I felt my body become even hotter and I started feeling the sudden urge to mate with my harem yet again, I'd been to Succubara long ago, and I almost got close to giving into my urges and having sex with the Succubarians. But, my Guardian Angel there had trained me in everything she knows.

J.D. 2: Thank goodness...!

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) Wait, is Nicole awake?!

I looked and saw she was still sleeping, but then, I tiptoed to her bed, and when I removed her blanket, there was a training dummy of her!

Me: IT'S A DECOY! She found out!

Everyone screamed!

Lincoln: Okay, hold it!

We stopped.

Lincoln: Look, all I need to do is suck in all the blood into my body and Nicole won't find out, but we need to keep this secret, got it.

But, Nicole was right behind Lincoln.

Nicole: I already know about it, Lincoln.

WE SCREAMED!

Nico: Nicole?!

Nicole: But, I had a feeling it was about this. Last night, your barrier became infinite-times stronger when you came back, Lincoln. I was still sleeping, and you guys know what happens around me, but you know I wouldn't kill my own father, nor you, Lincoln, or any of our teammates.

We breathed a sigh of relief. Then, Lincoln stepped into the dining room, and he sucked in all of the blood from the nosebleed mayhem.

Lincoln: Ah, now that was good.

Yusuke was sleeping. Dustox came in and flew to him.

Yusuke: (Snoring)

Dustox: Yusuke it's time to wake up.

Yusuke: (Snoring)

Dustox: Yusuke?

Yusuke: (Mumbling) Oh Keiko I would love to have kids with you.

Dustox: Okay buster you asked for it.

The mascots then came in and they jumped on him!

KRABOING!

Mascots: WAKEY WAKEY YUSUKE! WAKE UP WAKE UP WAKE UP!

He was woken up.

Yusuke: Okay okay I'm up guys. Sheesh!

Dustox: Sorry Yusuke. Time for breakfast.

Yusuke: Be right there.

He went and got dressed and went to the table.

Me: Morning Yusuke. Ready to kick some butt?

Yusuke: You know it.

Hiei: For a fool he knows how to wake up.

Kuwabara: We're just excited Urameshi.

Me: Yep.

We gave him pancakes and all kinds of food.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the Alt. Lila Rossi, and she's still causing trouble.

Alt. Chloe: Lila! I knew she'd be causing trouble again!

Chloe: It's time.

Marinette: Yep.

Lincoln: We'll leave exposing her to Nico and J.D., and with the proof of all her crimes in the past that my Guardian Angels had gathered on her, she's done for. Alright, let's finish breakfast and head to the Alt. Paris to get rid of Alt. Lila Rossi.

Nico: That heartless lying bitch is done now, we'll rip her to shreds and burn her body to ashes!

We finished breakfast, and we deployed The U.S.S. Valorous Phoenix and headed to the Alt. Earth in the Cartwheel Galaxy to expose Alt. Lila Rossi, clear Alt. Chloe's name, and get Alt. Lila Rossi exposed by showing the people of Paris what kind of monster she is! And after she's exposed, we're going to help Celica of Fire Emblem unlock her Rainbow Power and send Alt. Lila Rossi to The Black Abyss for eternity.

Meanwhile in Anti Monitor's HQ, Zemo, Mavro, Shao Kahn, Teridax, and Cybertron Megatron were standing before Anti Monitor and Evolt.

Zemo: (German Accent) I hope you have a good reason for calling this meeting. I was in the middle of preparing for my fighting against the Avengers and I still want to kill that bitch Vypra for ruining the name of the Masters of Evil!

Mavro: I was preparing for my battle against the Power Rangers.

Shao Kahn: I was preparing for when I destroy Raiden and his friends.

Teridax: I was preparing for the Toa's destruction.

Cybertron Megatron: And I was preparing for when I kill the Autobots.

Anti Monitor: I assure you I have a very good reason.

They looked on the Monitors to see Alt Lila from the Alt. Earth.

Evolt: That is a Lila Rossi from a world where Team Loud Phoenix Storm doesn't exist.

Anti Monitor: You 5 are to go there and help her out.

Evolt: Let's make this fun, shall we? Whoever survives to come back here gets to be the new second in command after I'm dead.

Zemo: You're on! It's obvious I'm going to win.

Mavro: You? I will be the one to survive.

Shao Kahn: No, I will! I used to be Outworld's Kahn!

Teridax: Fools. I will be the one to come back here.

Cybertron Megatron: No. That will be me. I WAS a Decepticon Leader after all.

With that, the 5 of them teleported away.

Anti Monitor: This is gonna be fun. Want to eat popcorn while watching?

Evolt: Don't mind if I do. I'll go make it.

The U.S.S. Valorous Phoenix was flying through space

Nico: Captain's Log, Stardate 14263.6: The U.S.S. Valorous Phoenix is en route to the Alt. Earth in the Cartwheel Galaxy to deal with an alternate version of Cerise Blanca A.K.A. Lila Rossi to make sure she never terrorizes Paris again and we're going there to clear Chloe's name. We have our work cut out for us and we're going to be in for a wild ride.

Me: (To the Alt. Chloe) Here you better keep a low profile till the time is right.

I gave her a cloak to hide herself.

Alt. Chloe: Thanks J.D.

Me: This is gonna be a treacherous mission though so we better be ready.

Xenia: Yep.

Lola: Yeah but this wil be fun.

Nico: Yep. We got a lot of work to do guys. So be ready for anything.

Me: I already let the Alt. Marinette know we're on our way so she is expecting us.

Nico: First we got to find Marinette so Chloe and her can have a heart to heart. Then we got to search Gabriel Agreste's home and find anything. Gabriel if we're lucky and resurrect Emile. Then we got to get Marinette's friends together and tell them everything which is not going to be easy to do. Then comes the pièce de résistance. Exposing Lila.

Camie: We got our work cut out for us.

Xenia: We sure do.

Celica: This is gonna be a difficult challenge.

Ymir: We can get through it all together though.

Me: That's right.

Vypra: Boy this is gonna be a difficult challenge.

Me: Yep. All those battles with the Akumas proved to be a good warmup for this.

Alien X: We're ready for this too.

Nico: Alien X, I want to thank you ,Galactimus, and your teams for coming.

Alien X: No problem Nico. This is gonna be so fun.

Qin: Yep it sure is!

Zahlia Zvezda: I'm excited for this too.

Qin: We all are.

Nico: Zahlia, what do you like to do in your free time?

Zahlia Zvezda: I teach at the planetarium and show everyone all about the secrets each galaxy and planet in the cosmos has to offer.

Me: WHOA! With over 2,000,000,000,000+ Galaxies out there and an infinite number of planets and stars too, that's going to be an awfully long time to cover.

Zahlia Zvezda: I know. But it's fun.

Qin: Wow!

Xenia: That is amazing.

Lola: It sure is.

Nico: (to Nicole) You know all about that too, right?

Nicole: I sure do. It's so fun.

Qin: Yep. That is awesome.

Nico: Yep.

Manaphy: (Sniffling)

May: Oh Manaphy what's the matter?

Manaphy: (Crying) I've been such an idiot.

Nico: Manaphy, it's one thing to attack anyone who hits May. But creating a monster and then obsessing over it?

Me: A monster that looked like a block of green jello.

Courtney: The kind of jello I hate.

Ymir: Why?

Me: She's scared shitless of that stuff because of how it looks. It's green apple flavor but to her it looks like jiggling snot.

Courtney: It's true.

Nico: Yep. Back to the topic on hand.

Manaphy: I don't know what I was thinking guys.

Poromon hugged Manaphy.

Skipper: If it makes you feel any better Manaphy, we did the same thing as you.

Manaphy: Really?

Kowalski: Yeah we did the same thing you did and it was as crazy as what you guys did.

Me: Wait Skipper you guys did the same thing before with a Jiggly?

Skipper: Yeah not one of our most pleasant days.

Kowalski: Yeah it was crazy.

Me: Oh man. Deja-vu.

Nico: I'm sorry, Manaphy. But tomorrow after the Skylanders adventure, you need to go to therapy.

Manaphy: (Sniffles) Okay.

Clyde: Me and Dr. Lopez can help you out.

Ymir: Dr. Lopez?

Me: Her name is Dr. Miranda Lopez. She is a great psychiatrist that Clyde has known for years. And she helped him and many of us greatly over the years.

Nico: It's true.

Ymir: Wow.

Billy: I don't get why I was beaten up. Manaphy made the monster!

Qin: Well you took my pineapple-coconut sunblock to be used as the bait.

Billy: Oh.

Qin: Yeah.

Poliwag: And Calling us haters hurt.

Horsea: Yeah.

Manaphy: I'm sorry guys. I was so stupid.

Me: Manaphy it's okay.

May: Yeah it's okay Manaphy.

Donkey Kong: It ate some of my bananas

Me: At least it didn't eat all of them.

Donkey Kong: True.

Qin: Yeah.

Nico: How much further?

Qin: Yeah.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the Alt. Earth.

Me: Boy I forgot how Earth looked before it became Earth Omega.

Nico: It was smaller and didn't have a ring system.

Me: Okay now we got to approach this VERY carefully.

Nico: Gotcha.

We teleported down to Paris.

Me: (Whispers) Stay close to us Chloe. First we got to find Marinette here and have a little chat with her.

Horsea: You're gonna get stabbed. Warning you right now

Maria: Horsea you're not helping.

Horsea: Sorry.

Me: First thing lets head to Marinette's Pastry shop.

We nodded.

We walked around.

Me: Sure is a cool place. Just like home.

Nico: Darn shame we didn't leave our mark.

We walked around. But little did we know that we were being watched. Cybertron Megatron was in his car mode and inside him were Zemo and the rest.

Zemo: Look there's that Team Loud Phoenix Storm and they have that stupid bitch Vypra!

Shao Khan: Those fools will pay.

Cybertron Megatron: Quiet you fools. We got to find this Lila Rossi and be ready for anything.

We arrived.

Nico: Here we are!

We went in.

Me: Wow just as nice back home.

Alt. Sabine: Welcome.

Me: Bonjour Mrs. Cheng.

Alt. Sabine: Have we met?

Me: Oh I'm sorry we should introduce ourselves. We are Team Loud Phoenix Storm, the most Powerful Force in the entire multiverse.

Nico: I'm Nicholas Chan, Leader of the team. But everyone calls me Nico.

Me: I'm J.D. Knudson, 2nd in Command. And these are our team members.

We introduced everyone.

Alt. Sabine: Oh wow it's a pleasure to meet you all. And you're the ones that Marinette talks about?

Me: That's us.

?: You made it!

Me: Hello Marinette!

We saw Alt. Marinette.

Alt. Marinette: I'm glad you're all here.

Me: Sorry it took a while for us to get here.

Alt. Marinette: No worries.

Me: We're pretty much very busy saving the entire universe from total destruction. It's a massive job but we have to do it.

Alt. Marinette: I can see why.

Me: And with great power comes great responsibility.

Xenia: It's true. It's a massively huge job and we do it all to protect everyone and everything precious to us.

Alt. Marinette: I can see that.

Horsea: No knives yet

Maria: Shh.

Me: Well we should tell you how we found out about this place and why.

We told her everything.

Alt. Marinette: So you guys battled a bunch of Akuma you never faced and they told you what happened and is going to happen in the future because of Cerise Blanca who is also Lila?

Me: Yep and we learned that Gabriel made the ultimate sacrifice by using the Miraculous like that. Using the Miraculous like that comes with a very terrible price.

Nico: Yeah.

Gabriel Agreste: I was such a fool. I let my grief for Emile consume me to madness and it almost costed me everything.

Nico: On Earth Omega we stopped Gabriel from doing that. If we hadn't who knows what would have happened.

Alt. Marinette: Oh man.

Me: Yeah. And another thing we should tell you. During one of our Skylanders adventures we met Chloe here.

Alt. Chloe revealed herself.

Alt. Chloe: Hello Marinette.

Anakin: I know you must have a lot of things running through your mind Chloe. But just remember, forgiveness is not something you earn, it's something you accept. And you already forgave yourself.

Me: Anakin's wisdom and guidance helped Chloe big time.

Nico: It's the rest of your friends we need to worry about, Eli: I sense that they are not going to be that easy to convince.

Alt. Marinette: I know. Chloe I'm so sorry you went through all that.

Chloe hugged Marinette and cried hard.

Alt. Marinette: It's okay Chloe.

Me: Cerise fucking played you all.

Sebastian Mendez: It was like what I went through.

Anakin: And how like I was manipulated.

Me: Long story on that.

Alt. Marinette: I can see that. But I will gladly help you all.

Me: It's time for an intervention.

Nico: Time for Phase 2. Intervention at the school.

Alt. Chloe: Lets go.

She put her hood up.

We arrived at the school.

Me: Here we are.

Nico: And here comes the hard part

Me: Okay.

Alt. Alya: Marinette! Hey there! Whoa who are all of you?

Me: Oh we are Team Loud Phoenix Storm.

Alt. Marinette: I told you all about them.

Me: Pleasure to meet you Alya.

Alt. Alya: Same here and it's such an honor. I saw all your videos on the Ladyblog. Is it all true.

Me: Well every single word of it. Is Adrien and the others here?

Alt. Adrien and everyone came.

Alt. Adrien: Hello there everyone.

Me: Pleasure to meet you all. Oh boy this is not going to be well. Guys the reason we're here is to help you guys get rid of Cerise Blanca and clear Chloe's name.

She revealed herself.

They gasped.

Me: Now guys before you lash out, hear what we have to say. Chloe is trying really hard to redeem herself. It's hard to explain how she wound up with us. But she wants to do everything she can to clear her name and redeem herself to help you guys.

Horsea: And here comes the knives.

Alt Alya: You want to know what I think?

Alt Chloe: What?

Me: Uh oh!

Next thing Alt Chloe knew, she was shocked to see a knife in her stomach from Alt Alya as she fell to the ground. But I grabbed her hand before she stabbed her and made her drop the knife.

Alt Alya: (coldly) I think you can say hi to Jason Voorhees for me!

Nico: (pushes Alt Alya back) Back off!

Me: Alya listen! We're here to help you. Chloe was a victim just like all of you were.

Alt. Alya: What do you mean?

Me: I'm saying that Cerise played all of you for fucking fools like how

Palpatine did to Anakin.

Anakin: He's right on that. Cerise did that to Chloe like she did all of you.

Alt. Adrien: And Alya that was so uncalled for.

Alt Alya: Uncalled for?! I was getting rid of a problem!

William: Alt Chloe has done her best to redeem herself! But I guess that doesn't matter to you, does it?

Nico: You know what this makes you? Just like Lila Rossi! Which is fitting because she shared the Fox Motif with you as Volpina! Hope it was worth it! Come on, guys! It's clear this was a mistake! We need to find Alt Gabriel!

Me: Guys, calm down and-

Zocks: J.D., maybe you should think about it logically. You really want to risk Alt Chloe getting stabbed again.

Me: I'm not giving up on Chloe. Not after everything she went through. Besides I'm not going to get mad at anything like that anymore.

Alt Adrien: (to Alt Marinette) Go follow them. We'll talk to Alya.

Alt Marinette nodded before she went to follow us.

Alt. Adrien: You guys go ahead. We'll catch up.

Me: Okay.

Me: Nico, don't you think that was harsh?

Nico: Harsh?! Alt Alya tried to stab Alt Chloe!

Me: We could've calmed her down instead of being harsh about it! Like it or not-

Nico: You know what, J.D.? Sometimes tough love is the only option.

Me: Sometimes tough love never works.

Nico: Just like it should've been an option when Lincoln used Ken's death against me!

The rest of us continued on ahead as I took in what Nico just said with my left eye twitching. Alt Marinette caught up to me.

Me: (BLUBBERS) No! The old me would have been angry like that. But not anymore.

Alt Marinette: Sorry! I couldn't help but follow you guys after what happened! (sees my expression) You okay?

Me: Yeah I'll be okay. We've had several incidents like this happen to us before and it was because of many of us going through all kinds of emotional situations.

Lincoln: Yeah we've been through a lot over the last 8 years.

Me: Yeah.

Alt Marinette: Look, Chloe. I'm really sorry about what Alya did.

Alt Chloe: Forget it, Marinette. It's clear the only ones I can trust are JD and the rest!

Me: You still trust me.

Alt. Chloe: Yes.

Alt Marinette: What the fuck is your problem? For years, I've tried to be your friend. But you don't want anything to do with me and always insult me at every turn.

Alt Chloe: (scoffs) My friend? You don't even know the first thing about me, Marinette. I was rich but I had nothing. I have struggled for as long as I can remember, to stay on top. No one helped me. Not even for one minute. Not even my own parents. Unlike you, who isn't even rich and yet has had real friends and loving parents. Wait what am I saying!? I'm not like that.

Alt Marinette was shocked to hear this but Alt Chloe wasn't done.

Alt Marinette: You're wrong! We may have grown up differently, but we have a lot in common. We've both grown as heroes and even outgrew our flaws! (gestures to their Miraculouses) Look at these! We are Miraculous users, Chloe! And friends or not, we're the only ones capable of stopping Hawk Moth and Lila!

Me: That's right. Anakin saved you from that monster inside you and from Lila.

Anakin: Marinette, Chloe listen. I know you must have a lot to think about but let me tell you what happened on my road to redemption. For years I was known as the most hated man in the galaxy. The reason was because I was used as a pawn in a terrible plan to enslave the galaxy. I was manipulated and lied to. Emperor Palpatine was responsible for it all. He made me kill millions of innocent people. I was chosen by the Force to destroy the Emperor and make him pay for his crimes and bring balance to the Force. But instead I was turned into the opposite. I killed millions of innocent people. But thanks to the friendship I have with J.D. and everyone I was able to be redeemed and saved from myself. I was redeemed because I have Padme and all those I hold dear to me. And I was forgiven for it all. It's not too late for Chloe. She was saved from a terrible fate thanks to the guidance I gave her. It's not too late for her to be redeemed.

Alt. Marinette: Wow! That is rough!

Alt. Chloe: Anakin told me all about that. That was awful.

Qin: It was.

Eric Myers: Me and Wes thought like you and Chloe too Marinette. I was a grade A Asshole because I let my arrogance and overconfidance get in the way. I was a jerk. But I grew to be a great partner for Wes.

Wes: It's all true.

Me: I remember that. That was crazy.

Back with Adrien and friends.

Alt Adrien: Alya, what the Hell was that back there?!

Alt Alya: I was removing a problem! If J.D. had some common sense, he would've finished her off for good

Alt Alix: Ok, I may not like Chloe but I don't want her dead!

Alt Nino: I'm sorry, Alya. But you went too far. You better hope Chloe forgives you for that!

Alt. Adrien: I agree. Lets go guys. Alya you need to get this through your head. Chloe wants to change and prove to us how much she has changed. Lets go guys!

They went and caught up to us.

Adrien and the others came.

Nico: Me: Hey, guys. You're just in time to see Marinette and Chloe have a heart to heart

Alt. Adrien: Really? Wow.

Horsea: Where's Alya?

Alt Max: It's logical that until she comes to terms with Chloe's redemption, she doesn't approach her,

Me: I think that would be a wise decision.

Alt. Max: Wait did your Horsea talk?

Maria: Yep. Many of our mascots talk.

Me: Long story on that.

Alt Adrien: Why are we walking to my house?

Me: We're going to see if your father is there and we're going to find anything there that will help us.

Lily: Also I'm going to bring your mother back.

Alt. Adrien: (GASP) But my mother is dead.

Lily: No she isn't. She is in a coma in a hidden place in your house and I can bring her back.

Eli: Long story but Lliy has done it before.

Me: Yep.

Alt. Alya was thinking in thought.

Alt Alya: Why can't they understand that Chloe needs to be dealt with?!

She remembered everything that she did and how she became the most hated person ever.

Alt. Alya: I can't forgive her. Not after what she did.

?: That's because it was all because of Lila Rossi.

She saw a Force Ghost! It was of Kalla of the Old Jedi Republic.

Alt. Alya: Who are you?

Kalla: My name is Kalla and I'm a Jedi Knight of the Old Jedi Republic. I once thought like you Alya.

Alt. Alya: How did you know my name?

Kalla: The Force told me you were in trouble. You are dealing with conflict on wanting to forgive Chloe here.

She sat down beside her.

Kalla: I once thought like you Alya. The only thing that I thought of before I was killed was that all the Sith could not be saved from the Dark Side of The Force. But I realize now that they can be saved. Redemption is something that can be earned through forgiveness and even though they did wrong they can be saved if you just give them the chance to see how much they changed.

Alt Alya: (sighs) I really messed up, didn't I?

Kalla: You did. But it's not too late for you or for Chloe. You can still give her a good chance to start over and redeem her trust. I know you can do it.

Alt. Alya: Thank you very much. Okay I will do it!

Kalla: Good. Here.

She gave her lightsaber to her.

Alt. Alya: (GASP) My own lightsaber? Wow!

She ignited it and it was a blue blade.

Alt. Alya: Wow! I understand now. I will help save Chloe.

Kalla: Good luck to you.

She nodded and went to join up with us.

Alt. Alya came.

Thundercracker: (glares at Alt Alya) Well, if it isn't the knife thrower

Alt Alya: (to me) Jump in at any time

Me: Don't look at me. Apparently, tough love is needed

Nico: And it worked. Because it looks like she knows the truth.

Alt. Alya: Actually I had some help from a Jedi named Kalla.

Eli: (GASP) Kalla!? She was a Jedi Knight that died in the Battle of Coruscant.

Alt. Alya: How did you know?

Eli: I'm a Jedi myself and I know all about the history of the Old Republic and all the battles they fought in.

Me: It's true. But Alya that's incredible. Her Force Ghost came to you and gave you guidance.

Eli: Yeah and she gave you her lightsaber. That's awesome.

Alt. Alya: It sure is. And guys I'm so sorry. I was just so messed up from what Chloe did that I lost myself.

Me: It's okay Alya.

Nico: Apology accepted. But there's one more apology you need to make

Alt. Alya: I know.

She went over to Alt. Chloe.

Alt. Chloe: Alya I...

Alt Alya: Chloe I'm sorry. I'm sorry for everything I said. I was just so full of anger over what happened because of what happened.

Alt Chloe: You know what? Apology accepted.

She hugged her.

Alt. Alya: I could get used to this.

Me: Awesome.

Nico: J.D. how did you learn how to keep your cool like that?

Me: Well the Purification did much more than I know.

Nico: Wow. Now we got to get to Adrien's house.

We went to his house.

* * *

We went in and it was quiet.

Nico: That's weird. It's quiet.

Me: Too quiet.

Eli: I don't sense anyone here.

We looked around.

Me: All the stuff is still here.

We went into Gabriel's office and saw it still there.

Me: Gabriel's office is here.

We saw a note.

Me: A Note.

I read it.

Me: (Reading) "To whoever finds this note, if you found this note then it means I've fled the country. Cerise Blanca has taken over my life and I want her dead. Whoever is reading this will be available to kill her. Sincerely Gabriel Agreste."

Nico: Guess Gabriel figured it out

Qin: He flew the coop.

Xenia: Yeah.

Lily: Now I know where Emile is. Follow me!

We followed Lily to the other side of the house and in the living room Lily pressed a button on a wall and a secret window opened and we saw a bed with nature around it and on it was Emile!

Lily: There she is!

Alt. Adrien: Mom!

Nico: After this, all we need to do is expose Lila.

Me: Yep.

Alt. Adrien: How do you plan to do that?

Me: Leave that to Lincoln and his Guardian Angels and us.

Lincoln: You would be amazed at how much evidence we have on her.

Anna Anyanova: It's all true.

We went over to Alt. Emile.

Lily: Okay here goes.

Lily spread her wings and enveloped Alt. Emile in a ball of water and cured her of all her illness and more! When it was done Alt. Emile woke up.

Alt. Emile: (Groans) What happened?

Alt. Adrien: Mom?

Alt. Emile: (GASP) Adrien!

She hugged him.

Me: We have a lot to tell you.

We told her everything and more and she was shocked!

Alt. Emile: Oh my! Oh Gabriel did all this to help me? Oh man. Where is he?

Me: He fled the country because of Cerise Blanca taking over. Long story on that.

Nico: We'll explain later. Right now we got Lie-la to expose.

We went outside to see the mascots drunk and in front of all Paris

Nico: Oh no…

Poromon: I have an announcement to make. You can suck my donkey! (Burps)

THEY LAUGHED!

Mascots: HELLO FRANCE!

Poromon: Oh the nice French people (FARTS). Why, with the funny language, and the talking with a 'wee wee poo poo muahahaha! (BURP!)

Poliwag: Oh, mon cherie! French fries.' Whoaaa! Hey, lady!"

CROWD laughs hysterically and applauds.

Tuddrussel: Heheyy, that's a pretty good Dean Martin!

Me: (LAUGHS) That was something Jerry Lewis once did.

They did all kinds of crazy jokes and more and everyone laughed hysterically!

Me: Okay that was funny! Now time for our entrance.

Jessie: Leave that to us.

Everyone laughed.

But then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion blasted out and a Phoenix Cry was heard.

Jessie and James laughed.

Jessie: Prepare for trouble.

James: And Make it double.

Jessie: To Protect the World from Devastation.

James: To Unite all peoples within our nation.

Jessie: To denouce the evils of truth and love.

James: To extend our reach to the stars above.

They landed.

Jessie: Jessie...

James: James...

Jessie: Team Rocket blasts off at the speed of light.

James: Surrender now or prepare to fight.

Meowth: Meowth! That's right!

Jessie's Wobbuffet: WOBBUFFET!

We landed too.

Me: Nice entrance.

Jessie: Thanks. Been a while since we did our motto.

Nico: Yep.

Me: Greetings citizens of France. We are Team Loud Phoenix Storm, the most powerful force in the entire multiverse. I hope you enjoyed our show done by the mascots of the team.

Nico: Folks, we apologize for that.

The mascots then vomited

We cringed.

We snapped them back to normal.

Me: Now we are here because we have some important matters to discuss about one girl named Cerise Blanca or as you may know her as Lila Rossi.

I showed a picture of her.

Lincoln: We have all sorts of definitive proof that she is not who she seems.

Nico: And also, we would like you to forgive Chloe Bourgeois.

Me: She was as much a pawn in all of this as all of you were.

We told them all everything about Cerise and why and more and we presented all the evidence and showed her the atrocities she did and even showed tape recordings of her and more and Eli used the Force to show that it was all true! Lincoln's Guardian Angels showed everything too. Everyone then expressed how wrong they were about Chloe and they forgave her and more!

THE CITIZENS WERE OUTRAGED! THEY WERE FUCKING PLAYED WITH!

We heard the cacophony of angered enraged screams in the air: all of Alternate Paris' citizens, no, all of Alternate France's citizens, and all of Alternate Earth were screaming out for Alt. Lila Rossi's blood.

Lincoln: Your plan's worked, guys, everyone's forgiven Alt. Chloe, and they're now out for Alt. Lila Rossi's blood!

Me: We really got everyone out for that bitch's blood.

Nico: Damn straight, we'd better get after her and fast before the citizens do.

Lincoln: Right. We're here to help Celica of Fire Emblem unlock her Rainbow Power and send Alt. Lila Rossi to The Black Abyss forever.

Me: YEAH!

Dylan Dalmatian: No one lays a hand on her, at least, not until I get a shot at her myself!

Ann Takamaki A.K.A. Panther: Dylan...?

Morgana A.K.A. Mona: It's just like with Adrian's transformation, but remember when that evil version of Gansley appeared two years ago?

Me: Uh oh.

We had all of TLPS and The M.O.E. with us.

Dylan Dalmatian: I said you're not to lay a hand on her, not until I draw first blood. (Sighs) Lincoln, is she not far from here?

Ax: Hey where's the next Mascot?

Lola: Hey look.

We saw an Omanyte on a man's plate.

Me: Oh man. That's an Omanyte. I got this.

I went over to him.

Me: Excuse me sir. That is not a snail you are going to eat. That's an Omanyte. It's a Pokemon that lived long ago.

The Omanyte hopped into my hands.

Man: Oh sorry about that!

Ax: It's okay.

Omanyte: That guy almost ate me! And I'm not a snail!

Ax: It's okay there. Here.

He gave it food and he liked it.

Omanyte: Thank you.

Ax: You're welcome. Want to come with me?

Omanyte: I would be honored.

Me: Awesome.

Nico: I thought we'd never get to this part

Me: Same here.

But then a blue ball of energy flew in and I deflected it and it flew away and hit something!

KRABBBBBBOOOOOOOOOOOOOOOMMM!

We heard Cerise scream.

Me: WHOA! What did that?

Lola: LOOK!

We saw a Lucario!

Me: WHOA! A Lucario!

Qin: WOW!

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Sheena: It is. This one is... WHOA! This one is REALLY INTENSE! Her name is Aurora Tennyson. And she is the gene-slammer of Ultimate Ben. She has over 10,000,000 aliens inside her.

WE GASPED!

Me: HOLY CRUD!

Ben 10,000: And she is more than that. She is also my daughter.

WE GASPED AGAIN!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: OH MAN! I thought Kenny and Gwendolyn were your only kids.

Ben 10,000: She's the eldest of my kids and she is also the strongest ever.

Me: WHOA! Lets go help her.

We went over to her.

Ben 10,000: Aurora it's okay.

She used Aura Sphere and Fu fired an aura sphere too and the blasts collided and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!

Ymir: WHOA! That was powerful!

Lola: Fu is an Aura Style master and the Hidden Waterfall has a rare bloodline like that.

Fu: It's true.

Ymir: Wow! That is amazing.

Ben turned into Ultimate Ben.

Ben 10,000: BIG CHILL!

He fired a blast of ice and froze her feet to the ground.

I snapped my fingers and she reverted back. She was a girl with blue hair and green eyes and had rainbow angel wings and had Lucario on her forehead and had the Omnitrix symbol on a galaxy with Ultimate Ben on it on her arm as a cutie mark.

We wrapped her in blankets and brought her over.

Me: There. Wow! That was amazing.

She woke up.

Aurora Tennyson: (Groans) What hit me?

Ben 10,000: Aurora?

Aurora Tennyson: Daddy? (GASP) Daddy!

She hugged him.

Ben 10,000: I'm glad you're safe.

Aurora Tennyson: Me too. What happened?

Me: Well you were turned into a Lucario by Dark Gale.

Aurora Tennyson: Oh man. I was battling the remnants of an organization called The Dark Tholian Crystal Underworld.

Me: WHOA! Who are they?

Aurora Tennyson: A bunch of Tholian Crime Lords that are selling dangerous crystals on the Interstellar Black Market and causing trouble.

Me: Not good.

Aurora Tennyson: Yeah.

Me: Also how are you able to use all those powers of so many aliens without the use of the Omnitrix?

Aurora Tennyson: I had all their DNA spliced into my Genetic Makeup by Galvan scientists.

Me: Holy wow! That is amazing.

Aurora Tennyson: It sure is.

Nico: Your Daddy's gonna kill Eon on his day

Me: Yep.

Aurora Tennyson: Good. I'll gladly help you guys.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new blue clothes and a Star Trek Alien Blaster and a blue sword.

Aurora Tennyson: Wow I look awesome.

Qin: You sure do.

Me: We got a job to do here.

Nico: Okay. There's nowhere for Lila to run now

Lincoln: (Sensed for Alt. Lila Rossi) AHA! Gotcha! I just sensed Alt. Lila Rossi, she's 20 yards away, and it looks like she's getting ready to run!

Then, Dylan Dalmatian completely lost it!

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lila Rossi and attacked her with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Alt. Lila Rossi, and they collided and exploded as they hit her, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Then, Lincoln fired 999 massive balls of fire from his left hand and they orbited around Alt. Eli: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Super Brother and his harem and his siblings and team, Alexander Avalon, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our extremely massive godly superhuman strength, and it was making Alt. Lila Rossi even more pissed off than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs behind him and a halo of gold energy with intricate designs formed above his head with intricate designs.

Lila Rossi, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Alt. Lila Rossi and a cluster of rainbow, white and blue heavenly flames exploded out behind his back, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU HEARTLESS BITCH!

Lincoln, Nico, and I did one final powerful energy slash that hit Alt. Lila Rossi hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Alt.

Lila Rossi was on her last legs and she was really really mangled.

Brittney: That does it Lila! It's time for you to see how scary and horrible my dark magic can be at its worst! I never used this curse, but you left me no other choice

Brittney went over to her.

Brittney: Prepare to face ultimate darkness!

SHE FLARED UP A MASSIVE AURA OF PITCH BLACK ENERGY AND COLD DARKNESS!

Brittney: (SINGING DIVINELY AS DARKNESS SWIRLED AROUND HER)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Cerise Blanca

Now the future is a cold nightmare

Me and Nico had shivers of fear run down our spines and she then fired waves of black lightning and it hit her the black tongue of the Eldritch was heard and she went cuckoo bonkers and was RIPPING HER HAIR OUT! THEN SHE GOT HIT WITH ALL THE PUNISHMENTS OF THE SINS SHE DID AND THEY WERE WORSE THAN ANYTHING HELL, THE BLACK GATES OR THE RIVER OF FIRE CAN DISH OUT TIMES 500,000,000,000,000,000,000! THEN SHE BURSTED INTO INTENSELY HOT JET BLACK FLAMES THAT WERE HOTTER THAN A BILLION SUNS AND SHE WAS INCINERATED IN SECONDS AND THE KANJI FOR OBLIVION APPEARED ON HER FOREHEAD! 黒忘却 And she was immediately burned alive by the massive power of the combined black flames of The Black Gates and The Black Abyss and she was immediately destroyed and wiped out of existence for all eternity never to be reborn in this life nor the next as she was thrown right into The Black Fire Inferno of Neverending Nothingness!

WE GASPED IN ABSOLUTE SHOCK AND HORROR BEYOND ALL IMAGINATION!

Me: Brittney! What was that!?

Brittney: That was my most lethal and most powerful curse in dark magic ever known. It's called THE OMNIPOTENT MALEVOLENT BLACK THUNDERFLAME CURSE OF GHATANOTHOA!

THUNDERCLAP! CAT YOWL! DEMONIC LAUGHTER! BLOODCURDLING SCREAMS!

WE GASPED!

Me: (SHAKING IN FRIGHT!) W...w...WHAT THE FUCK DOES THAT ONE DO!?

Lincoln: I heard about that curse! It's the worst ever curse in Brittney and all of our dark magic arsenal! Even scarier than ANY CURSE WE CAN MUSTER! After flaring up her dark magic to the intense she sings Luna's future and fires a massive blast of black lightning and the black tongue of the Eldritch is heard and it makes her go completely insane by destroying her sanity forever and then it makes her feel the ultimate wrath of all the crimes she did by turning the very actions of those crimes against her and tortures her with all the punishments they carry that are over 500,000,000,000,000,000,000 times worse than anything the Black Gates and Hell and the River of Fire can dish out and then in an ultimate act of intense justice, it burns her alive in inextinguishable jet black flames as hot as a billion suns and banishes her to the Black Fire Inferno of Neverending Nothingness!

WE GASPED IN SHOCK AND HORROR!

WE SCREAMED IN UTTER HORROR!

Qin: SCARY!

Me: WOW!

Nicole: OH MY GOD! Sometimes, I hate it when Brittney breaks out the worst of all her dark magic curses!

We cheered as we holstered our weapons and powered down, and Dylan Dalmatian's new body, clothes, weapons, jewelry, Third Eye, longer tail, large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with black metal crescent moon-shaped frame around it with embedded crimson red gems behind his large black metal halo behind his head, four large gold Amaterasu's Heavenly Mirror of Four Holy Beasts mirrors with black metal crescent moon-shaped frames around them with embedded crimson red gems behind the four large orbiting black metal rings, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and crimson red planets orbiting around his legs and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and crimson red planets orbiting around his waist, and enormous midnight black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large midnight black angel wings underneath his enormous midnight black angel wings are permanent, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tails and horns, large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with star ring shaped frames around it with embedded colored gems behind the large gold halos behind the heads, four large gold Amaterasu's Heavenly Mirror of Four Holy Beasts mirrors with gold star-shaped frames around them with embedded colored gems behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large colored planets orbiting around the legs and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller colored planets orbiting around his waist, and enormous colored angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large colored angel wings underneath the enormous colored angel wings of The Cutie Mark Crusaders are permanent.

Nico: And that is that.

Me: You said it.

Dylan Dalmatian: Wait, what about...?

Raiden: Do not worry, Dylan, we banished Shao Khan, Mavro, Zemo, and Megatron to The Warp after Teridax got away.

Me: Still, I didn't expect those five to show up, but Anti-Monitor had some nerve sending them here.

Nico: All to see who'd be his next second-in-command after Evolt.

Lincoln: That really is petty. But, I'm really pissed that Shao Khan tried to kill Adrien, this just proves how much of a dishonorable bastard he really is.

Cronus Chase: That's just proof that he needs to die along with Quan Chi and Shang Tsung, but how did Shao Khan break out of The...?! Oh, son of a bitch! Anti-Monitor! (GROWLS)

Lincoln: I can't think of any other person than him who had a hand in this. (Sensed a dark presence) And we also got trouble, Darren's finally been freed from his coffin, but the person inside it, that's not really Darren Arcangela, but rather, our old enemy, Darren Devereaux.

Selene Arcangela: What?! But, I thought...! Oh God, we had his soul sent to Hell, and the spirit saying about purifying himself...!

Lincoln: Was nothing more than a lie, and here's the really bad news: turns out he was one of Anti-Monitor's spies, this was long before we got rid of Xehanort forever!

WE GASPED!

Nico: That piece of shit! I'm gonna...!

Lincoln placed his left hand on Nico's right shoulder.

Lincoln: No, Nico, let me. I should've seen right through Darren's act all along, but he played me for a damn fool, he played all of us for fools. He's not getting away with this.

Then, Lincoln took a deep breath, and...!

Lincoln: (YELLING OUT LOUD) DARREN DEVEREAUX, GET YOUR LYING DEMONIC BUTT OUT HERE NOW! WE KNOW EVERYTHING!

Suddenly, Darren Arcangela, or should we say, Darren Devereaux came out, but he was still dressed in the same black clothes from months ago and his eyes were permanently blood red with demonic slit pupils.

Lincoln: We know everything, Darren, you really thought you were that clever, but in reality, you've had darkness inside you since the day you were born, you were born with the curse that damned your bloodline throughout the 1920s, the only good ones were your parents and your older brother, Logan, but you, you've had the curse inside you: the blood descendant of Elias Devereaux, and you'd let the curse poison you since your parents and brother had long since passed away. Selene took you in despite your family's cursed blood and treated you like a brother, and this is how you repay her: you betrayed her and betrayed us and all of mankind and sided with Anti-Monitor and became his spy. This is unforgiveable and a blatant act of betrayal! Darren Devereaux, I'm gonna tear you apart limb from limb and send your mangled up body back to Anti-Monitor with your head torn off!

Darren Deveraux: (ENRAGED DEMONIC SCREAM) SHUT THE

FUCK UP, YOU OVERGROWN PIECE OF SHIT! I WILL KILL YOU AND YOUR WHORES AND WORTHLESS KIDS CAN WATCH HELPLESSLY AND THEN, I'M KILLING THEM AND ALL OF YOU AS WELL! ANTI-MONITOR WILL RULE OVER ALL!

Nico: You piece of shit...! GO TO HELL, DARREN DEVEREAUX!

BANG!

Suddenly, a shot rang out, and a bullet pierced Darren Devereaux right in his heart, and bright lights burst out of his chest as he screamed in agonizing pain as he was destroyed forever and turned to ashes and he was sent to The Black Abyss forever.

Me: WHOA! Lincoln, was that...?

Lincoln: That wasn't even me.

Nico: Whoever did it really had a grudge against Darren, could that person have lost someone he'd loved to Darren's cruelty?

Selene Arcangela: Could be. But, there's no telling, the person's left.

Lincoln: Whoever it is, he's gonna come back.

Nico: That was a lot more intense then we expeccted it to be

Me: Like they say, Karma is bitch.

Nico: Nice job Omanyte.

Omanyte: Thanks! That was fun.

Qin: It sure was.

Poromon: Want some beer?

Omanyte: Oh no thank you. I only drink Cristal Wine.

Me: Ooh you like the really luxurious stuff.

Nico: Cristal wine?

Me: Very expensive and luxurious Champagne. $360.00 per bottle.

Nico: Wow! That must be good stuff.

Me: Yep.

I pulled out a bottle and it was pretty.

I opened it and gave some in a cup for him.

Omanyte: Thank you.

I gave some to the mascots.

Poromon: Thank you.

They drank it down.

Poromon: Boy that is good. I can see why it's expensive.

Me: Yep.

Qin: I can see why.

Poliwag: We'll be playing hide and seek later.

Me: Cool!

Lola: Yep.

Alien X: This will be interesting.

Nico: Oh Alien X, what do you like to do in your free time?

Alien X: I do the same thing as Zahlia Zvezda. I teach at the planetarium and show everyone what is there.

Me: Good job there.

Alt. Alya: It sure is. Hey guys thanks for helping us.

Me: You're welcome. Also the reason we covered you guys from seeing Lila burn here is because you aren't used to seeing what we have seen. We've killed lots of bad people in the most gruesome of ways and it's not very pretty.

Alt. Alya: Oh I see what you mean.

Anakin: Trust us on this. It's not a very pleasant sight to see.

Alt. Alya: Oh man.

Alt. Marinette: That is rough.

Alt Alix: Although was it really necessary considering we saw the deaths of those other 4 guys?

Me: I suppose not but we haven't left our mark on this world so I guess it must've slipped our minds.

Alt. Alix: That does make a good point.

Alt. Chloe: It's true. While I was with the team, I've seen how they fight and it's amazing and powerful.

Alt. Alix: Wow. I can see why.

Me: How about we show you guys what we saw through some of our adventures so you can see?

Alt. Marinette: Sure.

I showed them a viewing orb many of our amazing adventures from 2016 to the present and they saw it all in so many of our adventures.

THEY WERE SHOCKED, AMAZED, HORRIFIED AND MORE!

They even got green around the gills.

Me: Uh are you guys alright?

Alt. Marinette: Can you excuse us?

Me: Uh sure.

They ran to trashcans and hurled their guts out in them.

Me: Oops. I think we might have laid it on a teensy bit thick there.

Nico: Yeah I think we kinda did.

They came back.

Me: Are you guys okay?

Alt. Adrien: You guys went through it all! I can see why you're all so powerful!

Alt. Alya: And you fight the most dangerous enemies many times before.

Me: We don't like to brag. We've had our ups and downs but we got through all sorts of hardships. Killing the worst ever bad guys comes in our job description.

Alt. Alix: (gestures to the corpses of the Sinister Six) Seriously, the other Sinsiter Six guys we saw got killed. We wouldn't have minded seeing Lila's death

Me: Sorry and actually you all did see Lila get killed.

Alt. Alix: Oh right.

Me: And you did see them get killed.

Alt. Alix: Yes we did. Sorry we were just overreacting.

Me: No worries. I feel the same.

Alt. Alix: It's okay.

Qin: Good.

Nico: Gotta be honest, I was expecting Megatron to be the last one to fall before Lila

Me: Yeah me too. Also guys, I'm sorry about the confusion with us not showing you guys how we kill people that bad and with all that. Also when we first landed here it felt like we were starting everything over on this world from scratch. We come from Earth Omega in the

Milky Way Galaxy. This world is in the Cartwheel Galaxy.

I Showed them the planet.

Me: It's over 200,000 miles in diameter and has a ring system.

Alt. Marinette: Wow! I can see why it's so huge.

Me: Yep.

Alt. Adrien: And that explains why we're seeing the galaxy as a different one.

Me: Yeah it's weird but cool.

Xenia: It sure is.

Me: Yep.

Alt Chloe: I know I have a lot to make up for, including what I did before Lila. But I hope this is a good start

Alt. Alya: It is.

Alt. Marinette: And we're proud of you Chloe. I was wrong. I shouldn't have taken the bee Miraculous away. You are part of the team.

Alt. Chloe: Thanks Marinette.

They hugged and shook hands.

Omanyte: So awesome!

Poromon: I'll say!

Me: Yep.

Nico: Now we just have to worry about our Lila Rossi. The one who has an army of Akuma clones by now

Qin: Yep.

LOUD FART!

Ed: Ahh.

Nico: Ed!

Eddy: (LAUGHS) Nice one Lumpy!

Ed: (LAUGHS)

Me: Funny!

Nico: Now for the Anothers.

Me: Yep.

Alt. Marinette: The Anothers?

Me: Long story on that.

Lincoln: (Sensed the Anothers) Ah, and The Anothers are coming right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them too, and one of them is Another Yusuke.

Yuriko Urameshi: If it's who I think it is...!

Yusuke: Then, we're in for an awesome reunion, Yuriko.

Lincoln: This should be interesting.

Qin: And I think one of them just appeared!

We saw AN OMINOUS RED LIGHT APPEAR ahead of us.

Nico: What is that.

(X-FILES THEME PLAYS)

IT WAS ANOTHER GLOWING ALIEN!

WE SHIVERED IN FRIGHT!

Homer: (SCREAMS!)

Poromon: I remember this!

Me: Who are you?

Another Glowing Alien: (In a girls voice) Don't be afraid.

Shanan: (Gasp) That voice! Everlynnia!

She reverted back and she was an Entei!

She reverted back from that and it was a girl with red and orange hair and had orange eyes with red sclera and had a Sun Symbol on her forehead and ahd orange and red clothes and fire angel wings and had Entei on her clothes and had a Volcano and Entei on her arm as a cutie mark and had a fire sword.

Everlynnia: It's good to see you again Shanan.

Shanan: Same here. Like Mezgorah, Everlynnia is from the volcanic planet of Vollcra and she is part of the Vollcranneans and they are Volcanic People that worship the legendary Volcano Pokemon, Entei.

Me: Whoa! That is amazing! Are you also part of Dark Gale's work?

Everlynnia: I sure am. I was with Sonya's team battling them and they turned me into an Entei.

Sonya: We haven't encountered one of my teammates in a while.

Me: I know.

Everlynnia: Yeah. I am the Volcanic Mage of the team.

Poromon: Where are the rest?

Everlynnia: Oh they are coming. I am the extra of them.

Elemental HERO Darkbright: Because we faced the Glowing Alien before.

Me: Good thinking. I know this question is mandatory but are they friendly or hostile?

Everlynnia: Friendly. And they are cool.

Me: Nice.

We separated her and I fired a wave of energy and I blasted the Another Glowing Alien and caught the Wonder Ride Book.

Me: There. And this is going to be a tough one. Alien X, Zahlia Zvezda, Celeste Shirayuki, Rhonda Rura Penthe, Yulia Zemerouski, Elemental HERO Darkbright and Celine Zenningway are up and we have Another Galactimus, Wyvern, Madam Slay, Karkonax, Superman (Red Son 2020), and Female Celestialsapien Warrior.

Qin: WHOA! This is REALLY GOING TO BE Tough.

Xenia: Yeah!

Lola: Yep.

Nico: There they are!

We saw Another Wyvern, Madam Slay, Karkonax, Superman (Red Son 2020), and Female Celestialsapien Warrior!

Me: WHOA! This will be rough.

Nico: Yep.

Another Wyvern: (In a girls voice) I saw how you guys killed that monster Lila.

She pulled out a flyer and gave it to Alt. Marinette.

Another Wyvern: Her bounty is all yours.

It was worth $500,000,000,000,000,000,000,000.00.

Me: WHOA! $500,000,000,000,000,000,000,000.00!? That's a lot of money.

Nico: Shannon Carnage!? Whoa!

She reverted back and was the gene-slammer of Evil HERO Carnage.

Shannon Carnage: Good to see you again Nico.

Nico: Same here. Shannon is one of our friends and is part of an Anti-Bullying extremeist group called the Bully-Decapitator Squad. They kill bullies by slashing their heads off and collecting on their bounties.

Nicole: Whoa! My kind of group.

Shannon Carnage: Yep. And we go after the meanest bullies of all. And I have quite a contract put on Earth Omega's version of Lila too.

She pulled out a flyer for her and it was bigger than Alt. Earth's Lila.

It was worth $100,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000

Me: WHOA! That's a Lot of Zeroes!

Shannon Carnage: The Bounty will go to the Cutie Mark Crusaders back home.

Qin: Cool!

Nico: And your friend?

Shannon Carnage: Oh they are coming. It's just me for now.

Me: Okay.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

Nico: Our version of Lila probably has a bigger price because of the shit she did

Shannon Carnage: Oh she does. If brought before a judge, the bounty is tripled.

CHACHING!

Eddy: WHOA! TRIPLED!? Wow!

Nico: Wow! That's a lot of money.

Nicole: Shannon I like the way you think.

Apple Bloom: You know me and the Crusaders will be up for the challenge.

Sweetie Belle and Scootaloo: YEAH!

Cozy Glow: This is gonna be awesome!

Diamond Tiara: That is for sure!

Silver Spoon: Yeah!

Alt. Marinette: I was really impressed that you girls defeated your worlds version of Lila.

Applejack: (LAUGHS) Our sisters have really come a long way.

Me: Yep.

PSYCHO STRINGS PLAY!

BUZZ!

Eli snuck up behind Nico and shaved part of his head!

Nico: (SCREAMS) WHAT THE FUCK!

WE LAUGHED HYSTERICALLY!

Eli: (LAUGHS) I Couldn't resist Nico! Sorry!

NIco: No worries.

His hair he lost grew back.

Nico: Absorbing Man called dibs on crushing her head

Me: Yeah!

Vypra: And we promised he would after sentencing.

Me: Awesome.

But then...

LOUD MASSIVE AND FIERY FART FLAMETHROWER!

I FARTED FIRE AND IT BLASTED MAY IN HER FACE!

Me: Oops.

Manaphy: Mama!

Me: Sorry! I had some of Samsara Curry's Death Curry for lunch.

Manaphy then glared ferociously at me!

Lincoln: Manaphy, after the whole Jiggles mess, you've lost the right to get pissed.

Manaphy: Aw man. But mama...

Lincoln: I know. But wait till after Therapy.

Alt. Marinette: You guys have done all kinds of REALLY FUNNY stuff.

Luan: We sure have.

Me: We get into all kinds of crazy and funny misadventures. Not just with us but the mascots too.

Lola: Yep.

LOUD MASSIVE AND FIERY FART FLAMETHROWER!

I FARTED FIRE AND IT BLASTED NICO IN HIS FACE!

Nico: (COUGHS)

Me: Sorry.

Poromon: (to Manaphy) If the therapy works, you won't even think of attacking anyone who hits May.

Me: Poromon don't jinx it.

Manaphy: But I want to be there for mama and hurt anyone that attacks her!

Alt. Marinette: Manaphy is really overprotective of May isn't she?

Me: May hatched her when she was an egg and Manaphy has had a very special bond with her.

Alt. Marinette: I can see that.

LOUD MASSIVE AND FIERY FART FLAMETHROWER!

I FARTED FIRE AND IT BLASTED MARIA IN HER FACE!

Maria was boiling!

Maria: OW OW OW OW!

Me: Oops sorry Maria.

Maria: No worries.

Lily; Marinette, I did the same kind of fart to Mr. Pigeon and ate all his pigeons.

Alt. Marinette: You did?

Lily: Yeah the reason? I HATE PIGEONS!

I whispered in her ear.

Me: (Whispers) Lily hates pigeons because they ruined her ice cream and she hates pigeons with a passion and eats them for lunch or dinner.

Alt. Marinette: Oh I see.

Nico: Manaphy, you need this therapy or else you might end up killing an innocent

Manaphy: Okay you're right.

Horsea: Good to hear

Me: Yep. Oh look!

We saw Another Galactimus and Yusuke!

Me: There they are!

Qin: Right on time.

Another Galactimus: (In a girls voice) I hate that bitch Lila.

Nico: Blaze Haze!

She reverted back and it was the gene-slammer of Evil HERO Dark Blaze.

Blaze Haze: Good to see you again Nico.

Nico: Same here.

Rei Miyamoto: HEY! YOUR BREASTS ARE BIGGER THAN MINE! NO FAIR!

Blaze Haze: Just born with good looks.

Nico: And your friend?

Another Yusuke: (In a girls voice) Someone who is proud of her brother.

She reverted back and it was a girl version of Yusuke but she had green angel wings and had Mazoku tattoos on her arms.

Yusuke: Yumi!

Yumi Urameshi: Hello brother.

Me: Wow! Your power is intensely strong! I can feel the energy coming off you.

Kuwabara: I agree there.

Yumi Urameshi: Yep. I am still human but my power is that of an Upper S-Class demon.

Me: WHOA!

Nico: Lets see.

He did a scan on her.

Her power is at 5,000,000!

Me: WHOA! 5,000,000 power!? That's impressive.

Nico: It sure is.

Yusuke: It sure is. This is my sister Yumi.

Me: Pleasure.

Nico: Also your brother has been through so much over the last few years. Same with Keiko.

Yumi Urameshi: I heard and I'm so proud of him.

Me: We all are.

Qin: Yep.

Me: But how did you get the marks of the Mazoku? That power had to wait about 1,200 years for it to show itself in Yusuke.

Yumi Urameshi: I heard. Also the power emerged in me shortly after Yusuke faced Yomi.

Me: Wow! King Enma and Captain Ootake are going to have a field day.

Nico: No kidding.

Kaito: (Gets out Drive gear) Did Swartz promise you anything?

Zocks: (Gets out Ghost gear) Because we can grant it instead.

They got weapons from said teams.

Blaze Haze: No he didn't for me. But on Yumi yes.

Yumi Urameshi: My goal is revenge on Mr. Iwamoto.

Me: Who is Mr. Iwamoto?

Keiko: Oh man! He was a monster teacher that hated Yusuke with a vengeance.

Me: We'll have to look him up later. That must be who our target is for Yusuke's day to shine.

Sougo (Gets out Drive Ridewatch): He's actually fitting.

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz (Gets out Specter gear): After all, most of Yusuke's enemies are in the MOE already

Armor Time! (Low-pitched electronic music) Kaigan! Specter!

Sougo got DriveArmor while Geiz got SpecterArmor.

Me: Yep. It's true.

Qin: That is for sure.

Nico: Lets separate you first.

We did so.

Me: Lets dance.

Nico: (GETS OUT GALACTIMUS'S RIDEWATCH) SPACE IS MINE!

May: (GETS OUT MADAM SLAY'S RIDEWATCH) SLAY AND BURN!

Universe 666 May: (GETS OUT KARKONAX'S RIDEWATCH) TIME FOR SOME PAIN!

Maria: (GETS OUT SUPERMAN (RED SON 2020) RIDEWATCH) COMRADE POWER!

Zahlia Zvezda: (GETS OUT WYVERN'S RIDEWATCH) DRAGON POWER!

They used the powers of Galactimus, Wyvern, Madam Slay, Karkonax, Superman (Red Son 2020), and Female Celestialsapien Warrior and blasted the Anothers.

Poromon: YEAH!

Yumi Urameshi: Watch what I can do.

She flared up a SACRED ENERGY AURA!

Me: WHOA!

Yumi: (Echoing) PHOENIX OF THE SACRED FLAME INFERNO! 鳳凰聖火地獄業火

SHE FIRED A MASSIVELY POWERFUL RAINBOW FIRE BLAST FROM HER HAND AND IT FORMED INTO A RAINBOW FLAME PHOENIX THAT WAS HOTTER THAN 40,000 SUNS AND IT HIT ANOTHER YUSUKE AND HE EXPLODED WITH INTENSE AND INCREDIBLE POWER!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

WE WERE SHOCKED!

Me: HOLY SHIT!

I caught the ridewatch and purified it!

Kurama: That was the Flame of Heaven. It's more powerful than the flames of the Underworld and has much more destructive power. It can obliterate even the strongest of S-Rank demons in an instant.

Me: WOW!

Nico: Geez!

Qin: That was powerful!

Me: If Elder Toguro faced that there is no chance in hell he would regenerate from that.

Yumi Urameshi: Nope.

Then Giant Villain (MHA), Volt Drac from Ultraman Zwei, Tyra, Chopper, Misty (My Life as a Teenage Robot), Electric Dragon (Kirby) came.

Nico: WHOA! Nice team Giant Villain.

Giant Villain (MHA): Thanks.

Vierra Voltic: Well well hey Tyra and Chopper. Been a long time.

Tyra (Pokemon): (STARSTRUCK) Thunderqueen Vierra!

Chopper (Pokemon): (STARSTRUCK) WOW! You are looking great!

Vierra Voltic: I get that a lot.

James: You know Tyra and Chopper?

Vierra Voltic: I sure do. When I lived in Tampa Bay, Florida I had a really badass reputation growing up. I was known as Catatumbo Thunderqueen Vierra.

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

It showed Vierra riding her bicycle through the city in the middle of an intensely raging thunderstorm with lots of lightning.

Vierra Voltic: (VOICEOVER) I was really fearless back then. I would fearlessly ride my bike in the worst thunderstorms in the city. Lightning struck around me and it's how I got the name Catatumbo Thunderqueen Vierra.

FLASHBACK ENDS

Tyra (Pokemon): Vierra has made an intense name for herself there. She even beat up numerous members of a rival gang and send them running home to their mommies.

Vierra Voltic: Those were good times.

Horsea: Good to know.

Me: And that means Ultimate Way Big and his team next.

Ultimate Way Big: That's right.

Qin: Cool.

But then a thick black mist rolled in.

Me: What the?

Nico: This black mist is thick!

SLASH SLASH SLASH SLASH SLASH SLASH!

Another Galactimus was slashed into ribbons by an unseen force and I caught the ridewatch and purified it.

Me: WHOA!

Then the mist lifted and out came Elemental HERO Shadow Mist.

Me: WHOA! Elemental HERO Shadow Mist!

Nico: I didn't even see that one move!

Elemental HERO Shadow Mist: (In a girls voice) Because I am as ravenous as the wolf, cunning as the fox, swift as a coursing river, with all the force of a great typhoon, with the strength of a raging fire and mysterious as the dark side of the moon.

Nico: Noriko Shadowstorm!

She reverted back.

Noriko Shadowstorm: Good to see you Nico. Shadows are my specialty.

Nico: They sure are. Great job!

Noriko Shadowstorm: Thanks.

Nico: Noriko and I went to martial arts school and learned how to be strong and powerful fighters and ninjas of the shadow.

Me: Wow!

Xenia: Cool!

Qin: I remember that. Good times.

Noriko Shadowstorm: It sure was.

Zahlia Zvezda: Do you have any good memories of Nico?

Noriko Shadowstorm: I sure do. When me and Nico went and snuck into a Yakuza hideout and I used my shadow mist powers to obscure their view and we slashed and cut and tied them up and sent them to jail forever.

Nico: That was fun.

Qin: Yep.

Me: Wow! That is cool! Under the cover of darkness do you strike without warning.

Nico: Yep.

Nico and Noriko hugged.

Nico: I've missed you.

Noriko Shadowstorm: Same here.

I snapped my fingers and the Alt. Earth merged with Earth Omega and we went back home.

We had all of TLPS and The M.O.E. with us.

Lincoln: Oh man, we're here in the ruins of Raccoon City, and I know what we're going to do here, not only am I going to rescue the sixteen girls here, but we got bad news: William Birkin, the creator of The G-Virus and the source, has returned from The Black Gates, and in his mutated form.

Nicole: Figures that would be the case.

Let's get to work!

We got a move on and we met up with Chris Redfield, Claire Redfield, and Leon Kennedy along with Jill Valentine and Rebecca Chambers, the only survivor of The S.T.A.R.S. Bravo Team unit. Suddenly, we heard screams, and we ran to see four kids fighting some zombies, but they were no ordinary kids.

Jeremy Arc-Nikos, a tall young 12 years old boy who has fair skin with strong muscles in his arms, shoulders, and upper chest, green eyes, and blonde hair with a red streak. He wears a black short-sleeved hoodie with detached reddish-orange sleeves, white diamond-shaped chest plate, blue jeans with a white patch placed on the left knee, and black sneakers. He wields a sword and shield called the Crocea Mors.

Pyra Arc-Nikos, a tall, slender, and beautiful young 12 years old girl who has pale white skin, dark-blue eyes, and long red hair with blonde streak styled in a high ponytail. She wears golden tiara with a dark red flame on the front, red top with most of the short sleeves colored white with a golden chest plate with high shoulder-pads, a golden V-shaped belt, red leggings with a pattern of white flame printed on each of the darker red stripes, and calf-high red boots. She wields a sword-like rifle and Greek Dipylon shield called Miló and Akoúo.

Nia Ren-Valkyrie, a young 12 years old girl who has pale white skin, aqua eyes, and short orange hair with a magenta streak. She wears collared black sleeveless vest, a white sleeveless t-shirt with a heart-shaped, light pink fingerless gloves, short pink skirt, black short leggings, and white mary janes with pink strap and soles. She wields a mallet-like grenade launcher called the Magnhild.

And Luce Ren-Valkyrie, a young 12 years old boy who has pale white skin, pale pink eyes, and long black hair with a magenta streak. He wears a dark green sleeveless tailcoat with black and silver trimming, black sleeveless turtleneck with red tasseled ropes, light-tan pants, and calf-high open-toed sandals. He wields machine pistols with sickle-like blades called the StormFlower.

Lie Ren: Whoa, who are they?

Braeden Carnes: That's the next generation of JNPR, Lie, in other words the kids of Jaune Arc and Pyrrha Nikos and yours and Nora Valkyrie, Lie Ren.

Jaune Arc: Wait, really?! That's amazing!

And when Crimson Rose-Loud saw Jeremy Arc-Nikos, she blushes atomic red like crazy, and when Wallace Schnee-Loud saw Pyra Arc-Nikos, he blushes while trying to remain cool, and when Blake Belladonna-Loud Jr saw Nia Ren-Valkyrie, he blushes and purrs, and when Yuri Xiao Long-Loud saw Luce Ren-Valkyrie, she blushes red like crazy.

Jeremy Arc-Nikos: And we also got bad news: we had to deal with a crazy woman who had black tentacles coming out of her body.

Claire Redfield: That was Alex Wesker. Those black tentacles...!

Chris Redfield: The Uroboros Virus.

Chris Redfield told us of the events of Resident Evil 5, and we were disgusted even more at Wesker.

Nicole: I knew Wesker was a dirtbag, but now I see he's even more of a monster than ever.

Jill Valentine: He's already a dead man walking, we'll make sure of that.

Pyra Arc-Nikos: But, someone shot her dead and burned her body to ashes.

We knew it was the same mystery person who shot and killed Darren Devereaux, and Lincoln made sure to banish Alex Wesker to The Black Abyss which pissed Wesker off from the shadows. Then, we got a move on, and there we saw William Birkin in his mutated form.
